

**Department of Geology**  
**Central University of Punjab, Bathinda**

**LAB FACILITIES FOR PETROGRAPHY AND MICROSCOPY**

Following Petrological and Stereo Zoom microscopes equipped with high resolution imaging system and student models are available in the teaching and research laboratory of the Department.

Leica M205C High end Trinocular Stereozoom Mic.	01
Leica DM750 High end Trinocular Petrological Mic.	01
Trinocular Stereo zoom Microscope	03
Binocular Stereo zoom Microscope	10
Binocular Trans. & Ref. ORE Microscope	09
Trinocular Trans. & Ref. ORE Microscope	02
Binocular Polarizing Microscope	14
Trinocular Polarizing Microscope	03
Camera and Computer interface	03
