Report of Faculty Induction cum Interaction Programme held on 9th October 2024

A faculty induction cum interaction programme was scheduled on October 9, 2024 at 4:00 PM under the chairmanship of Hon'ble Vice Chancellor, for the newly joined faculty to help them to understand University system and to familiarize them with the structure, functioning of the institution and professional expectations.

This programme was conducted for 24 newly joined faculty members, out of which 22 faculty members attended this programme.

The event started with formal introduction of the faculty followed by welcome address by Prof. Raghavendra Prasad Tiwari, Hon'ble Vice-chancellor.

In his address, Hon'ble Vice Chancellor emphasized on the process of improvement and the challenges and opportunities where we must keep ourselves ready to face these challenges and to learn from the failures.

The Vice Chancellor further asked the faculty to focus on academic and research and to publish research publications having good impact factor enlisted in Scopus and Web of Science. He also elaborated upon the new skill sets required for teaching and outcome based education. He concluded with a quote:

Dream more, learn more and become more.

Prof. P. K. Mishra, Associate Dean Incharge Academics, introduced the newly joined faculty with the academic system of the University. Further, he shared that the skill based and learner centric education is the need of hour and everyone must get acquainted to it.

Prof. Vijay Sharma, Registrar added that University has received an approval for Skill Development Centre and it will enhance the skill among the students. The faculty are also encouraged to update themselves accordingly.

Prof. B. P. Garg, Controller of Examinations elaborated about the examination pattern and autonomy in setting up question paper. He further explained about the grade point and credit calculation for the students.

Report of Faculty Induction cum Interaction Programme held on 9th October 2024

Prof. Anjana Munshi, Director, R&D Cell, explained about the working of R&D cell. She directed the faculty to process the project files for endorsement letter in timely manner. She also asked the newly joined faculty to submit the proposal for RSM.

Prof. Monisha Dhiman, Director IQAC elaborated about the function and best practices of IQAC. She further added that University reviews the academic and research growth of the faculty and the departments through audit. The teaching quality is assured and maintained through curriculum and feedback system.

Prof. Anil Mantha, Incharge Store & Purchase Section, presented the purchase procedure of the University and made a kind request to submit the files with complete documents to avoid unnecessary delay. He also insisted upon to coordinate with store staff while submitting the documents.

The programme ended with the vote of thanks by Prof. Monisha Dhiman.
