

Activity Report

Central University of Punjab successfully organised six-day Online Workshop on "Website Development".

30th May 2020, Bathinda: Under the guidance of honourable Vice-Chancellor Prof R K Kohli., the Department of Punjabi, Central University of Punjab, Bathinda (CUPB), successfully organised an Online Workshop on the topic of 'Learning How to Create a Website' from 25th to 30th May, 2020. The objective of this workshop was to provide technical knowledge on Creating New Website in the Punjabi Language to everyone. Faculty members, research scholars, students and corporate representatives from different cities across Punjab participated in this programme. Registrar of the university, Mr. Kanwal Pal Singh Mundra congratulated the Punjabi Department for successfully conducting this workshop

Giving information about the workshop, Prof. Zameerpal Kaur, Head of the Department told that under the dynamic leadership of Hon'ble Vice Chancellor Prof. Dr. R. K. Kohli, CUPB is continuously working towards its mission of imparting quality education even during coronavirus pandemic. This workshop was an attempt to disseminate information through online mode so that teachers, students, writers who want to have their presence on the internet can learn about website development while following lockdown norms and social distancing. She said that in the age of information technology, it is very important that teachers & students are able to skillfully utilise various services available on the internet so that they can share their knowledge with the masses.
