Dr. Felix Bast, Co-ordinator, Science Academies' Lecture Workshop, Centre for Plant Sciences, Central University of Punjab, Mansa Road, Bathinda, 151001, Punjab

PS:

- Participants intend to attend partially in the workshop need not apply
- Deadline for form reception: 19/2/2016 5PM
- Forms can also be handed over to the coordinator
- Forms sent via email will not be accepted

### **Other Information:**

- Total number of participants will be 100, and priority will be given to faculties/students of plant sciences from colleges in the vicinity of CUPB
- There will be no application fee/registration fee.
- No TA/DA will be provided to the participants.
- There will also be spot registration on 22 February 2016
   9 AM to 10 AM, depending on the availability. To ensure the participation, advance registration is encouraged.
- Working lunch and two refreshments (tea/coffee) will be provided to all registered participants on all three days.
- There will be two competitions; "best poster competition" and "spot botanical illustration" competition.
- Posters (primary research/review) should be in the theme of the workshop (Recent Breakthroughs in Plant Sciences), and those outside the theme will not be considered. Posters (120 cm x 90 cm) will be displayed on all three days in the designated area and will be evaluated by the experts. Prizes in the form of certificates will be awarded to the corresponding authors of the best three posters.
- Botanical illustration competition will be held from 9:00 to 10:00 on 24 February 2016. Illustrations (pastel/oil/pencil drawings) will be evaluated by team of experts. Prizes in the form of certificates will be awarded to the artists of the best three illustrations.
- No formal certificates will be issued to participants. However, if needed, a letter of attendance signed by the Workshop Co-ordinator will be provided.
