 - DST has sanctioned **Rs. 4.63 Cr under its NIDHI i-TBI Scheme**
 - DST has granted **Rs. 8.47 Cr under PURSE Scheme**
 - BIRAC (DBT) has sanctioned **Rs. 2.66 Cr for Empowering Youth for Undertaking Value Added Innovative Translational Research (EYUVA) Centre**
 - 9th Convocation of CUP was held on 19th March, 2024. Shri Ram Nath Kovind, Former Hon'ble President of India was the Chief Guest. *Honorary Causa* was conferred on four distinguished persons, namely, Dr. Vijay Bhatkar, Dr. Ajit Doval, Dr. Jaspinder Narula & Dr. Harjit Singh Sabharwal. 813 PG and 51 PhD degrees were conferred.
 - Research articles published by the faculty members and students in Scopus listed journals are 3013, *h-Index* is 88 and citations are 55987 (as of 05th June, 2024).

The member secretary Prof. Monisha Dhiman presented the agenda items one by one to the members:

Agenda 25/2024/1: Confirmation of minutes of previous meetings

The minutes of the 24th meeting of IQAC held on December 15, 2023 is placed as **Annexure 1** was circulated amongst the members by e-mail. No comments/suggestions/observations were received.

The minutes are submitted for confirmation.

RESOLVED

The committee unanimously agreed to confirm the minutes of the 24th meeting of IQAC held on 15 December, 2023.

Agenda 25/2024/2: Action Taken Report of previous meetings

The action taken report of 24th meeting of IQAC held on 15 December 2023 is attached as **Annexure2** and same is placed before the committee for approval.

RESOLVED

The members of the committee noted & confirm the Action Taken Report of the 24th meeting of IQAC and expressed satisfaction on timely actions thereon.

Items for Information

Agenda 25/2024/3: Progress Report of IQAC

The following activities performed by IQAC after the 24th IQAC meeting are were presented before the members:

Training and Lectures

1. A Training Sessions on Cardiopulmonary Resuscitation (CPR) was organized on 19th December 2023. A team from AIIMS Bathinda gave training to the students, employees and faculty of the University.
2. IQAC organized a Foundation Day Lecture by Dr. Vinay Sahasrabuddhe, Former President, Indian Council of Cultural Relations, New Delhi on 29th February 2024.
3. National Dress Day was celebrated on March 6, 2024 under the theme of "Ek Bharat, Shreshta Bharat," celebrating the vision of Viksit Bharat 2047. Various activities were performed on stage to celebrate the diversity of cultures from different states and provinces in the country.
4. An invited lecture was organized by IQAC on 19th April 2024 by Prof. H.C.S. Rathore, Chairperson, NRC-National Council for Teacher Education (NCTE) on "Quality Assurance in Research".
5. An invited lecture by Prof. S. A. Kori, Vice Chancellor, Central University of Andhra Pradesh was organized on 31st May 2024 on the topic "The Idea of Viksit Bharat: Educational Landscape at 2047".

RESOLVED

The members appreciated the efforts of IQAC. It was suggested to conduct more training cum health camps in collaboration with AIIMS, Bathinda.

Activities

1. External Curriculum/Academic and Research Audit of 31 departments was scheduled from April 9 – 22, 2024, in which experts from various disciplines were invited for the audit. Schedule of the same is attached as **Annexure-3**.
2. The University participated in ranking of NIRF-2024. IQAC submitted the data for Law, Pharmacy and Overall Categories. The last date of submitting the NIRF data was 31st January 2024. Reports are attached as **Annexures 4-6**.
3. Data compiled and submitted to India Today – Marketing

- and Development Research Associates (MDRA).
4. Data compilation was done for UTSAH (Undertaking Transformative Strategies and Actions in Higher Education) portal which is a mandatory portal of UGC to review the implementation of NEP-2020. It has following sections where the data has to be submitted:
- Multidisciplinary and Holistic Education
 - Digital Empowerment and Online Education
 - Skill Development and Employability
 - Research, Innovation and Entrepreneurship
 - Capacity Building of Teachers for Quality Education
 - Governance and Autonomy
 - Accreditation and Excellence
 - Equitable and Inclusive Education
 - Promotion of Indian Languages and Indian Knowledge System
 - Internationalization of Education

A Committee was constituted (**Annexure-7**) to review and submit the data on time. Mr. Rajinder Kalra (DR Academics) is the Nodal Officer for receiving and entering the data on the portal

RESOLVED

The committee applauded the activities conducted by IQAC and agreed upon that timely submission of the data to various ranking and accreditation portals which will further enhance the visibility and perception of the university.

It was also suggested to keep the data records at various sections for the quick compilation and timely submission.

Considering the academic and research profile the University, it should apply for the few international accreditation such as QS and QAA.

Other activities of IQAC to improve the quality in the university

- To enhance University visibility and perception: University Kulgeet is customized where Kulgeet lyrics (Prof Rajinder Kumar) and video (Dr. Mahesh Meena) has been added to the original music (Dr. Rishpal Singh) compilation, same has been uploaded on the university website.
http://www.cup.edu.in/university_anthem.php
- Feedback of faculty was taken from students of 3rd Semester of Batch 2022 and 1st Semester of Batch 2023 and the same was shared with the faculty members for necessary action. Exit Survey was taken from the passing out students (Batch 2023) of the University.
- Staff Satisfaction survey was taken from the faculty and non-teaching staff of the University.
- As per the requirement of UGC for the establishment of **Equal Opportunity Cell (EOC)** in the University, an Equal Opportunity Cell has been constituted.
- The name of the "Intellectual Property Right Cell (IPR Cell)"

Director, Internal Quality Assurance Cell

- has been changed to “**Intellectual Property Management & Commercialization Cell (PMCC)**”.
6. Competitive Examination Cell is re-constituted as **Career Counseling and Guidance Cell** with an objective to guide and council the students for various careers.
 7. As per the UGC guidelines **Industry Relations Cell** is constituted for collaborations with Industry. The National Educational Policy (NEP) 2020 recommends vibrant University Industry linkage with emphasis on exposure for students to real-life examples and making them globally competent. The Industry Relation Cell is expected to create a conducive and impactful industry interface which will result in innovations enabling solutions to Global challenges.
 8. Internal Committee for Students with Disabilities was constituted to help and guide the students with disability.
 9. A committee has been constituted for development and implementation of **Institutional Development Plan** of the university.
 10. To review and coordinate the implementation of NEP-2020, **NEP implementation committee** has been constituted at the university.
 11. A committee of the members of IQAC is constituted for the timely submission of data on the various portals.
 12. The university has already adopted the Professor of Practice guidelines of UGC. To review the application received for Professor of Practice, a committee has been constituted.
 13. SC/ST Cell has been re-constituted where one non-teaching staff has been added.
 14. To coordinate the MOOCs related activities with the respective nodal agencies, Prof. Felix Bast has been appointed as MOOCs nodal officer. **Annexure-8**

RESOLVED

The members appreciated the activities conducted by IQAC. The committees and Cells constituted must submit the ATR on time. It was suggested to constitute student oriented clubs such sports club, cultural club, eco club etc.

The university should participate in Khelo India games and focus on individual games.

In addition, in the alumni cell, the international chapter and state-wise chapters may be created to enhance the connectivity of the students with their alma mater. The alumni can actively contribute by delivering lectures, career counselling sessions etc.

Initiatives taken for quality assurance and best practices

1. IQAC calendar for 2023-24 was prepared and put up for information. **Annexure-9**
2. MoUs signed for collaborations:
 - 1) Colorado State University, USA
 - 2) Tripartite MoU with CU Andhra Pradesh and JNU, New Delhi
 - 3) SSD Girls College, Bathinda

जिला मर्हिंडा-151 401

- 4) ECSO Global Pvt. Ltd.
- 5) MoU to be renewed with iTTO, IIT-D
3. **Dean's Committee meeting, Meeting with HoDs and Faculty:** Hon'ble Vice-Chancellor chairs the review meeting regarding preparation for NIRF and other accreditation agencies to improve the ranking.
4. **Faculty Induction Program:** The section heads, Deans and other officials of the university under the chairmanship of Hon'ble Vice-Chancellor meets the newly joined faculty to orient them about the functioning of the university.
5. **Meeting with teachers/students:** Regular and effective communication is the key to success for any institution. It is good to develop ways of keeping the University community informed of and involved in the various activities. Times to time Hon'ble Vice-Chancellor chairs meeting with faculty and students
6. Summer Internship Policy revised
7. Policy for Tuition Fees Waiver/Freeship and Financial Assistance is being implemented/used for the financial assistance to the needy students.

RESOLVED

The committee appreciated the activities and initiatives of IQAC to improve the quality in the university and recommended to sustain the same.

Items for Ratification

Agenda 25/2024/4: Calendar of IQAC for 2024-25

IQAC calendar for 2024-25 have been prepared and put up for approval. **Annexure-10**

RESOLVED

The calendar of IQAC for 2024-25 was unanimously approved by the committee.

Agenda 25/2024/5: Mentor Mentee list

Mentors have been allotted to the 2023 batch students and the students are allotted regional and academic mentors. **Annexure-11**

RESOLVED

The committee appreciated the efforts made by IQAC. It was suggested that the mentor-mentee interaction should be more systematic and formal. The objectives should be set up broadly and the outcome based reports must be submitted timely.

The mentors must assure that the issues/concerns the students had during the stay in the university were resolved or not.

Agenda 25/2024/6: Institution's Innovation Council (IIC) activities

Institution's Innovation Council (IIC) is an initiative of MoE to promote innovation, start-up and entrepreneurship. Various IIC activities are being performed from time to time which are to be submitted to MoE for innovation grading. **Annexure-12.**

RESOLVED

The activities of IIC were noted and appreciated by the members.

Agenda 25/2024/7: Consortium activities

Consortium for Higher Educational Institutes (CHEI) is a joint venture initiated by seven academic institutions at Bathinda which seeks to develop, explain and advance the research contributions to improve higher education and serve the local community. **Annexure 13**

RESOLVED

The members applauded the activities conducted as a part of consortium and expressed satisfaction for the progress made. It was also suggested that advanced skill based training for the students can be arranged at AIIMS, Bathinda. SoPs may be prepared where the regular health check-ups for the university staff can be conducted.

Agenda 25/2024/8: Reports and Analysis

Director, Internal Quality Assurance Cell
निर्देशक, आंतरिक गुणवत्ता सुनिश्चयन प्रकोष्ठ
Central University of Punjab
पंजाब केंद्रीय विश्वविद्यालय
Village Ghudda/ग्राम घुदा
Dist. Bathinda-151 401
जिला मटिंडा-151 401

1. Feedback from Students, Parents, Alumni, Stakeholders for curriculum was taken and the same has been shared with the HoDs of the concerned department for incorporating the suggestions in the curriculum before the BoS.
2. Faculty and Staff Satisfaction Survey **Annexure 14**
3. Feedback for teachers from students
4. Exit survey **Annexure 15**
5. Curriculum Audit Reports **Annexure 16**
6. External research audit report: During the research audit the proposal for recruiting Post-Doctoral Fellow was anticipated, the guidelines and policy for the same are to be prepared **Annexure 17**

RESOLVED

The committee unanimously agreed to approve the reports of the audits and surveys by IQAC.

It was suggested to have a students' Interaction Cell which should be a single point contact having 2-3 non-teaching staff representing all the sections to deal with all the student related issues.

It was also suggested that the feedback should have some open ended questions. Some questions related to job relevance and

outcome of the graduate attributes must be there.

Parents meeting should be conducted more often and their feedback should be taken during the meeting.

Agenda 25/2024/9: Institutional Collaborations and Handholding

To promote and encourage the inter-disciplinary research among the faculty of the university research groups have been made. Based on the expertise and area of interest of faculty six broad research groups have been created. The groups are: Health, Environment and Agriculture, Material Science, Globalization and Development, Indian Knowledge System and Diaspora Studies **Annexure18**.

RESOLVED

The members appreciated the initiatives taken to promote institutional collaborations which will secure majors institutional grants and will lead to international collaborations hence enhance the visibility of the university at international platforms.

Agenda 25/2024/10: Implementation of National Credit Framework (NCrF)

- The clause for the Multiple entry and exit proposed from academic session 2023 onwards
- One non-credit hour (two contact hours) for Individualized Education Plan/tutorial is added for remedial teaching.
- The course codes for all the PG Diploma and UG programs streamlined. **Annexure19**.

RESOLVED

The members noted and approved the initiatives taken to implement NCrF.

Items for Consideration

Agenda 25/2024/11: Organogram of the University

A committee was constituted to design an Organogram of the University. The Organogram of the University is put up for approval. **Annexure-20**.

RESOLVED

The Organogram of the University was unanimously approved by the members of the committee.

Agenda 25/2024/12: National Innovation and Start-up Policy (NISP):

National Innovation and Start-up Policy 2019 for Students and Faculty is placed for discussion, which is to be adopted by the University. A committee has been constituted for the smooth implementation of the policy **Annexures 21-22**.

RESOLVED

Committee unanimously resolved to approve the adoption of the NISP, provided that this does not have any financial implications, and there is no conflict with the University

Ordinance, Rules and Regulations.

Agenda 25/2024/13: Suggestions by IQAC

1. Examination and Admission manual 2024 to be prepared by examination section
2. The University website to be updated for more visibility: Details of Finance and accounts sections, Store and Purchase, Sections under Registrar office and DSW office not available on the website.
3. To modify and update the university memento

RESOLVED

The committee noted and appreciated the suggestions given by IQAC. It was further resolved that the concerned sections must take care of the tasks given to them.

The item no 3 need further discussion and can be resolved by constituting a committee.

Prof. Ramakrishna Wusirika, Dean Incharge Academics concluded the meeting with the vote of thanks to all the member of the committee present during the meeting.

Further, the resolutions and recommendations of the IQAC will be submitted to Academic Council and Executive Council.

Minutes for the Twenty Fourth Meeting of IQAC

The 24th Meeting of IQAC was held on December 15, 2023 at 3:30 p.m. in the Conference Room, First Floor Aryabata Academic Block.

The following members were present in the meeting:

1. Prof. Ramakrishna Wusirika, Dean Incharge Academics
2. Prof. Sanjeev Kumar, Dean Students Welfare
3. Prof. B. P. Garg, Registrar (O) and COE
4. Dr. Sandeep Kaur, Dean, School of Social Sciences
5. Dr. Shankar Lal Bika, Dean, School of Education
6. Dr. Anand Thakur, Dean, School of Management
7. Dr. Bhav Nath Pandey, Dean, Information and Communication Studies
8. Prof. P. K. Mishra, HoD, Department of Economic Studies
9. Prof. Anil Kumar Mantha, HoD, Department of Zoology
10. Prof. Raj Kumar, Professor, Department of Pharmaceutical Sciences & Natural Products
11. Dr. Sunil Mittal, Associate Professor, Department of Environmental Studies
12. Dr. Yogalakshmi K.N., Associate Professor, Department of Environment Sciences & Technology
13. Dr. Vinod Kumar, HoD and Associate Professor, Department of Chemistry
14. Dr. Ramanpreet Kaur, Associate Professor, Department of Punjabi
15. Dr. Bali Bahadur, Associate Professor, Department of Sociology
16. Dr. Preeti Khetarpal, Assistant Professor, Department of Human Genetics and Molecular Medicine
17. Dr. Sesadeba Pany, Assistant Professor, Department of Education
18. Dr. Parvinder Singh, Assistant Professor, Department of Computer Science and Technology
19. Dr. Rabindra Kumar, Technical Officer (Alumni)
20. Dr. Ramandeep Singh Sidhu, Department of Law (Alumni)
21. Prof. Monisha Dhiman, Director, IQAC - Member Secretary

The meeting was chaired by Prof. Ramakrishna Wusirika. Member secretary welcomed the members and then presented the agenda items one by one to the members:

Agenda 24/2023/1: Constitution of IQAC Committee

As the tenure of the previous committee was completed, a new committee was formed and is attached as **Annexure-1**

RESOLUTIONS

The members of the new committee were welcomed by Director IQAC.

Agenda 24/2023/2: Confirmation of minutes of previous meetings

The minutes of the 23rd meeting of IQAC held on November 11, 2022 is placed as **Annexures-2** was circulated amongst the members by e-mail. No comments/ suggestions/ observations were received.

Mel

The minutes are submitted for confirmation.

RESOLUTIONS

As no comments/suggestions/observations were received on the minutes of the 23rd meeting of IQAC, the minutes were approved unanimously.

Agenda 24/2023/3: Action Taken Report of previous meetings

The action taken report of 23rd meeting of IQAC was presented and same is attached as **Annexures-3**.

RESOLUTIONS

The members appreciated the action taken on the various agenda items of the previous meeting. and unanimously approved the Action Taken Report of the 23rd Meeting of IQAC.

Items for Information

Agenda 24/2023/4: Progress Report of IQAC

The following activities performed by IQAC after the 23rd meeting were explained by member secretary:

1. NAAC Accreditation

NAAC Peer team visit was scheduled from February 22-24, 2023. University is now A+ accredited.

2. NIRF Ranking 2023

IQAC uploaded the data on NIRF portal for NIRF-2023. The University got 100th position in University Category and 19th position in Pharmacy Category.

3. Submission of AQAR 2020-21 and 2021-22

AQAR 2020-21 was successfully submitted on portal. AQAR 2021-22 will also be submitted by December 31, 2023.

4. Registration of Central University of Punjab for MSME Innovation Scheme:

MSME Innovative Scheme is launched by Govt. of India. The objective of the scheme is to promote and support untapped creativity and to promote adoption of latest technologies in MSMEs that seek the validation of their ideas at the proof-of-concept level. Under this scheme, financial assistance is provided to Higher Institutes. **Central University of Punjab has been approved as Host Institute (HI) for implementation of the Incubation Component** under MSME Innovative Scheme.

5. International Organization for Standardization (ISO)

Certificate: ISO certification helps improve visibility as well as the overall efficiency of the institution. A committee was constituted to work on the modalities of ISO certification. As per the performance of the university

Director, Internal Quality Assurance Cell
निर्देशक, आंतरिक गुणवत्ता सुनिश्चयन प्रकोष्ठ
Central University of Punjab

overall, ISO certification for Quality Management standards (ISO 9001:2015) is most applicable hence proposal for the same was submitted. Officials from Trans Continental Certifications Pvt. Ltd. visited the university to audit for certification and the university is now ISO certified (ISO 9001:2015) for Quality Management System in education services (**Annexure-4**).

6. Two days Capacity Building cum Training Programme on "RTI" on 13th November and on "Reservations against Reservation" on 14th November 2022 was conducted for all administrative staff. Prof. H.S. Rana, Principal Director, Institute of Public Administration, Bengaluru was the resource person. The training was attended by 81 employee members of the University. Report is attached as **Annexure-5**.
7. Total 23 modules on Samarth portal are operational as on February 2023 and time to time they are upgraded as per the need of the stakeholders. A workshop cum training on "Digitalization of Educational Services through Samarth e-Gov System" was organized on 22nd December 2022.
8. Five-Days Workshop on Curriculum Development was organized by IQAC to actualize NEP-2020's vision of enhancing the competency of higher education teachers and to develop innovative multidisciplinary programmes from February 6-10, 2023 (**Annexure-6**). It was attended by 187 participants.

The member secretary presented the progress made by IQAC after 23rd meeting one by one to the present members.

RESOLUTIONS

The overall efforts of IQAC were appreciated by the members and the members unanimously approved to note it.

III. Initiatives taken by IQAC for quality assurance and best practices

B. IQAC proposed to constitute following committees/cells for quality assurance and to maintain relevant data:

- a. MOOC Coordinator at University Level: To coordinate with various online platforms where the university students can enroll.
- b. Re-constitution of committee for Earn While You Learn Scheme: This committee was re-constituted as the previous committee was working since May 2015.
- c. North-East Cell:

- d. Committee for Institutions Innovation Council-6
- e. KAPILA Committee.
- f. Committee for implementation of National Innovation and Startup Policy.
- g. Re-constitution of committees for SC/ST Cell/OBC Cell/Minority cell and designation of the Liaison Officer as per the DoPT guidelines.
- h. Re-constitution of Rashtriya Avishkaar Abhiyaan and Jyotirgamaya Social Outreach Scheme: This committee is re-constituted to look after the outreach activities where the local schools will be involved. The focus is on connecting school based knowledge to life outside the school and making learning of Science, Mathematics a joyful and meaningful activity.

RESOLUTIONS

Initiatives taken by IQAC have been appreciated by the members and the committee RESOLVED to note it. It was suggested that all the committee members should be given some time to submit the progress and action taken.

C. Best practices:

- a. Financial assistance/Incentives for students and teachers:
Successful implementation of Financial Assistance under Travel Grant Scheme. The guidelines are prepared. The 18 travel grant have been awarded to faculty members and Ph.D. Scholars.
- b. Feedback of the Faculty from students was taken and while sharing the same with the concerned faculty, confidentiality of the students was strictly maintained. In case, the feedback was critical, DIA and IQAC Director discussed the same with the concerned faculty.
- c. To increase the peer perception, feedback from external experts who visit the university for seminars/workshops/viva-voce etc. is being taken which is a continuous process.
- d. External Academic and Research Audit 2023 was conducted from 2 – 12 May 2023. **Annexure-7.**
- e. Curriculum Audit 2023 of 31 departments was conducted from 25 to 26 May 2023. **Annexure-8.**
- f. Faculty satisfaction Survey and Staff Satisfaction Survey is the regular practice of IQAC
- g. During the visit of NAAC Peer Team, a meeting was scheduled with Alumni and following Alumni members agreed to financial support to the students of the University:

Director, Internal Quality Assurance Cell
निर्देशक, आंतरिक गुणवत्ता सुनिश्चय प्रकोष्ठ
Central University of Punjab
ਪੰਜਾਬ ਕੇਂਦਰੀय विश्वविद्यालय
Village Ghudda/ग्राम घुद्धा
Dist. Bathinda-151 401
जिला भटिंडा-151 401

me

1. Mohammed Asif Chowdhary, Department of Botany
2. Imtiaz Ahmed, Department of Chemistry
3. Mange Ram Soni
4. Dinesh Bassi
5. Rabindra Kumar
6. Navdeep Tiwana, M.Sc. Computational Chemistry

RESOLUTIONS

It was suggested that a committee may be constituted which can take the feedback from the experts.

The Best Practices of the IQAC applauded by the members of IQAC and it was discussed that a separate endowment fund be created where alumni can donate some amount which can be further utilized for the financial assistance to the students. Guidelines may be prepared for the utilization of funds received from Alumni. Two of the alumni who are also the members of IQAC volunteered to do the needful.

The members unanimously approved the best practices of the IQAC.

Items for Ratification

Agenda 24/2023/5:

- a. Implementation of National Credit Framework at Central University of Punjab: A committee has been constituted for the implementation of National Credit Framework at Central University of Punjab. The committee has suggested the gradual implementation National Credit Framework from academic session 2023-24 **Annexure-9**.
- b. Initiatives for implementation of NEP-2020
 1. CUP has already implemented learner-centric outcome based multidisciplinary curriculum with special focus on local, national, regional and global needs.
 2. The curriculum includes graduate attributes/program learning outcomes (PLOs) and course learning outcomes (CLOs).
 3. The PLOs and CLOs have been mapped with the course contents.
 4. Curriculum Flexibility
 5. Short-term Skill Development Programs
 6. The university has adopted SWAYAM guidelines for credit transfer since 2019. MOOCs may be opted in lieu of any course if content matches to a minimum of 70%.

7. CU Punjab is committed to mobility, transparency, flexibility & authenticity of the education through digitalization of the awards. It is registered on the ABC portal to facilitate credit mobility.
8. Multiple Entry and Exit in Academic Programs has been implemented from this academic session.

9. Consortium for Higher Educational Institutes (CHEI); The Consortium for Higher Educational Institutes (CHEI) is a joint venture initiated by seven academic institutions at Bathinda which seeks to develop, explain and advance the research contributions to improve higher education and serve the local community. A MoU has been signed between these HEIs in terms of research, academic activities and social outreach with an aim to meet the goals of NEP 2020.

Under the Consortium for Higher Educational Institutes (CHEI), Central University of Punjab along with AIIMS is planning to start a PG Diploma course in "Artificial Intelligence Enabled Healthcare". Another PG Diploma course along with Maharaja Ranjit Singh Punjab Technical University (MRSPTU) in "Intellectual Property Rights" is proposed.

10. Consortium of Higher Educational Institutions of North India) on July 29, 2023: Central University of Punjab collaborated with five eminent central government owned HEIs of North India to establish CHEINI (Consortium of Higher Educational Institutions of North India). The MoU for launch of CHEINI was signed in the august presence of Shri Dharmendra Pradhan, Hon'ble Education Minister on 29th July 2023, coinciding with the celebration of the 3rd anniversary of NEP-2020 at Pragati Maidan, New Delhi. This Consortium is a joint venture of Central University of Jammu, Central University of Haryana, Central University of Himachal Pradesh, Central University of Punjab, Central University of Rajasthan and Indian Institute of Technology, Ropar.

RESOLUTIONS

The Initiatives for implementation of NEP-2020 was applauded by the members and resolved to approve.

Items for Consideration (From 23 meeting of IQAC)

Agenda 24/2023/6: As per the observation by the NAAC Peers team, the following items are proposed and put up for discussion:

- Policy for Slow and Advanced Learner
- Policy for Employees Welfare

Mo

- Constitution of Planning Board
- Organogram – A Committee was constituted for preparation of organogram of the University as **Annexure-10**. A meeting was called by the Chairperson on November 28, 2023 to discuss the same. During the meeting, it was discussed that the old existing Organogram of the University has to be modified as per the present nomenclature of departments/sections. Establishment office is asked to modify the Organogram of the University.
- Gender Sensitization Plan
- Plan to raise the alumni funds
- Policy for scholarships and freeships provided by the institution.
- Policy for Financial support (funds / Grants) from non-government bodies, individuals, philanthropists
- Policy for Open Book ~~Exhibition~~ **Examination.**

RESOLUTIONS

SOP for Slow and Advance Learner was discussed in detail. Dr. Shankar Lal Bika advised that a Cell can be constituted to identify the problem of a student. A committee may be constituted for preparing a SOP for Slow and Advanced Learners. Dr. Sesadeba Pany suggested that a student is slow or fast can only be recognized by a teacher who is observing him/her. Supportive Education Programme can be organized for slow learners.

In addition, the members were also informed that from batch 2023-24 remedial classes has been incorporated to the time table to help the students.

Agenda 24/2023/7: As per the review after 2nd Cycle of NAAC accreditation the following activities are proposed:

1. To strengthen Criteria I and Criteria II:

One Day Workshop on Curriculum Design, Development and Enrichment

One Day Workshop on Identification Process of Advanced and Slow Learners and Remediation

One Day Workshop on Development of Graduate Attributes, Programme/Course Learning Outcomes and Tools & Techniques for their Assessment and Mapping.

These workshops will be conducted by Department of Education in collaboration with IQAC.

- 2. For student progression:** AIU Registration has been renewed which will enhance the prospects for the students to participate in various inter-university/state /national/international events. A committee has been constituted to represent the university at various events. **Annexure-11.** Department of Physical Education and

Performing Arts have started the participation of their students in such activities/events.

- 3. Faculty Empowerment Strategies:** Guidelines to provide financial support to teachers and students to attend conferences/workshops and towards membership fee of professional bodies has been formulated and approved in 40th EC meeting held on 19th August 2022 vide item No. EC: 40:2022:24 (**Annexure-12**).

RESOLUTIONS

The members agreed with the activities proposed by IQAC. The IQAC members unanimously approved the activities as proposed by IQAC.

The meeting ended with the thanks by Prof. Ramakrishna Wusirika, Dean Incharge Academics to the members for giving their valuable comments/suggestions and also sparing their time to attend the meeting.

Action Taken Report of 24th Meeting of IQAC

Item No.	Description of Item	Action
Agenda 24/2023/1:	<p>Constitution of IQAC Committee As the tenure of the previous committee was completed, a new committee was formed.</p> <p>RESOLUTIONS <i>The members of the new committee were welcomed by Director IQAC.</i></p>	NOTED
Agenda 24/2023/2:	<p>Confirmation of minutes of previous meetings The minutes of the 23rd meeting of IQAC held on November 11, 2022 was circulated amongst the members by e-mail. No comments/suggestions/observations were received.</p> <p>The minutes are submitted for confirmation.</p> <p>RESOLUTIONS <i>As no comments/suggestions/observations were received on the minutes of the 23rd meeting of IQAC, the minutes were approved unanimously.</i></p>	NOTED
Agenda 24/2023/3:	<p>Action Taken Report of previous meetings The action taken report of 23rd meeting of IQAC was presented.</p> <p>RESOLUTIONS <i>The members appreciated the action taken on the various agenda items of the previous meeting and unanimously approved the Action Taken Report of the 23rd Meeting of IQAC.</i></p>	NOTED
Agenda 24/2023/4:	<p>Progress Report of IQAC The following activities performed by IQAC after the 23rd meeting were explained by member secretary:</p> <ol style="list-style-type: none"> 1. NAAC Accreditation NAAC Peer team visit was scheduled from February 22-24, 2023. University is now A+ accredited. 2. NIRF Ranking 2023 IQAC uploaded the data on NIRF portal for NIRF-2023. The University got 100th position in University Category and 19th position in Pharmacy Category. 3. Submission of AQAR 2020-21 and 2021-22 AQAR 2020-21 was successfully submitted on portal. AQAR 2021-22 will also be submitted by 	

December 31, 2023.

4. Registration of Central University of Punjab for MSME Innovation Scheme:

MSME Innovative Scheme is launched by Govt. of India. The objective of the scheme is to promote and support untapped creativity and to promote adoption of latest technologies in MSMEs that seek the validation of their ideas at the proof-of-concept level. Under this scheme, financial assistance is provided to Higher Institutes. **Central University of Punjab has been approved as Host Institute (HI) for implementation of the Incubation Component** under MSME Innovative Scheme.

5. International Organization for Standardization (ISO) Certificate:

ISO certification helps improve visibility as well as the overall efficiency of the institution. A committee was constituted to work on the modalities of ISO certification. As per the performance of the university overall, ISO certification for Quality Management standards (ISO 9001:2015) is most applicable hence proposal for the same was submitted. Officials from Trans Continental Certifications Pvt. Ltd. visited the university to audit for certification and the university is now ISO certified (ISO 9001:2015) for Quality Management System in education services.

6. Two days Capacity Building cum Training Programme on "RTI" on 13th November and on "Reservations against Reservation" on 14th November 2022 was conducted for all administrative staff. Prof. H.S. Rana, Principal Director, Institute of Public Administration, Bengaluru was the resource person. The training was attended by 81 employee members of the University.

7. Total 23 modules on Samarth portal are operational as on February 2023 and time to time they are upgraded as per the need of the stakeholders. A workshop cum training on "Digitalization of Educational Services through Samarth e-Gov System" was organized on 22nd December 2022.

8. Five-Days Workshop on Curriculum Development was organized by IQAC to actualize NEP-2020's vision of enhancing the competency of higher education teachers

and to develop innovative multidisciplinary programmes from February 6-10, 2023. It was attended by 187 participants.

The member secretary presented the progress made by IQAC after 23rd meeting one by one to the present members.

RESOLUTIONS

The overall efforts of IQAC were appreciated by the members and the members unanimously approved to note it.

III. Initiatives taken by IQAC for quality assurance and best practices

B. IQAC proposed to constitute following committees/cells for quality assurance and to maintain relevant data:

- a. MOOC Coordinator at University Level: To coordinate with various online platforms where the university students can enroll.
- b. Re-constitution of committee for Earn While You Learn Scheme: This committee was re-constituted as the previous committee was working since May 2015.
- c. Constitution of North-East Cell
- d. Committee for Institutions Innovation Council-6
- e. KAPILA Committee.
- f. Committee for implementation of National Innovation and Startup Policy.
- g. Re-constitution of committees for SC/ST Cell/OBC Cell/Minority cell and designation of the Liaison Officer as per the DoPT guidelines.
- h. Re-constitution of Rashtriya Avishkaar Abhiyaan and Jyotirgamaya Social Outreach Scheme: This committee is re-constituted to look after the outreach activities where the local schools will be involved. The focus is on connecting school based knowledge to life outside the school and making learning of Science, Mathematics a joyful and meaningful activity.

RESOLUTIONS

Initiatives taken by IQAC have been appreciated by the members and the committee RESOLVED to note it. It was suggested that all the committee members should be given some time to submit the progress and action taken.

NOTED

C. Best practices:

- a. Financial assistance/Incentives for students and teachers: Successful implementation of Financial Assistance under Travel Grant Scheme. The guidelines are prepared. The 18 travel grant have been awarded to faculty members and Ph.D. Scholars.
- b. Feedback of the Faculty from students was taken and while sharing the same with the concerned faculty, confidentiality of the students was strictly maintained. In case, the feedback was critical, DIA and IQAC Director discussed the same with the concerned faculty.
- c. To increase the peer perception, feedback from external experts who visit the university for seminars/workshops/viva-voce etc. is being taken which is a continuous process.
- d. External Academic and Research Audit 2023 was conducted from 2 – 12 May 2023.
- e. Curriculum Audit 2023 of 31 departments was conducted from 25 to 26 May 2023.
- f. Faculty satisfaction Survey and Staff Satisfaction Survey is the regular practice of IQAC
- g. During the visit of NAAC Peer Team, a meeting was scheduled with Alumni and following Alumni members agreed to financial support to the students of the University:
 1. Mohammed Asif Chowdhary, Department of Botany
 2. Imtiaz Ahmed, Department of Chemistry
 3. Mange Ram Soni
 4. Dinesh Bassi
 5. Rabindra Kumar
 6. Navdeep Tiwana, M.Sc. Computational Chemistry

RESOLUTIONS

It was suggested that a committee may be constituted which can take the feedback from the experts.

The Best Practices of the IQAC applauded by the members of IQAC and it was discussed that a separate endowment fund be created where

	<p><i>alumni can donate some amount which can be further utilized for the financial assistance to the students. Guidelines may be prepared for the utilization of funds received from Alumni. Two of the alumni who are also the members of IQAC volunteered to do the needful.</i></p> <p><i>The members unanimously approved the best practices of the IQAC.</i></p>	<p>The guidelines are being prepared</p>

NOTIFICATION

Sub: Constitution of Committee and appointment of Nodal Officer for the newly launched UGC UTSAH Portal

The University Grants Commission (UGC) has launched a new portal UTSAH (Undertaking Transformative Strategies and Actions in Higher Education) Portal,

The UTSAH Portal aims to track and support the implementation of the National Education Policy 2020 and its strategic initiatives across higher educational institutions (HEIs) in the country. The portal will provide detailed information about UGC initiatives for qualitative reforms in higher education and will also track outputs and outcomes in fields such as digital learning, industry-institute collaboration, academic research, and internationalisation.

The portal focuses on ten major thrust areas identified by the UGC, and each area has specific key performance indicators. **One of the significant areas is multidisciplinary and holistic education, which includes the adoption of the Academic Bank of Credits (ABC).** The other thrust areas are

• Digital Empowerment	• Online Education
• Skill Development	• Research and Innovation
• Capacity Building of teachers	• Governance and Autonomy
• Quality, Ranking and Accreditation	• Equitable and Inclusive Education
• Promotion of Indian languages	• Internationalization of Education.

To ensure the quality and authenticity of the information, the competent authority has constituted the following committees to provide Data and information for the UTSAH portal on a monthly basis

1. Prof. Monisha Dhiman
2. Dr. Amandeep Singh Brar
3. Dr. Harmanpreet Singh
4. Mr. Suresh Kumar

Further, Mr. Rajender Kumar, Deputy Registrar will act as Nodal Officer for receiving and entering the data

9.	Invited Lecture on Entrepreneurship and Start-up	Mr. Puneet Bhandari, Director, Government Affairs, Legal and Audit Punjab and Himachal Omaxe Ltd.	06.06.2024	Prof. Monisha

Initiatives taken by Central University of Punjab for Inter-Institutional Collaborations and Handholding for effective implementation of NEP-2020

1 Launch of CHEI of Bathinda Region (Consortium of Higher Educational Institutions of Bathinda Region) on May 6, 2023

The Bathinda region is known as education hub in Punjab with presence of several higher education intuitions including All India Institute of Medical Science (AIIMS), Bathinda; Central University of Punjab (CUP), Bathinda; Maharaja Ranjit Singh Punjab Technical University (MRSPTU), Bathinda; Adesh University, Bathinda; Baba Farid Group of Institutions (BFGI), Bathinda; Akal University, Talwandi Sabo; and Guru Kashi University, Talwandi Sabo.

On the initiative of the Central University of Punjab, the Consortium of Higher Educational Institutions of Bathinda Region) was formed on May 6, 2023 to implement the New Education Policy (NEP-2020) in true spirit through academic collaboration for strengthening academic & research collaboration among its constituents and sharing of expertise as well as resources.

Purpose: The purpose of formulating CHEI of Bathinda region is:

1. Offer joint degree/diploma/certificate courses to advance the field of education, research, and promote cutting-edge lines of study.
2. Provide a forum for academic, research, technical institutions and hospitals to share infrastructure, equipment, library and other resources.
3. Joint supervision of PhD programmes, projects, internship and dissertation work of graduate and postgraduate students.
4. Conduct joint training programmes, seminars, webinars, and conferences to promote knowledge and enhance research and other skills.
5. Joint research projects for attracting extramural funding.
6. Collaborative efforts to address the environmental and health issues of the region.
7. Promote faculty-student exchange and entrepreneurial activity.
8. Joint consultancy work.
9. Optimal use of resources

Meetings: After the signing of MoU on May 6, 2023, the next meeting of CHEI of Bathinda Region was held on 22nd May, 2023 to outline the roadmap for effective implementation of consortium's mandate. Subsequent meetings were then conducted in smaller groups to further streamline academic and research collaborations processes.

Outcome: The outcome of CHEI Bathinda Region during FY 2022-23 are as follows:

1. During the FY 2022-23, the faculty of Central University of Punjab has published 32 Research Papers in SCOPUS Indexed Journals in collaboration with faculty of members institutions of CHEI of Bathinda Region
 - i. AIIMS, Bathinda: 14 papers
 - ii. MRSPTU: 12 papers
 - iii. Akal University: 06 papers

2. The faculty of Central University of Punjab has got sanction for a Research Project totalling Rs 8.90 Lakh in collaboration with faculty of Akal University, Talwandi Sabo and another Research Project totalling Rs 27Lakh in collaboration with faculty of Baba Farid Group of Institutions, Bathinda.
3. The Central University of Punjab has organized an International Conference of Global Educational Research Association collaborated with Guru Kashi University Bathinda in the month of November, 2023.
4. The CU Punjab is providing handholding and mentoring support to nearby institutions (such as Akal University, Bathinda, Guru Kashi University, Talwandi Sabo) for NAAC Accreditation Assessment.
5. Central University of Punjab will be offering two PG Diploma Courses from academic session 2024 in self-financing mode in collaboration with CHEI Bathinda member institutions.
 - i. PG Diploma in *Artificial Intelligence-enabled Healthcare* in collaboration with AIIMS, Bathinda.
 - ii. PG Diploma in *Intellectual Property Rights* in collaboration with MRS Punjab Technical University Bathinda.
6. Central University of Punjab and AIIMS Bathinda organised a DST sponsored 7 days Karyashala from 05th -11th December 2023.
7. The university offers training and exposure to the students of these institutions to develop proficiency in operating and maintaining sophisticated instruments.
8. Apart from this, several seminars, symposiums and workshops were organized in collaboration with members HEIs of consortium.

2. Launch of CHEINI (Consortium of Higher Educational Institutions of North India) on July 29, 2023

After successful operation of CHEI of Bathinda region, the Central University of Punjab collaborated with five eminent central government owned HEIs of North India to establish CHEINI (Consortium of Higher Educational Institutions of North India).

The MoU for launch of CHEINI was signed in the august presence of Shri Dharmendra Pradhan, Hon'ble Education Minister on 29th July 2023, coinciding with the celebration of the 3rd anniversary of NEP-2020 at Pragati Maidan, New Delhi. Dr. Subhas Sarkar, Hon'ble Minister of State for Education, and Shri K. Sanjay Murthy, Secretary, Higher Education, also graced the occasion.

This Consortium is a joint venture of Central University of Jammu, Central University of Haryana, Central University of Himachal Pradesh, Central University of Punjab, Central University of Rajasthan and Indian Institute of Technology, Ropar.

Meetings: After the signing of MoU on July 29, 2023, the first meeting of CHEINI was held on August 26, 2023 at CU Punjab campus wherein heads of all six HEIs discussed the way forward to accomplish consortium's objective. The subcommittee formed to spearhead the implementation of CHEINI's mandate has convened on multiple times.

Outcome: The outcome of CHEINI during FY 2022-23 are as follows:

- I. During the FY 2022-23, the faculty of Central University of Punjab has published 17 Research Papers in SCOPUS Indexed Journals in collaboration with faculty of members institutions of CHEINI
 - i. CUHP: 04 papers.
 - ii. CU Haryana: 04 papers
 - iii. CU Rajasthan: 09 papers
- II. Under faculty exchange programmes, the faculty of Central University of Punjab and IIT Ropar visited each other's institutions.
- III. The Central University of Punjab is working in collaboration with IIT Ropar under DST's NIDHI-ITBI Centre to provide ample opportunities for placements, start-ups and Entrepreneurship to its students.

Exit Survey 2023

Total Responses-583

Has the curriculum been helpful to develop requisite knowledge and competencies to meet your future requirements?

Does the curriculum provide a balanced integration of both theory and practice?

Did you face any difficulty in attaining the programme and course learning outcomes?

Do you think that the assessment practices followed in your university were assessing your competencies?

Do you think the pedagogies (teaching methods) followed for curriculum transaction meets your requirements?

Do you get opportunity to show your talents in the teaching-learning process?

Do you think that your programme develops within you the necessary employable skills?

Do you get opportunity to showcase your hidden talents and get its recognition during your programme?

Exit Survey General Feedback for Administrative Facilities

Does the infrastructure and learning resources available in the university sufficient for your self-development?

Do you feel that the university has developed in you the ideology of serving the humanity as a whole?

Do you feel that the university administration is quite supportive for the students?

The Administrative section of the university where you got highest cooperation?

Administrative section of the university where you got least cooperation?

The facilities of the university where you got highest cooperation?

The facilities of the university where you got least cooperation?

Curriculum Audit Report-2024

The Curriculum/Academic and Research Audit of 31 departments was conducted from April 9-22, 2024. The following committee members reviewed the curriculum of various programmes:

1. Prof. Ramakrishna Wusirika, Dean Incharge Academics
2. Prof. Anjana Munshi, Director, R & D Cell
3. Prof. Anil Kumar Mantha (Member, IQAC)
4. Prof. Vinod Kumar (Member, IQAC)
5. Prof. P. K. Mishra (Member, IQAC)
6. Prof. Ramanpreet Kaur (Member, IQAC)
7. Prof. J. K. Pattanaik (Member, IQAC)
8. Dr. Bali Bahadur (Member, IQAC)
9. Dr. Sesadeba Pany (Member, IQAC)
10. HoD of the respective Department
11. Prof. Monisha Dhiman, Director, IQAC

The comments and observations given by the members of the committee are given below:

Sr. No.	Departments	Remarks
1.	Applied Agriculture	<ul style="list-style-type: none"> • The clause for multiple Entry multiple exit missing • Check the CLO for VAC • MBA-Agri business, the course ABM.531 is of one credit course please check • Add IEP or tutorials for remedial teaching • Please check and verify the list of DEC from the host department for being offered
2.	Biochemistry	<ul style="list-style-type: none"> • Submit the Ph.D. curriculum • The course code should not be changed if the content of the courses is not changed but just moved from one semester to other. • Some courses have overlap in the content • Critical proof reading required
3.	Botany	<ul style="list-style-type: none"> • The total credits are 86 now, it must be submitted as one of the agenda item of the BoS. • The clause for multiple Entry multiple exit missing • The Field trip proposed must be must be graded well.
4.	Chemistry	<ul style="list-style-type: none"> • The list of books in the suggested reading to be updated

Academic and Research Audit Report-2024

The Academic and Research Audit of 31 departments was conducted from **9th April 2024 to 22nd April 2024 as per the attached schedule**. The departments were grouped as per the availability of the external expert and for each group following members were in the Committee:

1. Hon'ble Vice Chancellor – Chairperson
2. External Experts
3. Dean In-charge Academics
4. Director, R & D Cell
5. Dean of the Concerned School
6. Member, IQAC
7. Director IQAC – Convener

The audit started with welcome address by Hon'ble Vice-Chancellor. In his address he shared that university is performing very well in research further he emphasized that the university believes in sharing of resources for which two multi-institutional MoU: Consortium MoU with HEIs of Bathinda region and Consortium MoU with Central Universities of North India and IIT Ropar has been initiated. The university has established DST iTBI-NIDHI incubator.

Date: 09 April 2024

Department of Applied Agriculture

The department of Applied Agriculture presentation was given by Dr Patil, where is showcased the achievements of the department.

- Faculty- 04 (regular) and 02 (C)
- Ph-D students - 07

Strengths of the Department

- Training and processing of millet products (Kulfi, Pudding, Biscuit)

Expert suggestions

- Department must plan to develop processed food
- Coordinate with local famers and work on new varieties of Millets
- The faculty should try to collaborate and visit IIMR-Visit Hyderabad which has a well-established Incubation Center
- The work overlaps with well recognized agricultural universities, department may collaborate with PAU/HAU

INTERNAL QUALITY ASSURANCE CELL
शैक्षणिक एवं अनुसंधान लेखापरीक्षा रिपोर्ट-2024
Academic and Research Audit Report-2024

- The department does not have molecular biology expert hence the validation of the basic work is difficult, must collaborate with other departments
- Niche area to be identified, young faculty hence built up slowly, collaborate among yourself work together
- The department can also focus on cereals and pulses research
- Low research paper
- The department has the potential for consultancy which must be explored

Overall Suggestions

The faculty needs to narrow down their activities and focus on some specific niches. At the moment the department is not in a position to offer something new or be competitive with the PAU, which has a strong centre at Bathinda, and also with other local or nearby colleges/universities.

Department of Botany

Strengths of the Department

- Good number of students qualify NET/JRF

Expert suggestions

- Work on Heat shock proteins
- Research also required about food habits and adaptation towards environmental toxins`
- Waste to wealth
- Inter disciplinary research to be explored
- The aquatic flora from North India should also be explored
- Dr. Pankaj should collaborate with textile engineering department from IIT-D for further validation of his research.
- Focused research required

Overall Suggestions

The department is doing good work in the areas of arsenic metabolism; identification and characterization of sea-weeds; exploiting the utilization of “AKK” plant for its fiber utilization; and on microalgae. Two faculty members, working on the microalgae need to concentrate on some specific area of interest. Currently they are thinly spread out. Prof. Felix has done good work

INTERNAL QUALITY ASSURANCE CELL
शैक्षणिक एवं अनुसंधान लेखापरीक्षा रिपोर्ट-2024
Academic and Research Audit Report-2024

on sea-weeds, maybe he can also devote sometime to explore the weeds in the lakes and water-bodies of North-West India. The work on arsenic metabolism by Prof. Sanjeev is good and needs to be further strengthened.

Department of Microbiology

Dr. Somesh, Head of the Department presented the department achievements and progress

Expert suggestions

Social media and other platforms to showcase department

Prof Monisha

- Clinical sample to see the interaction between host/pathogen and role of innate immune responses must be explored
- Collaborate with human Genetics and other allied subjects to understand the genetics of

Dr Mukesh

- The research must be specific and focused
- In depth research required where the dynamics of microbes can be studied

Dr. Pramod

- Attention required for the non-specific interaction of GBP protein which may affect non-immune cells as it has many sub types.
- Prof TP Singh offered to collaborate

Dr. Amit

- Work only on mycobacterium requires well established facilities.
- Work can be focused on the on limited topics
- Focus on MT protein purification and kits to identify mycobacterium
- More focused research required

Dr. H. Nakibapher Jones Shangpliang

- Need to enhance publications
- Can work on generating the Library of microbes which can act as Probiotics
- Identify the metabolites present in fermented products

INTERNAL QUALITY ASSURANCE CELL
शैक्षणिक एवं अनुसंधान लेखापरीक्षा रिपोर्ट-2024
Academic and Research Audit Report-2024

Overall Suggestions

Microbiology department is on the whole doing good work. While the work of senior teachers is focused, some of the junior teachers need to focus their research on specific areas. The work of Dr. Baranwal, leading to the submission of new sequences, needs to be further continued. Prof. Monisha's work on bacteria-host-interaction is also significant and her proposal to initiate anti-microbial activity as consultancy project is a good idea but needs further refinement. The other teachers working on micro bio-films, cell autonomous immunity, recombinant protein expression, fermented milk products, and RNA polymerase transcription need to be more specific and focused.

Department of Biochemistry

- A lot of cancer related work is going on but fundamental biochemistry research is also required in the department.
- More focus on required in the basic research rather than exploration research

Overall Suggestions

On the whole, the department is doing good work. The initial observation of Dr. Baljinder Singh on the anti-cancerous properties of "KOR TUMMA" is important and needs to be investigated in detail, maybe by involving animal models. The work on nanoparticle coated bacteria for increasing nutrient uptake is also important. The work on disease associations need to be more precise, especially autoimmune diseases, multidrug resistance and platelets.

Department of Zoology

- Very limited basic zoology research work is being conducted in the department
- Create some good model organism which can be used by everyone in the university Zebra fish Model for a disease or Xenotoxic model of nematode

INTERNAL QUALITY ASSURANCE CELL
शैक्षणिक एवं अनुसंधान लेखापरीक्षा रिपोर्ट-2024
Academic and Research Audit Report-2024

- Department faculty are collaborating widely

Prof. Anil Mantha

Try to explore more bioinformatics tools to see the role of specific protein (remove single protein from nodes and see if any change is overall, it will tell in the role of the specific protein)

Dr. Balachandar

- Repurposing the drug is good approach

Overall Suggestions

Good work is being undertaken by senior teachers on DNA damage and repair; role of APE1 enzyme; and biomarkers of some cancers. The data of Parkinson's disease in Punjab and Tamil Nadu needs to be better refined to have any conclusions. The majority of the faculty is working on human genetic diseases; they should also collaborate with their colleagues in human genetics. The only person currently working in real zoology is doing research on nematodes and vermiculture.

General comments for all Life Sciences Departments

- Conducted research audit is a very good exercise and its very good to see the young faculty progressing so well
- The Post-Doctoral fellows should be engaged in the research who can be trained in the lab to guide students and can also support the faculty for securing good grants and getting publications.
- Mentoring and hand-holding required for some of the departments where there is no senior faculty
- The faculty is involved in peripheral research, more focus and deep research required
- Collaboration and more interactions between faculty required. More informal interactions must happen between the research groups.
- The research in most of the departments is diffused, more focused research required, must try to explore an area for which the department can be known worldwide.

INTERNAL QUALITY ASSURANCE CELL
शैक्षणिक एवं अनुसंधान लेखापरीक्षा रिपोर्ट-2024
Academic and Research Audit Report-2024

- The research in frontier areas is driven by need, problem solving or market driven so all must look into these aspects.
- The future research plan has to be long term planning
- Cancer and neurodegenerative diseases are the most common fields in the university, the researcher must come together to work together

Faculty

- Space
- Non-recurring grates

INTERNAL QUALITY ASSURANCE CELL
शैक्षणिक एवं अनुसंधान लेखापरीक्षा रिपोर्ट-2024
Academic and Research Audit Report-2024

Date: 10 April 2024

Department of Human Genetics and Molecular Medicine

- Department has good number of research projects and few major ones such as Mission program – Rare Genetic Disorders where collaborator from all over India are working together.
- Very impressive publications
- In depth research for the functional role of the genes is required
- The etiology of microcephaly, macrocephaly and dwarfism must be done and their correlation (if any) must be explored
- Faculty should also explore the global phenomenon of the genetic diseases. has to be
- Department as a team should plan to provide genetic services to local population.

Overall Suggestions

The department is undertaking good work on various diseases including Type-2 diabetes and rare genetic disorders. The research on microcephaly, PCOS and other diseases is also good but needs to be correlated with local conditions. It will be better if Dr. Senapati continues to focus on Celiac disease instead of spreading to other areas. Dr. Ujjawal should focus on some specific area of research. The department has great potential to make an impact, but they need to consolidate, concentrate and plan for joint projects. The patient services for genetic diagnostics should be further strengthened.

Department of PSNP

- Department must explore the consultancy projects
- Faculty can mentor and collaborate with industry
- This department has three PG programs which due to which the teaching load of the faculty is high.
- Basic knowledge about the pharmaceutical molecules is must
- The faculty must interact and collaborate with other groups
- Focus on taking few compounds for commercialization.

Overall Suggestions

The work on the computer-aided drug designing of novel chemicals for breast cancer, PCOS and also on EGFR inhibitors is significant; so is

INTERNAL QUALITY ASSURANCE CELL
शैक्षणिक एवं अनुसंधान लेखापरीक्षा रिपोर्ट-2024
Academic and Research Audit Report-2024

the work on the isolation of phytochemicals from *P. fulgens*. The senior teachers are doing good work but the junior teachers need to focus on good research, instead of spreading out thinly. The best could be if they join hands with the senior teachers.

Department of Chemistry

Faculty are engaged in research in various fields such as Thalassemia, Alzheimer's disease, synthesis of pure compounds, removing silica from rice straw and detection of heavy metals from environment.

- The department faculty must sell the library of compounds
- The value addition can be done by adding fluorescence probes to the isolated molecules
- Courses may be offered on chemical bonding
- Work on good and but not only docking
- The department must plan for a scale-up facility for the characterized compounds for commercialization.

Overall Suggestions

The faculty's work on multi-target drug discovery, cytochrome structures, green chemistry, environmental remediation and medicinal chemistry is of significant value. Some teachers are also engaged in the synthesis of organic chemicals for their anti-cancerous properties. There is good amount of similarity between the research being undertaken in the pharmaceutical sciences and chemistry. If the faculties of both the departments pool their intellectual resources, I believe, significant scientific output can be expected.

Department of Pharmacology

- The thrust area of the department must be focused
- Role of medicinal plants must be explored well in disease model systems.
- Short term – long term goals for the department must be identified.
- Most of the faculty are working on neurological disorders

INTERNAL QUALITY ASSURANCE CELL
शैक्षणिक एवं अनुसंधान लेखापरीक्षा रिपोर्ट-2024
Academic and Research Audit Report-2024

- It would a novel work if some animal model for toxic heavy metals is established
- Faculty must develop cardiovascular research facility
- Some of the future plans of the department are over ambitious, plan the achievable objectives
- The faculty must discuss their research in the department for horizontal research

Overall Suggestions

The faculty is doing research on varied range of topics, thus thinly spreading their resources. The work on traditional medicinal plants, animal models for metabolic syndromes, and studies on other movement or neurological disorders, or on gut-brain axis are all important but any significant breakthroughs will be difficult to achieve unless the faculty thinks on intra- and inter-departmental collaborations

INTERNAL QUALITY ASSURANCE CELL
शैक्षणिक एवं अनुसंधान लेखापरीक्षा रिपोर्ट-2024
Academic and Research Audit Report-2024

12 April 2024

Department of EVST

Strengths of the Department

- ePG Pathshala content prepared
- MOOCs for “Solid Hazard Waste Management” being offered for the 9th time.
- Good amount of Consultancy projects
- One patent filed.

Overall Suggestions

- A good number of Govt. aided project from Haryana Govt such as analysis of, Yamuna pollution, Solid Waste Management and Fluoride analysis being handled by the senior faculty of the department.
- The consultancy projects should somehow help the departments
- The research of the department should focus on local issues such as water quality, water recycling, ground water quality and Re-habitation of dumping sites
- The department faculty are working in small group and for tangible outcome the faculty must collaborate.
- The department has many research areas hence the thrust area and focus of the department not very clear.
- In the Solid Waste Management many faculty working on bio-remediation which has to be improved further with cost effective and sustainable solutions.
- For bio fertilizer work faculty may collaborate with other departments for impactful research.
- Management of microplastic is emerging area of research and should be focused
- Collaboration with JNU is proposed
- International collaborations can be explored
-

Department of Geography

Strengths of the Department

INTERNAL QUALITY ASSURANCE CELL
शैक्षणिक एवं अनुसंधान लेखापरीक्षा रिपोर्ट-2024
Academic and Research Audit Report-2024

- The faculty of the department has vast expertise such as physical geography, human geography, GIS, Natural Resource Management and Geo heritage.
- Good amount of Consultancy projects

Overall Suggestions

- The thrust area of the department not focused.
- Faculty must bring some new concepts of AI/ML to their research.
- Faculty should plan some Unmanned Aerial Vehicle for getting the data from extreme geographical zones.
- The geohealth is an upcoming field where faculty can collaborate with life sciences departments for impactful research.
- The department plans to establish a geochronology lab for dating of earth materials (rocks, minerals, fossils) and geologic events.

Department of Geology

Strengths of the Department

- The faculty of the department has vast expertise such as paleontology, hydrogeology, oregeology and paleomagnetism.
- Dr Vamdev has been part of International Ocean Discovery Program (IODP) Arctic Expedition-**399 from** 12 April -12 June 2023.
- One MOOCs on “Arctic studies” has been awarded to Prof JK Pattnaik
- Department has significant amount of consultancy projects.

Overall Suggestions

- The research thrust of department should be focused
- The research of the faculty should focus on the local issues too.
- While studying geomorphological characters, some basin from Punjab should also be selected.
- Work on Himalaya should be explored more for the metamorphic petrology.
- More interdisciplinary collaborations are required
- Department must identify the gap areas in the field of seismology and Geo-archeology.

INTERNAL QUALITY ASSURANCE CELL
शैक्षणिक एवं अनुसंधान लेखापरीक्षा रिपोर्ट-2024
Academic and Research Audit Report-2024

Date: 15.04.2024

School:

Department of English

Strengths of the Department

- Many old PhD students' submission pending will be submitted during the year 2024
- Good number of students qualify UGC NET (21) and 2021 batch – 10 NET
- Organize annual English Literacy Fest
- The department has its own magazine named “The Ornate Circle”
- The department is involved in taking classes for UGC preparation.

Overall Suggestions

- The research thrust of the department should be broader which can be discussed in the AAC
- The department does not have any external funding.
- Faculty has published a Book and few manuscripts are under preparation
- The research of the department is very diverse and some of the very advances fields such as Digital image processing etc is being explored.
- The text of Bhai Gurudas, Nirmal Panth, Sikhi theories, Punjabi authors/freedom fighters etc. should also be studied.
- The department should explore the possibilities of getting a Literary Chair or Full Bright fellow

Department of Hindi

Strengths of the Department

- Department offering various short term courses such as Diploma in Hindi translation.
- Faculty have received few awards/ recognition from various NGOs and Hindi Patrika
- New courses associated with local needs and environment has been proposed (Punjab ka hindi sahitya and Pryavaran vimarsh)
- Department plans to establish a Hindi Computational Centre and Gorakhnath chair.

INTERNAL QUALITY ASSURANCE CELL
शैक्षणिक एवं अनुसंधान लेखापरीक्षा रिपोर्ट-2024
Academic and Research Audit Report-2024

The low admission in the MA program is the biggest challenge of the department

The department is trying to support the students through Endowment funds as most of the students drop due to their poor economic condition.

Overall Suggestions

- Collaborations required
- More research on Malwa – Malwai literature required.
- Socially weak students can work under the EWYL of the department
- The thrust Area of Department to be made broader
- No extramural grant in the department
- The creative writing must be encouraged in the department, the wall magazine is good initiative which must be continued.
- To enhance the skills of the students and their employability, they may be taught script writing, advertisement writing etc.
- Publications are not Scopus indexed

Department of Performing and Fine Arts

PhD Scholars: 07

Strengths of the Department

- The department has won the running trophy during the Foundation week celebrations.
- The department is coordinating the participation of university students at various state and national level competitions
- Theatre Fest is organized as an annual event.

Overall Suggestions

- The research Thrust area should be more creative and relevant to Punjab & Indian Culture
- Time to time department must organize workshops for Production, make-up etc.
- The department may try to apply for extramural grant from NSD
- The department must try to attain expertise in one field of Theatre and Music for which they should be known for after ten years.
- The department should maintain the high quality of the theatre and music performances.

INTERNAL QUALITY ASSURANCE CELL
शैक्षणिक एवं अनुसंधान लेखापरीक्षा रिपोर्ट-2024
Academic and Research Audit Report-2024

- Professional theatre should be focused

Prof. Sunita Dhir very generously has agreed to donate books to the department.

Department of Punjabi

Ph.D. Scholars: 17

Strengths of the Department

- Department is conducting Punjabi classes for non-Punjabi speakers
- Department has a Wall Magazine for creative writing.

Overall Suggestions

- The research thrust of the department is repetitive hence 2-3 area can be merged to make a broader thrust area.
- Emerging issues of Punjab must in taken up for research.
- The department is facing a big challenge regarding the admission for MA program

Interdisciplinary Centre for Languages and Literary Studies

- Centre is offering Diploma in French which has a very high demand.
- Plan to start two PhD

INTERNAL QUALITY ASSURANCE CELL
शैक्षणिक एवं अनुसंधान लेखापरीक्षा रिपोर्ट-2024
Academic and Research Audit Report-2024

Date: 16.04.2024

Department of Economics

Ph.D. Scholars: 14

Strengths of the Department

- Good publications and grants
- ICCSR sponsored workshops organized
- The faculty has vast expertise

Overall Suggestions

- The research topics must be relevant to the present scenario so that the students are trained for the global platform.
- The Books and suggested readings must be updated time to time
- The research thrust of the department has too many topics hence the focus is missing.
- Contact can be established in NABARD for funds and training for the students.

Department of History

Strengths of the Department

Overall Suggestions

- The research thrust area of department and vision do not match
- Gender studies missing in the curriculum
- In the curriculum after Medieval history it cover Left movement, there is gap in between.
- The research must be carried on history of Punjab, Indian traditional sports etc.
- Faculty must collaborate and explore inter-disciplinary research.

Department of Sociology

Ph.D. Scholars: 19

Strengths of the Department

- MOOCs being developed by the department faculty
- Department has Malaviya Mission Teacher Training Centre (Sept 2023 14 lakhs)
- Department organised ICCSR sponsored workshops
- Department has consultancy projects

INTERNAL QUALITY ASSURANCE CELL
शैक्षणिक एवं अनुसंधान लेखापरीक्षा रिपोर्ट-2024
Academic and Research Audit Report-2024

- Department also has Dr Ambedkar Centre for Excellence (October 2023 – October 2025, 75 lakhs)

Overall Suggestions

- The research thrust area of the department should be focused in 1-2 core area.
 - The faculty must try to get few areas of expertise, too many research themes diffuse the research expertise.
 - Collaboration and inter-disciplinary research must be explored
 - The department can try to secure extramural grants from UN or NEPA
-

Department of Financial Administration

Ph.D. Scholars: 22

Strengths of the Department

Overall Suggestions

- Thrust of department has to be focused
 - Department should explore to collaborate with NABARD, RBI etc for research grants.
 - Prof. Charan Singh has offered to collaborate with the department.
 - The faculty must work of the contemporary issues such as Digital banking services, AI in Accounts, Pension & retirement plan, Old age pension where there is no concrete data. The department can propose important policies for the same.
 - The department should try to find the solution to real life problems
-

Department of South and Central Asian Studies

Ph.D. Scholars: 20

Strengths of the Department

- Good Publications by Prof Bawa Singh

Overall Suggestions

- Thrust of department has to be focused
- The long term future research plan for the department required.
- Young faculty with good research focus but must try to collaborate to showcase the strengths of the department.

INTERNAL QUALITY ASSURANCE CELL
शैक्षणिक एवं अनुसंधान लेखापरीक्षा रिपोर्ट-2024
Academic and Research Audit Report-2024

- Department may sign MoU for national and international collaborations
- Some faculty have really low publications.
- The department can propose Visiting Professor who can mentor overall.

Department of Physics

Strengths of the Department

- DST FIST received recently

Overall Suggestions

- The Department thrust area should be 1-2 focused fields.
 - Faculty must collaborate with other department faculty such as computational science
 - Send student for training outside India
 - Funds can be generated through industry
 - The department is conducting good research on Energy storage devices, meta-materials etc.
 - The department must plan for installing a fabrication unit in CU Punjab
 - The bio polymer work is very interesting and has high scope
-

Department of Mathematics and Statistics

Overall Suggestions

- The Department thrust area should be in 1-2 focused fields.
 - The expertise of cryptography can be used for Medical cryptography
 - Mathematical modelling for infectious diseases is an emerging field.
 - The plant diseases should be explored using Mathematical modelling
 - Consultancy project may be explored
 - The department is doing good application based research
-

Department of Computation Sciences

Ph.D. Scholars: 07

Overall Suggestions

- DST-FIST grant to be submitted
- The Department thrust area should be focused.

Department of Computer Science and Technology

- One Patent in process
- Department has applied for 2MOOCs

INTERNAL QUALITY ASSURANCE CELL
शैक्षणिक एवं अनुसंधान लेखापरीक्षा रिपोर्ट-2024
Academic and Research Audit Report-2024

Overall Suggestions

- AI Intelligence and data Science is the thrust area of the department
- Precision medicine and agriculture are the emerging field with high potential.
- Some new programs may be initiated
- To establish IOT Laboratory
- The AI/ML data and information must be verified
- The research being done has to be Utility based.
- The faculty are working on too many research themes so do not lose the focus
- Collaborative research is must

Department of Education

Ph.D. Scholars: 18

Strengths of the Department

- ITEP program for BA-BEd and BSc BEd to be started from the 2024 session
- Good publications by the faculty
- Two Patents has been filed

Overall Suggestions

- The research thrust of the department is not focused, the vision and mission of department must match with thrust area.
- The faculty should not publish in non-peer reviewed journals
- The research paper from the Ph.D. must be in Scopus or high impact international journal.
- The topic of research must be chosen very rigorously and it should be original work.
- No compromise with quality of research.
- Emerging technologies such as AI integrated pedagogy & assessment should be added in the curriculum
- The teachers should be knowledge creator and reflective teaching is crucial.

Department of Physical education

Ph.D. Scholars: 09

Strengths of the Department

- 08 students – getting industry fellowship for PhD

Overall Suggestions

- The Thrust area of the department not focused.
- Explore the Consultancy projects
- There is no long term future plan for the department.
- Identify your strength and focus on indigenous games
- The faculty must collaborate with other science departments for tangible outcome based research.

INTERNAL QUALITY ASSURANCE CELL
शैक्षणिक एवं अनुसंधान लेखापरीक्षा रिपोर्ट-2024
Academic and Research Audit Report-2024

Department of Psychology

Strengths of the Department

- It is a New Department with potential, good future
- Being interdisciplinary in nature and having potential to contribute to academic, social and cultural spheres of life the teaching and research in psychology assumes great significance. In particular, it has scope of collaboration with areas like health, counselling, education, law, community life, and personality development and personal growth.

Overall Suggestions

- Thrust of the Department is diffused, it may be discussed in AAC.
- Faculty must offer highly specialized courses
- The young faculty has potential to do good research but they need mentoring
- To get the exposure the faculty and PhD scholars must attend international conferences and meetings
- The research should be focused on the local issues such as Drug addiction, migration
- New course/paper must be introduced such as cultural psychology
- Research should focus on the Emerging areas
- The faculty and students need to orient their diverse academic programs and activities focusing on quality by connecting with
 1. cultural processes,
 2. indigenous knowledge systems,
 3. contemporary ecological context, and
 4. nurturance of academic and life skills.

Date: 22.04.2024

Department of Mass Communication

Ph.D. Scholars: 13

Strengths of the Department

- Highly skill based program where students are trained by covering all the university events

INTERNAL QUALITY ASSURANCE CELL
शैक्षणिक एवं अनुसंधान लेखापरीक्षा रिपोर्ट-2024
Academic and Research Audit Report-2024

- Department has their own Media lab
- Good consultancy projects
- Good publications and grants

Overall Suggestions

- E-content generation must be done here in media lab
- The department must organize events for Media Literacy, debunk misinformation etc.
- Proposal & preposition must be viable Indonesia or
- Certified courses can be planned
- Long term future plan for the department is missing
- Research has to be meaningful not only documentation

Department of Library Sciences

PhD scholars 12

Strengths of the Department

- The scope of this program is high

Overall Suggestions

- Department must work to procure and preserve the ancient manuscripts
- The research thrust of the department is not focused
- Most of the faculty of the department are new hence collaboration is must
- Publication is low and focus to publish in ABDC and SCOPUS journal
- Skill based courses such as internship, library visits should be included in the curriculum.
- Few Certificate courses can be started

Department of Law

Ph.D. Scholars: 30

The Thrust Areas of the department are Environment Law & Human Right
Corporate law & IPR

Strengths of the Department

- Consultancy from NHRC
- Coordinating the National Youth Parliament

INTERNAL QUALITY ASSURANCE CELL
शैक्षणिक एवं अनुसंधान लेखापरीक्षा रिपोर्ट-2024

Abstract

National INNOVATION and STARTUP Policy 2019 for Students and Faculty

A Guiding Framework for Higher Education Institutions

The National Innovation and Startup Policy 2019 for students and faculty of Higher Education Institutions (HEIs) will enable the institutes to actively engage students, faculties and staff in innovation and entrepreneurship related activities. This framework will also facilitate Ministry of Human Resource Development in bringing uniformity across HEIs in terms of Intellectual Property ownership management, technology licensing and institutional Startup policy, thus enabling creation of a robust innovation and Start up ecosystem across all HEIs.

September 11, 2019

संदेश

मानव संसाधन विकास मंत्रालय

रमेश पोखरियाल 'निशंक'
मानव संसाधन विकास मंत्री

स्टार्ट-अप इंडिया भारत सरकार की एक प्रमुख पहल है, जो नवीन आविष्कारों को हाथ में लेने, सहायता और प्रोत्साहनों के वित्त पोषण, उद्योग-शैक्षणिक भागीदारी और इन्क्यूबेटरों के बुनियादी स्तंभों पर आधारित है।

मुझे भारत के सभी उच्च शिक्षा संस्थानों के छात्रों और शिक्षकों के लिए राष्ट्रीय नवाचार और स्टार्ट-अप नीति 2019 'पर ठोस दिशा निर्देश जारी करने की घोषणा करते हुए खुशी हो रही है। ये दिशा-निर्देश भारत के हजारों तकनीकी

कॉलेजों के लाखों युवाओं के मन मस्तिष्क में नवाचार की भावना को सशक्त करेंगे और संस्थानों को न केवल युवाओं के लिए रोजगार के अवसर पैदा करने में मदद करेंगे, बल्कि भारत के

उच्च शिक्षा संस्थानों में एक मजबूत स्टार्ट-अप पारिस्थितिकी तंत्र विकसित करने के लिए एक प्रेरणा प्रदान करेंगे।

मैं चाहता हूँ कि उच्चतर शिक्षा संस्थाओं के लिए निर्धारित दिशा-निर्देशों को इन संस्थाओं द्वारा नियमित प्रभाव मूल्यांकन के साथ कार्यान्वित किया जाए ताकि वांछित परिणामों को हासिल किया जा सके।

मैं भारत के सभी उच्च शिक्षा संस्थानों से अनुरोध करता हूँ कि वे नवाचर युक्त बुनियादी ढांचे के निर्माण के लिए अपना सर्वश्रेष्ठ और आवश्यक कदम उठाएं, ताकि हमारे शिक्षा संस्थानों में स्टार्ट-अप और उद्यमशीलता के पारिस्थितिकी तंत्र को अधिक सक्षम बनाया जा सके।

Message from Ministry of Human Resource Development

Sanjay Shamrao Dhotre
Minister of State for Human
Resource Development

India aspires to become a 5 trillion dollar economy in a near future. To reach this mark, it needs to evolve system and mechanisms to convert the present demographic dividend into high quality technical human resource, capable of doing cutting edge research and innovation, and deep-tech entrepreneurship. At this juncture, the MHRD's Innovation Cell and AICTE have brought out the 'National Innovation and Startup Policy 2019' for students and faculty.

I congratulate MHRD's Innovation Cell and AICTE for conceptualizing these

much needed guidelines. These envision an educational system oriented towards startups and entrepreneurship opportunities for students and faculty. I appeal all higher education institutions to adopt and popularize these guidelines amongst their faculty, staff and students, and encourage them to actively pursue path of innovation and entrepreneurship.

I also urge MHRD's innovation cell to proactively coordinate with education departments of all state governments to ensure that these policy guidelines are implemented in their true spirit.

Message from Ministry of Human Resource Development

R. Subrahmanyam
Secretary (Higher Education)
MHRD

Innovation and entrepreneurship need to emerge as one of the focal points of our education system and Ministry of Human Resource Development is making every possible effort to achieve this goal. We are aggressively promoting initiatives like Hackathons, tech-fests, idea competition, startup bootcamps, etc. to foster the culture of innovation in our education institutions. We want large number of students and faculty to work on new ideas and convert them into successful enterprises.

As no formal guidelines were

available for encouraging students and faculty to pursue startup and entrepreneurship related activities, a committee was formed under the guidance of Prof. Ashok Jhunjhunwala to evolve set of recommendations and guiding principles for higher education institutions for promoting innovation and entrepreneurship ecosystem within campuses.

I firmly believe that the recommendations prescribed in this document will pave the way for developing and supporting an entrepreneurial culture in all the higher education institutions of India.

Message from All India Council of Technical Education

Anil D Sahasrabudhe
Chairman, AICTE

I am very happy to see that the detailed guidelines have been issued by Ministry of Human Resource Development on National Innovation and Startup Policy for students and faculties of higher education institutions which further strengthens the Startup Policy released by All India Council of Technical Education in November 2016 from Rashtrapati Bhawan, just after few months of Startup action plan announced by the Government of India in January 2016.

I am pleased to share that the present policy guidelines are built on the earlier version

published by the AICTE and being implemented by the AICTE startup implementation committee headed by first generation entrepreneur Shri Sanjay Inamdar and covers several practical aspects of innovation and startups. The guidelines highlight various important points including revenue sharing mechanism for licensing, ownership of IP, equity sharing mechanism between institute and startups incubated at institute.

I wish Ministry of Human Resource Development and all the educational institutes in India a grand success in this mission.

Message from University Grant Commission

D.P. Singh
Chairman, UGC

I am delighted to know that Ministry of Human Resource Development has devised the guidelines for promoting innovation and entrepreneurship among students and faculty of higher education institutions. This will guide the institutions on the mechanisms of handling the students and faculty members and supporting their initiatives for innovations and startups. The best universities around the world have evolved sound

mechanisms for promoting and managing innovations. I believe that the 'Guidelines on National Innovation and Startup Policy 2019' will provide the required direction and support to a large number of universities and its affiliated institutions in India on handling Intellectual Property Rights, innovations and startup related issues,

I extend my best wishes to the institutions for stepping ahead to implement these guidelines.

Message from Chairman, 'National Innovation and Startup Policy 2019' Committee

Ashok Jhunjunwala
Chairman, NISPC

At the outset, I thank the Ministry of Human Resource Development for providing me an opportunity to work on the guidelines with an aim of nurturing Innovation and Startups ecosystem in higher education institutions. My firm belief is that Incubation and Innovation need to be organically interlinked. Without innovation, new enterprises are unlikely to

succeed. The goal of the institutions should therefore be to link Innovation to Enterprises to financial success.

I sincerely congratulate the Ministry of Human Resource Development for its initiative towards strengthening of innovation and startup ecosystem in education ecosystem and wish it a grand success.

Message from Innovation Cell, Ministry of Human Resource Development

Abhay Jere
Chief Innovation Officer,
MHRD

At the outset, I would like to acknowledge all committee members, without whose active contributions and support, these policy guidelines would not have been possible.

These policy guidelines on Innovation and Startups have been framed with an aim to promote the innovation and entrepreneurship culture within our higher education institutions. If India aims to become 5 trillion-dollar economy, then it needs to evolve systems and mechanisms to convert the present demographic dividend into high quality technical human resource capable of doing cutting edge research and innovation (R&I) and deep-tech entrepreneurship.

On Global Innovation Index (GII) 2019, India's rank is 52 while China is far ahead of us and ranks 14. Considering India's real R&I potential, we should certainly aspire to be within top 25 in next 5 years and it can happen only if we can develop robust Innovation and entrepreneurship ecosystem within our higher education institutions. Moreover, unfortunately at present, none of

our Indian institution figure in top 100 global R&I institutions and only 3 Indian institutions are within top 200. This needs to change and can only happen if our institutions give substantial emphasis on R&I. In next 5 years, India needs to systematically work to ensure that it's 10 institutions are amongst top 100.

To ensure that innovation and entrepreneurship emerges as the primary fulcrum of India's higher education systems, MHRD's Innovation Cell (MIC) is undertaking multiple initiatives like Smart India Hackathon, Atal Ranking of Institutions of Innovation Achievements (ARIIA), establishing Institution's Innovation Councils (IIC) in 1500+ institutions, Innovation Competitions, etc.

The present National Innovation and Startup Policy is yet another step in that direction. We believe that this policy will immensely benefit central institutions, state universities and affiliated institutions which are currently not well verse at handling challenges related to innovation, startup and entrepreneurship conceived by their faculty and students.

Committee for 'National Innovation and Startup Policy 2019' Guidelines for Higher Education Institutions

1.	Prof. Ashok Jhunjunwala Professor, Indian Institute of Technology Madras	Chairman
2.	Shri Sukhbir Singh Sandhu Additional Secretary (Higher Education) Ministry of Human Resource Development New Delhi	Member

Preamble

In November 2016, All India Council of Technical Education (AICTE) released a Startup Policy document for AICTE approved institutions, to address the need of inculcation of innovation and entrepreneurial culture in higher education institutions (HEIs). The policy primarily focused on guiding the AICTE approved institutions in implementing ‘Startup Action Plan’ of Government of India. Subsequent to release of the Startup policy by AICTE and further interaction & feedback received from education institutions, a need was felt for a more elaborate and comprehensive policy guiding document, which could be applicable for all the HEIs in India.

A fifteen membered committee was constituted by Ministry of Human Resource Development to formulate detailed guidelines for various aspects related to innovation, Startup and entrepreneurship management. This committee deliberated on various facets for nurturing the innovation and Startup culture in HEIs, which covered Intellectual Property ownership, revenue sharing mechanisms, norms for technology transfer and commercialization, equity sharing, etc. After multiple rounds of meetings, National Innovation and Startup Policy 2019 for students and faculties of HEIs were prepared.

Vision

India aspires to become 5 trillion-dollar economy by 2024. To reach the mark, it needs to evolve systems and mechanisms to convert the present demographic dividend into high quality technical human resource capable of doing cutting edge research and innovation and deep-tech entrepreneurship.

The 'National Student and Faculty Startup policy 2019' for HEIs is a guiding framework to envision an educational system oriented towards start ups and entrepreneurship opportunities for student and faculties. The guidelines provide ways to Indian HEIs for developing entrepreneurial agenda, managing Intellectual Property Rights (IPR) ownership, technology licensing and equity sharing in Startups or enterprises established by faculty and students.

In India, innovation is still not the epicenter of education. In order to achieve the cultural and attitudinal shift and to ensure that ‘Innovation and Startup’ culture is the primary fulcrum of our higher education system a policy framework and guidelines are the need of this hour. These guidelines will enable institutions to actively support their faculty, staff and students to participate in innovation and entrepreneurship (I&E) related activities, thus encouraging students and faculty to consider start ups and entrepreneurship as a career option. These recommendations and guiding principles will also help HEIs in creating their own policy framework, if required.

Moreover, these guidelines will facilitate Ministry of Human Resource Development in bringing uniformity across HEIs in terms of IPR ownership management, technology licensing and institutional startups policy, thus enabling creation of a robust innovation and Startup ecosystem across all HEIs. These guidelines will also help emphasize that the entrepreneurship is all about creating a business, which is financially successful.

National Innovation and Startup Policy 2019 for Students and Faculty

1. Strategies and Governance

- a. Entrepreneurship promotion and development should be one of the major dimensions of the HEIs strategy. To facilitate development of an entrepreneurial ecosystem in the organization, specific objectives and associated performance indicators should be defined for assessment.
- b. Implementation of entrepreneurial vision at the institute should be achieved through mission statements rather than stringent control system. The entrepreneurial agenda should be the responsibility of a senior person at the level of dean/ director/ equivalent position to bring in required commitment and must be well understood by the higher authorities. However, one must understand that promoting entrepreneurship requires a different type of mindset as compared to other academic activities. Therefore, this person should be very carefully chosen from someone who understands the industry and above all business.
- c. Resource mobilisation plan should be worked out at the institute for supporting pre-incubation, incubation infrastructure and facilities. A sustainable financial strategy should be defined in order to reduce the organizational constraints to work on the entrepreneurial agenda.
 - i. Investment in the entrepreneurial activities should be a part of the institutional financial strategy. Minimum 1% fund of the total annual budget of the institution should be allocated for funding and supporting innovation and startups related activities through creation of separate ‘Innovation fund’.
 - ii. The strategy should also involve raising funds from diverse sources to reduce dependency on the public funding. Bringing in external funding through government (state and central) such as DST, DBT, MHRD, AICTE, TDB, TIFAC, DSIR, CSIR, BIRAC, NSTEDB, NRDC, Startup India, Invest India, MeitY, MSDE, MSME, etc. and non-government sources should be encouraged.
 - iii. To support technology incubators, academic institutes may approach private and corporate sectors to generate funds, under Corporate Social Responsibility (CSR) as per Section 135 of the Company Act 2013.
 - iv. Institute may also raise funding through sponsorships and donations. Institute should actively engage alumni network for promoting Innovation & Entrepreneurship (I&E).
- d. For expediting the decision making, hierarchical barriers should be minimized and individual autonomy and ownership of initiatives should be promoted.
- e. Importance of innovation and entrepreneurial agenda should be known across the institute and should be promoted and highlighted at institutional programs such as conferences, convocations, workshops, etc.
- f. Student and faculty startup Policy and action plan should be formulated at university level, which is in line with the current document along with well-defined short-term and long-term goals. Micro action plan should also be developed by the affiliated institutes to accomplish the policy objectives.

- g. Institute should develop and implement I & E strategy and policy for the entire institute in order to integrate the entrepreneurial activities across various centers, departments, faculties, within the institutes, thus breaking the silos.
- h. Product to market strategy for startups should be developed by the institute on case to case basis.
- i. Development of entrepreneurship culture should not be limited within the boundaries of the institution.
 - i. HEIs should be the driving force in developing entrepreneurship culture in its vicinity (regional, social and community level). This shall include giving opportunity for regional startups, provision to extend facilities for outsiders and active involvement of the institute in defining strategic direction for local development.
 - ii. Strategic international partnerships should be developed using bilateral and multilateral channels with international innovation clusters and other relevant organizations. Moreover, international exchange programs, internships, engaging the international faculties in teaching and research should also be promoted.

2. Startups Enabling Institutional Infrastructure

Creation of pre-incubation and incubation facilities for nurturing innovations and startups in HEIs institutions should be undertaken. Incubation and Innovation need to be organically interlinked. Without innovation, new enterprises are unlikely to succeed. The goal of the effort should be to link INNOVATION to ENTREPRISES to FINANCIAL SUCCESS.

- a. All HEIs are advised to create facilities within their institution for supporting pre-incubation (e.g. IICs as per the guidelines by MHRD's Innovation Cell, EDC, IEDC, New-Gen IEDC, Innovation Cell, Startup Cell, Student Clubs, etc.) and Incubation/ acceleration by mobilizing resources from internal and external sources.
- b. This Pre-Incubation/Incubation facility should be accessible 24x7 to students, staff and faculty of all disciplines and departments across the institution.
- c. Pre-incubation facilities may or may not be a separately registered entity or Special Purpose Vehicle (SPV), but we recommend that 'Incubation cum Technology Commercialization Unit' (ITCU) should be a separate entity preferably registered under Section-8 of Company Act 2013 or 'Society' registered under Society Registration Act with independent governance structure. This will allow more freedom to Incubators in decision making with less administrative hassles for executing the programs related to innovation, IPR and Startups. Moreover, they will have better accountability towards investors supporting the incubation facility.
- d. HEIs may offer mentoring and other relevant services through Pre-incubation/Incubation units in-return for fees, equity sharing and (or) zero payment basis. The modalities regarding Equity Sharing in Startups supported through these units will depend upon the nature of services offered by these units and are elaborately explained in Section 3.

3. Nurturing Innovations and Start ups

- a. HEIs are expected to establish processes and mechanisms for easy creation and nurturing of Start ups/enterprises by students (UG, PG, Ph.D.), staff (including temporary or project staff), faculty, alumni and potential start up applicants even from outside the institutions.
- b. While defining their processes, institutions will ensure to achieve following:
 - i. Incubation support: Offer access to pre-incubation & Incubation facility to start ups by students, staff and faculty for mutually acceptable time-frame.

In case an institute doesn't have a dedicated facility/ infrastructure of its own, then it may reach out to nearest incubation facilities in other HEIs in order to facilitate access to their students, staff and faculty.
 - ii. Will allow licensing of IPR from institute to start up: Ideally students and faculty members intending to initiate a start up based on the technology developed or co-developed by them or the technology owned by the institute, should be allowed to take a license on the said technology on easy term, either in terms of equity in the venture and/ or license fees and/ or royalty to obviate the early stage financial burden.
 - iii. Will allow setting up a start up (including social start ups) and working part-time for the start ups while studying / working: HEIs may allow their students / staff to work on their innovative projects and setting up start ups (including Social Start ups) or work as intern / part-time in start ups (incubated in any recognized HEIs/Incubators) while studying / working. Student Entrepreneurs may earn credits for working on innovative prototypes/Business Models. Institute may need to develop clear guidelines to formalize this mechanism. Student inventors may also be allowed to opt for start up in place of their mini project/ major project, seminars, summer trainings. The area in which student wants to initiate a start up may be interdisciplinary or multi-disciplinary. However, the student must describe how they will separate and clearly distinguish their ongoing research activities as a student from the work being conducted at the start up.
- c. Students who are under incubation, but are pursuing some entrepreneurial ventures while studying should be allowed to use their address in the institute to register their company with due permission from the institution.
- d. Students entrepreneurs should be allowed to sit for the examination, even if their attendance is less than the minimum permissible percentage, with due permission from the institute.
- e. HEIs should allow their students to take a semester/year break (or even more depending upon the decision of review committee constituted by the institute) to work on their start ups and re-join academics to complete the course. Student entrepreneurs may earn academic credits for their efforts while creating an enterprise. Institute should set up a review committee for review of start up by students, and based on the progress made, it may consider giving appropriate credits for academics.
- f. The institute should explore provision of accommodation to the entrepreneurs within the campus for some period of time.

- g. Allow faculty and staff to take off for a semester / year (or even more depending upon the decision of review committee constituted by the institute) as sabbatical/ unpaid leave/ casual leave/ earned leave for working on startups and come back. Institution should consider allowing use of its resource to faculty/students/staff wishing to establish start up as a fulltime effort. The seniority and other academic benefits during such period may be preserved for such staff or faculty.
- h. Start a part-time/full time MS/ MBA/ PGDM (Innovation, entrepreneurship and venture development) program where one can get degree while incubating and nurturing a startup company. AICTE has already issued guidelines for a similar program.
- i. Institute will facilitate the startup activities/ technology development by allowing students/ faculty/ staff to use institute infrastructure and facilities, as per the choice of the potential entrepreneur in the following manners:
 - i Short-term/ six-month/ one-year part-time entrepreneurship training.
 - ii Mentorship support on regular basis.
 - iii Facilitation in a variety of areas including technology development, ideation, creativity, design thinking, fund raising, financial management, cash-flow management, new venture planning, business development, product development, social entrepreneurship, product-costing, marketing, brand-development, human resource management as well as law and regulations impacting a business.
 - iv Institute may also link the startups to other seed-fund providers/ angel funds/ venture funds or itself may set up seed-fund once the incubation activities mature.
 - v License institute IPR as discussed in section 4 below.
- j. In return of the services and facilities, institute may take 2% to 9.5% equity/ stake in the startup/ company, based on brand used, faculty contribution, support provided and use of institute's IPR (a limit of 9.5% is suggested so that institute has no legal liability arising out of startup. The institute should normally take much lower equity share, unless its full-time faculty/ staff have substantial shares). Other factors for consideration should be space, infrastructure, mentorship support, seed-funds, support for accounts, legal, patents etc.
 - For staff and faculty, institute can take no-more than 20% of shares that staff / faculty takes while drawing full salary from the institution; however, this share will be within the 9.5% cap of company shares, listed above.
 - No restriction on shares that faculty / staff can take, as long as they do not spend more than 20% of office time on the startup in advisory or consultative role and do not compromise with their existing academic and administrative work / duties. In case the faculty/ staff holds the executive or managerial position for more than three months in a startup, then they will go on sabbatical/ leave without pay/ earned leave.
 - In case of compulsory equity model, Startup may be given a cooling period of 3 months to use incubation services on rental basis to take a final decision based on satisfaction of

services offered by the institute/incubator. In that case, during the cooling period, institute cannot force startup to issue equity on the first day of granting incubation support.

- k. The institute should also provide services based on mixture of equity, fee-based and/ or zero payment model. So, a startup may choose to avail only the support, not seed funding, by the institute on rental basis.
- l. Institute could extend this startup facility to alumni of the institute as well as outsiders.
- m. Participation in start up related activities needs to be considered as a legitimate activity of faculty in addition to teaching, R&D projects, industrial consultancy and management duties and must be considered while evaluating the annual performance of the faculty. Every faculty may be encouraged to mentor at least one startup.
- n. Product development and commercialization as well as participating and nurturing of startups would now be added to a bucket of faculty-duties and each faculty would choose a mix and match of these activities (in addition to minimum required teaching and guidance) and then respective faculty are evaluated accordingly for their performance and promotion.
- o. Institutions might also need to update/change/revise performance evaluation policies for faculty and staff as stated above.
- p. Institute should ensure that at no stage any liability accrue to it because of any activity of any startup.
- q. Where a student/ faculty startup policy is pre-existing in an institute, then the institute may consider modifying their policy in spirit of these guidelines.

4. Product Ownership Rights for Technologies Developed at Institute

- a. When institute facilities / funds are used substantially or when IPR is developed as a part of curriculum/ academic activity, IPR is to be jointly owned by inventors and the institute.
 - i. Inventors and institute could together license the product / IPR to any commercial organisation, with inventors having the primary say. License fees could be either / or a mix of
 1. Upfront fees or one-time technology transfer fees
 2. Royalty as a percentage of sale-price
 3. Shares in the company licensing the product
 - ii. An institute may not be allowed to hold the equity as per the current statute, so SPV may be requested to hold equity on their behalf.
 - iii. If one or more of the inventors wish to incubate a company and license the product to this company, the royalties would be no more than 4% of sale price, preferably 1 to 2%, unless it is pure software product. If it is shares in the company, shares will again be 1% to 4%. For a pure software product licensing, there may be a revenue sharing to be mutually decided between the institute and the incubated company.
- b. On the other hand, if product/ IPR is developed by innovators not using any institute facilities, outside

office hours (for staff and faculty) or not as a part of curriculum by student, then product/ IPR will be entirely owned by inventors in proportion to the contributions made by them. In this case, inventors can decide to license the technology to third parties or use the technology the way they deem fit.

- c. If there is a dispute in ownership, a minimum five membered committee consisting of two faculty members (having developed sufficient IPR and translated to commercialisation), two of the institute's alumni/ industry experts (having experience in technology commercialisation) and one legal advisor with experience in IPR, will examine the issue after meeting the inventors and help them settle this, hopefully to everybody's satisfaction. Institute can use alumni/ faculty of other institutes as members, if they cannot find sufficiently experienced alumni / faculty of their own.
- d. Institute IPR cell or incubation center will only be a coordinator and facilitator for providing services to faculty, staff and students. They will have no say on how the invention is carried out, how it is patented or how it is to be licensed. If institute is to pay for patent filing, they can have a committee which can examine whether the IPR is worth patenting. The committee should consist of faculty who have experience and excelled in technology translation. If inventors are using their own funds or non-institute funds, then they alone should have a say in patenting.
- e. All institute's decision-making body with respect to incubation / IPR / technology-licensing will consist of faculty and experts who have excelled in technology translation. Other faculty in the department / institute will have no say, including heads of department, heads of institutes, deans or registrars.
- f. Interdisciplinary research and publication on startup and entrepreneurship should be promoted by the institutions.

5. Organizational Capacity, Human Resources and Incentives

- a. Institute should recruit staff that have a strong innovation and entrepreneurial/ industrial experience, behaviour and attitude. This will help in fostering the I&E culture.
 - i. Some of the relevant faculty members with prior exposure and interest should be deputed for training to promote I&E.
 - ii. To achieve better engagement of staff in entrepreneurial activities, institutional policy on career development of staff should be developed with constant upskilling.
- b. Faculty and departments of the institutes have to work in coherence and cross-departmental linkages should be strengthened through shared faculty, cross-faculty teaching and research in order to gain maximum utilization of internal resources and knowledge.
- c. Periodically some external subject matter experts such as guest lecturers or alumni can be engaged for strategic advice and bringing in skills which are not available internally.
- d. Faculty and staff should be encouraged to do courses on innovation, entrepreneurship management and venture development.
- e. In order to attract and retain right people, institute should develop academic and non-academic

incentives and reward mechanisms for all staff and stakeholders that actively contribute and support entrepreneurship agenda and activities.

- i. The reward system for the staff may include sabbaticals, office and lab space for entrepreneurial activities, reduced teaching loads, awards, trainings, etc.
- ii. The recognition of the stakeholders may include offering use of facilities and services, strategy for shared risk, as guest teachers, fellowships, associateships, etc.
- iii. A performance matrix should be developed and used for evaluation of annual performance.

6. Creating Innovation Pipeline and Pathways for Entrepreneurs at Institute Level

- a. To ensure exposure of maximum students to innovation and pre incubation activities at their early stage and to support the pathway from ideation to innovation to market, mechanisms should be devised at institution level.
 - i. Spreading awareness among students, faculty and staff about the value of entrepreneurship and its role in career development or employability should be a part of the institutional entrepreneurial agenda.
 - ii. Students/ staff should be taught that innovation (technology, process or business innovation) is a mechanism to solve the problems of the society and consumers. Entrepreneurs should innovate with focus on the market niche.
 - iii. Students should be encouraged to develop entrepreneurial mindset through experiential learning by exposing them to training in cognitive skills (e.g. design thinking, critical thinking, etc.), by inviting first generation local entrepreneurs or experts to address young minds. Initiatives like idea and innovation competitions, hackathons, workshops, bootcamps, seminars, conferences, exhibitions, mentoring by academic and industry personnel, throwing real life challenges, awards and recognition should be routinely organized.
 - iv. To prepare the students for creating the start up through the education, integration of education activities with enterprise-related activities should be done.
- b. The institute should link their start ups and companies with wider entrepreneurial ecosystem and by providing support to students who show potential, in pre-startup phase. Connecting student entrepreneurs with real life entrepreneurs will help the students in understanding real challenges which may be faced by them while going through the innovation funnel and will increase the probability of success.
- c. The institute should establish Institution's Innovation Councils (IICs) as per the guidelines of MHRD's Innovation Cell and allocate appropriate budget for its activities. IICs should guide institutions in conducting various activities related to innovation, startup and entrepreneurship development. Collective and concentrated efforts should be undertaken to identify, scout, acknowledge, support and reward proven student ideas and innovations and to further facilitate their entrepreneurial journey.

- d. For strengthening the innovation funnel of the institute, access to financing must be opened for the potential entrepreneurs.
 - i. Networking events must be organized to create a platform for the budding entrepreneurs to meet investors and pitch their ideas.
 - ii. Provide business incubation facilities: premises at subsidised cost. Laboratories, research facilities, IT services, training, mentoring, etc. should be accessible to the new startups.
 - iii. A culture needs to be promoted to understand that money is not FREE and is risk capital. The entrepreneur must utilize these funds and return. While funding is taking risk on the entrepreneur, it is an obligation of the entrepreneur to make every effort possible to prove that the funding agency did right in funding him/ her.
- e. Institute must develop a ready reckoner of Innovation Tool Kit, which must be kept on the homepage on institute's website to answer the doubts and queries of the innovators and enlisting the facilities available at the institute.

7. Norms for Faculty Startups

- a. For better coordination of the entrepreneurial activities, norms for faculty to do startups should be created by the institutes. Only those technologies should be taken for faculty startups which originate from within the same institute.
 - i. Role of faculty may vary from being an owner/ direct promoter, mentor, consultant or as on-board member of the startup.
 - ii. Institutes should work on developing a policy on 'conflict of interests' to ensure that the regular duties of the faculty don't suffer owing to his/her involvement in the startup activities.
 - iii. Faculty startup may consist of faculty members alone or with students or with faculty of other institutes or with alumni or with other entrepreneurs.
- b. In case the faculty/ staff holds the executive or managerial position for more than three months in a startup, they will go on sabbatical/ leave without pay/ utilize existing leave.
- c. Faculty must clearly separate and distinguish on-going research at the institute from the work conducted at the startup/ company.
- d. In case of selection of a faculty start up by an outside national or international accelerator, a maximum leave (as sabbatical/ existing leave/ unpaid leave/ casual leave/ earned leave) of one semester/ year (or even more depending upon the decision of review committee constituted by the institute) may be permitted to the faculty.
- e. Faculty must not accept gifts from the startup.
- f. Faculty must not involve research staff or other staff of institute in activities at the startup and vice-versa.
- g. Human subject related research in startup should get clearance from ethics committee of the institution.

8. Pedagogy and Learning Interventions for Entrepreneurship Development

- a. Diversified approach should be adopted to produce desirable learning outcomes, which should include cross disciplinary learning using mentors, labs, case studies, games, etc. in place of traditional lecture-based delivery.
 - i. Student clubs/ bodies/ departments must be created for organizing competitions, bootcamps, workshops, awards, etc. These bodies should be involved in institutional strategy planning to ensure enhancement of the student's thinking and responding ability.
 - ii. Institutes should start annual 'INNOVATION & ENTREPRENEURSHIP AWARD' to recognize outstanding ideas, successful enterprises and contributors for promoting innovation and enterprises ecosystem within the institute.
 - iii. For creating awareness among the students, the teaching methods should include case studies on business failure and real-life experience reports by startups.
 - iv. Tolerating and encouraging failures: Our systems are not designed for tolerating and encouraging failure. Failures need to be elaborately discussed and debated to imbibe that failure is a part of life, thus helping in reducing the social stigma associated with it. Very importantly, this should be a part of institute's philosophy and culture.
 - v. Innovation champions should be nominated from within the students/ faculty/ staff for each department/ stream of study.
- b. Entrepreneurship education should be imparted to students at curricular/ co-curricular/ extra-curricular level through elective/ short term or long-term courses on innovation, entrepreneurship and venture development. Validated learning outcomes should be made available to the students.
 - i. Integration of expertise of the external stakeholders should be done in the entrepreneurship education to evolve a culture of collaboration and engagement with external environment.
 - ii. In the beginning of every academic session, institute should conduct an induction program about the importance of I&E so that freshly inducted students are made aware about the entrepreneurial agenda of the institute and available support systems. Curriculum for the entrepreneurship education should be continuously updated based on entrepreneurship research outcomes. This should also include case studies on failures.
 - iii. Industry linkages should be leveraged for conducting research and survey on trends in technology, research, innovation, and market intelligence.
 - iv. Sensitization of students should be done for their understanding on expected learning outcomes.
 - v. Student innovators, startups, experts must be engaged in the dialogue process while developing the strategy so that it becomes need based.
 - vi. Customized teaching and training materials should be developed for startups.
 - vii. It must be noted that not everyone can become an entrepreneur. The entrepreneur is a leader, who

would convert an innovation successfully into a product, others may join the leader and work for the startup. It is important to understand that entrepreneurship is about risk taking. One must carefully evaluate whether a student is capable and willing to take risk.

- c. Pedagogical changes need to be done to ensure that maximum number of student projects and innovations are based around real life challenges. Learning interventions developed by the institutes for inculcating entrepreneurial culture should be constantly reviewed and updated.

9. Collaboration, Co-creation, Business Relationships and Knowledge Exchange

- a. Stakeholder engagement should be given prime importance in the entrepreneurial agenda of the institute. Institutes should find potential partners, resource organizations, micro, small and medium-sized enterprises (MSMEs), social enterprises, schools, alumni, professional bodies and entrepreneurs to support entrepreneurship and co-design the programs.
 - i. To encourage co-creation, bi-directional flow/ exchange of knowledge and people should be ensured between institutes such as incubators, science parks, etc.
 - ii. Institute should organize networking events for better engagement of collaborators and should open up the opportunities for staff, faculty and students to allow constant flow of ideas and knowledge through meetings, workshops, space for collaboration, lectures, etc.
 - iii. Mechanism should be developed by the institute to capitalize on the knowledge gained through these collaborations.
 - iv. Care must be taken to ensure that events DON'T BECOME an end goal. First focus of the incubator should be to create successful ventures.
- b. The institute should develop policy and guidelines for forming and managing the relationships with external stakeholders including private industries.
- c. Knowledge exchange through collaboration and partnership should be made a part of institutional policy and institutes must provide support mechanisms and guidance for creating, managing and coordinating these relationships.
 - i. Through formal and informal mechanisms such as internships, teaching and research exchange programmes, clubs, social gatherings, etc., faculty, staff and students of the institutes should be given the opportunities to connect with their external environment.
 - ii. Connect of the institute with the external environment must be leveraged in form of absorbing information and experience from the external ecosystem into the institute's environment.
 - iii. Single Point of Contact (SPOC) mechanism should be created in the institute for the students, faculty, collaborators, partners and other stakeholders to ensure access to information.
 - iv. Mechanisms should be devised by the institutions to ensure maximum exploitation of entrepreneurial opportunities with industrial and commercial collaborators.

- v. Knowledge management should be done by the institute through development of innovation knowledge platform using inhouse Information & Communication Technology (ICT) capabilities.

10. Entrepreneurial Impact Assessment

- a. Impact assessment of institute's entrepreneurial initiatives such as pre-incubation, incubation, entrepreneurship education should be performed regularly using well defined evaluation parameters.
 - i. Monitoring and evaluation of knowledge exchange initiatives, engagement of all departments and faculty in the entrepreneurial teaching and learning should be assessed.
 - ii. Number of start ups created, support system provided at the institutional level and satisfaction of participants, new business relationships created by the institutes should be recorded and used for impact assessment.
 - iii. Impact should also be measured for the support system provided by the institute to the student entrepreneurs, faculty and staff for pre-incubation, incubation, IPR protection, industry linkages, exposure to entrepreneurial ecosystem, etc.
- b. Formulation of strategy and impact assessment should go hand in hand. The information on impact of the activities should be actively used while developing and reviewing the entrepreneurial strategy.
- c. Impact assessment for measuring the success should be in terms of sustainable social, financial and technological impact in the market. For innovations at pre-commercial stage, development of sustainable enterprise model is critical. COMMERCIAL success is the ONLY measure in long run.

Way Forward

Uniform and successful implementation of the 'National Innovation and Startup Policy 2019' for students and faculty of all the HEIs across the nation is the main objective. In order to achieve this, full-fledged support of education institutions will be important. The roadmap suggested through this document is 'broad guidelines' and if required, these institutions may develop their own comprehensive guidelines and policy on innovation and startups with greater details. The institutes are expected to make use of already available infrastructure as much as possible to achieve the implementation of suggestive measures.

Glossary

Accelerators	Startup Accelerators design programs in batches and transform promising business ideas into reality under the guidance of mentors and several other available resources.
Angel Fund	An angel investor is a wealthy individual who invests his or her personal capital and shares experiences, contacts, and mentors (as possible and required by the startup in exchange for equity in that startup). Angels are usually accredited investors. Since their funds are involved, they are equally desirous in making the startup successful.
Cash flow management	Cash flow management is the process of tracking how much money is coming into and going out of your business.
Co-Creation	Co-creation is the act of creating together. When applied in business, it can be used as is an economic strategy to develop new business models, products and services with customers, clients, trading partner or other parts of the same enterprise or venture.
Compulsory Equity	An equity share, commonly referred to as ordinary share also, represents the form of fractional or part ownership in which a shareholder, as a fractional owner, undertakes the maximum entrepreneurial risk associated with a business venture. The holders of such shares are members of the company and have voting rights.
Corporate Social Responsibility	Corporate social responsibility (CSR) is a self-regulating business model that helps a company be socially accountable – to itself, its stakeholders, and the public.
Cross-disciplinary	Cross-disciplinary practices refer to teaching, learning, and scholarship activities that cut across disciplinary boundaries.
Entrepreneurial culture	A culture/ society that enhance the exhibition of the attributes, values, beliefs and behaviors that are related to entrepreneurs.
Entrepreneurial Individuals	An Individual who has an entrepreneurial mindset and wants to make his/her idea successful.
Entrepreneurship education	Entrepreneurship education seeks to provide students with the knowledge, skills and motivation to encourage entrepreneurial success in a variety of settings.
Experiential learning	Experiential learning is the process of learning through experience, and is more specifically defined as learning through reflection on doing.
Financial management	Financial Management is the application of general principles of management to the financial possessions of an enterprise.
Hackathon	A hackathon is a design sprint-like event in which computer programmers and others involved in software development, including graphic designers, interface designers, project managers, and others, often including domain experts, collaborate intensively on software projects.
Host Institution	Host institutions refer to well-known technology, management and R&D institutions working for developing startups and contributing towards developing a favorable entrepreneurial ecosystem.
Incubation	Incubation is a unique and highly flexible combination of business development processes, infrastructure and people, designed to nurture and grow new and small businesses by supporting them through the early stages of development.
Intellectual Property Rights Licensing	A licensing is a partnership between an intellectual property rights owner (licensor) and another who is authorized to use such rights (licensee) in exchange for an agreed payment (fee or royalty).

Knowledge Exchange	Knowledge exchange is a process which brings together academic staff, users of research and wider groups and communities to exchange ideas, evidence and expertise.
Pedagogy and Experiential Learning	It refers to specific methods and teaching practices (as an academic subject or theoretical concept) which would be applied for students working on startups. The experiential learning method will be used for teaching 'startup related concepts and contents' to introduce a positive influence on the thought processes of students. Courses like 'business idea generation' and 'soft skills for startups' would demand experiential learning rather than traditional class room lecturing. Business cases and teaching cases will be used to discuss practical business situations that can help students to arrive at a decision while facing business dilemma(s). Field based interactions with prospective customers; support institutions will also form a part of the pedagogy which will orient the students as they acquire field knowledge.
Pre-incubation	It typically represents the process which works with entrepreneurs who are in the very early stages of setting up their company. Usually, entrepreneurs come into such programs with just an idea of early prototype of their product or service. Such companies can graduate into full-fledged incubation programs.
Prototype	A prototype is an early sample, model, or release of a product built to test a concept or process.
Science parks	A science park, also known as a research park, technology park or innovation centre, is a purpose-built cluster of office spaces, labs, workrooms and meeting areas designed to support research and development in science and technology.
Seed fund	Seed fund is a form of securities offering in which an investor invests capital in a startup company in exchange for an equity stake in the company.
Special Purpose Vehicle	Special purpose vehicle, also called a special purpose entity, is a subsidiary created by a parent company to isolate financial risk. Its legal status as a separate company makes its obligations secure even if the parent company goes bankrupt.
Startup	An entity that develops a business model based on either product innovation or service innovation and makes it scalable, replicable and self-reliant and as defined in Gazette Notification No. G.S.R. 127(E) dated February 19, 2019.
Technology Business Incubator	Technology Business incubator (TBI) is an entity, which helps technology-based startup businesses with all the necessary resources/support that the startup needs to evolve and grow into a mature business.
Technology Commercialization	Technology commercialization is the process of transitioning technologies from the research lab to the marketplace.
Technology licensing	Agreement whereby an owner of a technological intellectual property (the licensor) allows another party (the licensee) to use, modify, and/or resell that property in exchange for a compensation.
Technology management	Technology management is the integrated planning, design, optimization, operation and control of technological products, processes and services.
Venture Capital	It is the most well-known form of start up funding. Venture Capitalists (VCs) typically reserve additional capital for follow-up investment rounds. Another huge value that VCs provide is access to their networks for employees or clients for products or services of the startup.

Acknowledgements

I thank Shri R. Subrahmanyam, Secretary, Higher Education, Ministry of Human Resource Development for this initiative and providing guidance throughout the process.

I want to thank all the members of committee on 'National Innovation and Startup Policy 2019' for students and faculty of higher education Institutions, specially Professor Ashok Jhunjunwala, for his valuable insights and recommendations to enable formulation of these guidelines for HEIs. I express my sincere thanks to University Grants Commission and All India Council of Technical Education, for offering all the required support. I sincerely appreciate the members of drafting team who worked for creating this guideline document and gave their inputs throughout its preparation.

Abhay Jere
Member Secretary,
'National Innovation and Startup Policy 2019' Committee

No. 111]

NEW DELHI, TUESDAY, FEBRUARY 19, 2019/MAGHA 30, 1940

वाणिज्य और उद्योग मंत्रालय

(उद्योग संवर्धन एवं आंतरिक व्यापार विभाग)

अधिसूचना

नई दिल्ली, 19 फरवरी, 2019

सा.का.नि. 127(अ).—यह अधिसूचना राजपत्र अधिसूचना सं. जीएसआर 34(अ) दिनांक 16 जनवरी, 2019 द्वारा संशोधित राजपत्र अधिसूचना सं. जीएसआर 364 (अ) दिनांक 11 अप्रैल, 2018 के अधिक्रमण में जारी की जा रही है।

परिभाषा

1. इस अधिसूचना में -

(क) किसी एनटिटी को निम्नानुसार स्टार्टअप माना जाएगा:

- (i) निगमीकरण/पंजीकरण की तारीख से दस वर्ष की अवधि तक, यदि यह भारत में एक प्राइवेट लिमिटेड कंपनी (कंपनी अधिनियम, 2013 में यथा परिभाषित) के रूप में निगमित हो अथवा एक भागीदार फर्म (भागीदार अधिनियम 1932 की धारा 59 के तहत पंजीकृत) के रूप में पंजीकृत हो अथवा एक सीमित देयता भागीदारी (सीमित देयता भागीदारी अधिनियम, 2008 के तहत) के रूप में पंजीकृत हो।
- (ii) निगमीकरण/पंजीकरण के समय से किसी भी वित्तीय वर्ष में एनटिटी का कुल कारोबार सौ करोड़ रुपये से अधिक न हो।
- (iii) यदि यह उत्पादों या प्रक्रियाओं या सेवाओं के अभिनवीकरण, विकास या सुधार के संबंध में कार्य कर रही है अथवा यह रोजगार सृजन या धन सृजन की उच्च संभावना वाला एक स्केलेबल व्यावसायिक मॉडल है।

पहले से ही मौजूद किसी व्यवसाय के विभाजन या उसके पुनर्निर्माण के माध्यम से बनायी गयी किसी एनटिटी को 'स्टार्टअप' नहीं माना जाएगा।

स्पष्टीकरण -

किसी एनटिटी को उसके निगमीकरण/पंजीकरण की तिथि से दस वर्ष पूरे होने पर अथवा किसी विगत वर्ष में उसका कारोबार सौ करोड़ रुपए से अधिक होने पर स्टार्टअप नहीं माना जाएगा।

(ख) "अधिनियम" का तात्पर्य आयकर अधिनियम, 1961 है;

(ग) "बोर्ड" का आशय है अंतर-मंत्रालयी प्रमाणन बोर्ड जिसमें निम्नलिखित सदस्य शामिल होंगे:-

- (i) संयुक्त सचिव, उद्योग संवर्धन तथा आंतरिक व्यापार विभाग, संयोजक
- (ii) प्रतिनिधि, जैव प्रौद्योगिकी विभाग, सदस्य
- (iii) प्रतिनिधि, विज्ञान एवं प्रौद्योगिकी विभाग, सदस्य

(घ) "सीबीडीटी" का अर्थ केन्द्रीय राजस्व बोर्ड अधिनियम, 1963 (1963 का 54) के अंतर्गत गठित केन्द्रीय प्रत्यक्ष कर बोर्ड है;

(ङ) "सीमित देयता भागीदारी" का अर्थ सीमित देयता भागीदारी अधिनियम, 2008 की धारा 2 की उप-धारा (1) के खंड (ढ) में दिए गए अनुसार होगा;

(च) "भागीदारी कंपनी" का अर्थ भागीदारी अधिनियम, 1932 की धारा 59 के तहत पंजीकृत कंपनी है;

(छ) "प्राइवेट लिमिटेड कंपनी" का अर्थ कंपनी अधिनियम, 2013 की धारा 2 के खंड (68) में दिए गए अनुसार होगा;

(ज) "कारोबार" का अर्थ कंपनी अधिनियम, 2013 की धारा 2 के खंड (91) में दिए गए अनुसार होगा;

(झ) इस अधिसूचना में "प्रपत्रों" के सभी संदर्भों को इसके परिशिष्ट-1 में दिए गए प्रपत्रों के संदर्भ के रूप में माना जाएगा।

(ञ) "डीपीआईआईटी" का आशय है उद्योग संवर्धन तथा आंतरिक व्यापार विभाग।

मान्यता

2. स्टार्टअप के रूप में पात्र एनटिटी की मान्यता संबंधी प्रक्रिया निम्नानुसार होगी:

- (i) स्टार्टअप द्वारा डीपीआईआईटी द्वारा स्थापित मोबाइल ऐप अथवा पोर्टल पर ऑनलाइन आवेदन किया जाएगा;
- (ii) आवेदन के साथ निम्नलिखित प्रस्तुत करना आवश्यक होगा-
 - (क) यथा वांछित निगमीकरण अथवा पंजीकरण प्रमाण-पत्र की प्रति, और
 - (ख) व्यवसाय के स्वरूप का व्यौरा जिसमें यह प्रमुखता से दर्शाया होगा कि वह उत्पादों या प्रक्रियाओं या सेवाओं के अभिनवीकरण, विकास या सुधार या रोजगार सृजन या धन सृजन के सन्दर्भ में अपनी स्केलेबिलिटी की दिशा में किस प्रकार कार्य कर रहा है।
- (iii) डीपीआईआईटी ऐसे दस्तावेज अथवा सूचना मांगे जाने तथा जांच करने के बाद, जैसा भी उचित समझे-
 - (क) पात्र एनटिटी को स्टार्टअप के रूप में मान्यता दे सकता है अथवा
 - (ख) कारण बताते हुए आवेदन को निरस्त कर सकता है।

अधिनियम की धारा 80-आईएसी के प्रयोजन हेतु प्रमाणन

3. एक स्टार्टअप जो एक प्राइवेट लिमिटेड कम्पनी है अथवा एक सीमित दायित्व वाली भागीदारी में है, और अधिनियम की धारा 80-आईएसी के स्पष्टीकरण के उपखण्ड (i) तथा उपखण्ड (ii) में निर्धारित शर्तों को पूरा करता है, अधिनियम की धारा 80-आईएसी के प्रयोजन हेतु प्रमाण-पत्र प्राप्त करने के लिए प्रपत्र-1 में उसमें उल्लिखित दस्तावेजों सहित बोर्ड को आवेदन कर सकता है और बोर्ड संबंधित दस्तावेजों अथवा सूचना मंगाने और आवश्यक जांच के पश्चात, यथाउपयुक्त पाए जाने पर-

- (i) अधिनियम की धारा 80-आईएसी के स्पष्टीकरण के खण्ड (ii) के उपखण्ड (ग) के सन्दर्भ में प्रमाणपत्र जारी कर सकता है; अथवा
- (ii) कारण बताते हुए आवेदन रद्द कर सकता है

अधिनियम की धारा 56 की उपधारा (2) के खण्ड (viiख) के प्रयोजन के संदर्भ में छूट

4. एक स्टार्टअप अधिनियम की धारा 56 की उपधारा (2) के खण्ड (viiख) के परंतुक के खण्ड (ii) के तहत अधिसूचना और तदनुसार उस खण्ड के प्रावधानों से छूट के लिए पात्र होगा, यदि वह निम्नलिखित शर्तों को पूरा करता है:-

- i. पैरा 2(iii)(क) के तहत अथवा इस विषय पर किसी पूर्ववर्ती अधिसूचना के अनुसार डीपीआईआईटी द्वारा मान्यता प्राप्त हो
- ii. शेयर जारी करने अथवा जारी करने का प्रस्ताव, यदि कोई हो, करने के पश्चात स्टार्टअप की कुल प्रदत्त शेयर पूंजी और शेयर प्रीमियम की कुल राशि पच्चीस करोड़ रुपये से अधिक न हो,

बशर्ते कि प्रदत्त शेयर पूंजी की कुल राशि की गणना करते हुए, निम्नलिखित व्यक्तियों में से किसी को जारी किए गए शेयरों के संबंध में प्रदत्त शेयर पूंजी और शेयर प्रीमियम को पच्चीस करोड़ रुपये की राशि में शामिल नहीं किया जाएगा-

(क) अनिवासी (नॉन रेजिडेंट); अथवा

(ख) वेंचर कैपिटल कम्पनी अथवा वेंचर कैपिटल फंड;

इसके अलावा, बशर्ते कि ऐसे स्टार्टअप द्वारा किसी विनिर्दिष्ट कम्पनी को शेयर जारी करने अथवा जारी करने का प्रस्ताव करने से प्राप्त लाभ पर भी छूट दी जाएगी तथा इसे पच्चीस करोड़ रुपये की कुल प्रदत्त शेयर पूंजी और शेयर प्रीमियम की समस्त राशि की गणना में शामिल नहीं किया जाएगा।

(iii) उसके द्वारा निम्नलिखित परिसम्पत्तियों में से किसी में निवेश न किया गया हो-

(क) स्टार्टअप द्वारा व्यवसाय के दौरान, स्टॉक करने के लिए अथवा किराए पर देने के लिए उपयोग करने के अलावा, किसी आवासीय मकान के रूप में भवन अथवा तत्संबंधी भूसंपत्ति;

(ख) व्यवसाय के दौरान, स्टॉक करने के लिए अथवा किराए पर देने के लिए उपयोग करने अथवा अपने व्यवसाय हेतु स्टार्टअप द्वारा उसका इस्तेमाल करने के अलावा, किसी गैर-आवासीय मकान के रूप में भूमि अथवा भवन अथवा दोनों;

(ग) ऋण अथवा अग्रिम, उन ऋणों अथवा अग्रिमों को छोड़कर जो स्टार्टअप द्वारा सामान्य व्यवसाय के लिए उपयोग किए गए हैं तथा जहां पर धन उधार देना, व्यवसाय का आवश्यक हिस्सा है;

(घ) किसी अन्य एनटिटी के लिए किया गया पूंजीगत योगदान;

(ङ) शेयर और प्रतिभूतियां;

(च) स्टार्टअप द्वारा प्लाइंग, हायरिंग, लीजिंग अथवा स्टॉक के लिए सामान्य व्यवसाय में उपयोग किए जाने वाले वाहनों के अलावा कोई मोटर वाहन, हवाई जहाज, यॉट अथवा परिवहन का कोई अन्य साधन जिसकी वास्तविक लागत 10 लाख रुपये से अधिक हो;

(छ) स्टार्टअप द्वारा सामान्य व्यवसाय में स्टॉक के रूप में इस्तेमाल किए जाने वालों के अलावा, आभूषण;

(ज) कोई अन्य परिसम्पत्ति, चाहे वह पूंजीगत परिसम्पत्ति हो अथवा अन्य, जो अधिनियम की धारा 56 की उप-धारा (2) के खण्ड (vii) की व्याख्या के खण्ड (घ) के उपखण्ड (iv) से (ix) में उल्लिखित प्रकृति की हो।

बशर्ते स्टार्टअप नवीनतम वित्तीय वर्ष के अंत, जिसमें शेयर प्रीमियम पर जारी किए जाते हैं, से सात वर्ष की अवधि के लिए उप-खंड (क) से (छ) में निर्दिष्ट किसी भी संपत्ति में निवेश नहीं करेगा;

स्पष्टीकरण- इस अनुच्छेद के प्रयोजनों के लिए, -

- (i) "निर्दिष्ट कंपनी" का अर्थ है एक ऐसी कंपनी जिसके शेयरों का सामान्यतः भारतीय प्रतिभूति और विनियम बोर्ड (शेयरों और अधिग्रहणों का पर्याप्त अधिग्रहण) विनियम, 2011 के अर्थ के भीतर कारोबार किया जाता है और जिसकी वित्तीय वर्ष की अंतिम तारीख से पहले शुद्ध मूल्य पूर्ववर्ती वर्ष जिसमें सौ करोड़ रुपये से अधिक के शेयर जारी किए जाते हैं या पूर्ववर्ती वित्तीय वर्ष का टर्नओवर जिसमें दो सौ पचास करोड़ रुपये से अधिक के शेयर जारी किए जाते हैं।
- (ii) अधिनियम की धारा 56 की उप धारा (2) के खंड (vii ख) के विवेचन में दिए गए अर्थ के अनुसार "वेंचर कैपिटल कंपनी" और "वेंचर कैपिटल फंड" के समान अर्थ होंगे।

घोषणा

5. पैरा 4 (i) और पैरा 4 (ii) में उल्लिखित शर्तों को पूरा करने वाले स्टार्टअप द्वारा डीपीआईआईटी को प्रपत्र 2 में विधिवत हस्ताक्षरित घोषणा दर्ज करनी होगी कि यह पैरा 4 में उल्लिखित शर्तों को पूरा करता है। ऐसी घोषणा प्राप्त होने पर, डीपीआईआईटी इसे सीबीडीटी को भेजेगा।

कार्य-क्षेत्र

6. पैरा 4 में उल्लिखित अधिसूचना, स्टार्टअप द्वारा अपने निगमन की तारीख से जारी किए गए शेयरों की तिथियां कुछ भी होने के बावजूद लागू होगी, उन जारी किए गए शेयरों को छोड़कर जिनके संबंध में अधिसूचना के जारी होने की तारीख से पहले अधिनियम के तहत किए गए एक आकलन आदेश में अधिनियम की धारा 56 (2) (viiख) के तहत अतिरिक्त शेयरों को शामिल किया गया है।

7. पैरा 4 में संदर्भित अधिसूचना, स्टार्टअप पर अधिनियम की धारा 56(2)(viiख) के प्रावधान लागू होने के संदर्भ में लागू होंगी तथा इस अधिनियम के अन्य प्रावधानों के लागू होने के संदर्भ में कोई छूट नहीं मिलेगी।

निरसन

8.(1) यदि यह पाया जाता है कि पैरा 3 के संदर्भ में किसी भी प्रमाण-पत्र को गलत जानकारी के आधार पर प्राप्त किया गया है, तो बोर्ड के पास ऐसे प्रमाण-पत्र या अनुमोदन को निरस्त करने का अधिकार होगा।

(2) जहां उप-पैरा (1) के तहत प्रमाण-पत्र या अनुमोदन रद्द कर दिया गया है, ऐसे प्रमाण-पत्र या अनुमोदन को बोर्ड द्वारा कभी भी जारी या मंजूर नहीं किया गया माना जाएगा।

9. यदि स्टार्टअप जो प्रपत्र-2 में घोषणा करता है, उस नवीनतम वित्त वर्ष के अंत से 7 वर्ष के समाप्त होने से पहले पैरा 4(iii) में विनिर्दिष्ट किसी आस्ति में निवेश करता है जिसमें प्रीमियम पर शेयर जारी हुए हैं तो अधिनियम की धारा 56(2)(viiख) के तहत प्रदत्त छूट को पूर्व प्रभाव से वापस ले लिया जाएगा।

प्रभाव

10. यह अधिसूचना सरकारी राजपत्र में प्रकाशन की तिथि से प्रभावी होगी। सरकार द्वारा दिनांक 31.03.2021 को अथवा उससे पूर्व इस अधिसूचना की समीक्षा की जाएगी।

MINISTRY OF COMMERCE AND INDUSTRY
(Department for Promotion of Industry and Internal Trade)

NOTIFICATION

New Delhi, the 19th February, 2019

G.S.R. 127(E).— This notification is being issued in supersession of the Gazette Notification No. G.S.R. 364(E) dated April 11, 2018 as modified vide Gazette Notification No. G.S.R. 34 (E) dated January 16, 2019.

Definitions

1. In this notification,—

(a) An entity shall be considered as a Startup:

- i. Upto a period of ten years from the date of incorporation/ registration, if it is incorporated as a private limited company (as defined in the Companies Act, 2013) or registered as a partnership firm (registered under section 59 of the Partnership Act, 1932) or a limited liability partnership (under the Limited Liability Partnership Act, 2008) in India.
- ii. Turnover of the entity for any of the financial years since incorporation/ registration has not exceeded one hundred crore rupees.
- iii. Entity is working towards innovation, development or improvement of products or processes or services, or if it is a scalable business model with a high potential of employment generation or wealth creation.

Provided that an entity formed by splitting up or reconstruction of an existing business shall not be considered a 'Startup'.

Explanation-

An entity shall cease to be a Startup on completion of ten years from the date of its incorporation/ registration or if its turnover for any previous year exceeds one hundred crore rupees.

(b) "Act" means the Income-tax Act, 1961;

- (c) “Board” means the Inter-Ministerial Board of Certification comprising of the following members:
- (i) Joint Secretary, Department of Promotion of Industry and Internal Trade, Convener
 - (ii) Representative of Department of Biotechnology, Member
 - (iii) Representative of Department of Science & Technology, Member
- (d) “CBDT” means Central Board of Direct Taxes constituted under the Central Boards of Revenue Act, 1963 (54 of 1963);
- (e) “limited liability partnership” shall have the meaning as assigned to it in clause (n) of sub-section(1) of Section 2 of the Limited Liability Partnership Act, 2008;
- (f) “partnership firm” means a firm registered under section 59 of the Partnership Act, 1932;
- (g) “private limited company” shall have the meaning as assigned to it in clause (68) Section 2 of the Companies Act, 2013;
- (i) “turnover” shall have the meaning as assigned to it in clause (91) Section 2 of the Companies Act, 2013;
- (j) All references to “Forms” in this notification shall be construed as references to the forms set out in Appendix-I hereto;
 - (k) “DPIIT” means Department for Promotion of Industry and Internal Trade.

Recognition

2. The process of recognition of an eligible entity as startup shall be as under: —
- (i) A Startup shall make an online application over the mobile app or portal set up by the DPIIT.
 - (ii) The application shall be accompanied by—
 - (a) a copy of Certificate of Incorporation or Registration, as the case may be, and
 - (b) a write-up about the nature of business highlighting how it is working towards innovation, development or improvement of products or processes or services, or its scalability in terms of employment generation or wealth creation.
 - (iii) The DPIIT may, after calling for such documents or information and making such enquires, as it may deem fit, —
 - (a) recognise the eligible entity as Startup; or
 - (b) reject the application by providing reasons.

Certification for the purposes of section 80-IAC of the Act

3. A Startup being a private limited company or limited liability partnership, which fulfils the conditions specified in sub-clause (i) and sub-clause (ii) of the Explanation to section 80-IAC of the Act, may, for obtaining a certificate for the purposes of section 80-IAC of the Act, make an application in Form-I along with documents specified therein to the Board and the Board may, after calling for such documents or information and making such enquires, as it may deem fit, —
- (i) grant the certificate referred to in sub-clause (c) of clause (ii) of the Explanation to section 80-IAC of the Act; or
 - (ii) reject the application by providing reasons.

Exemption for the purpose of clause (viib) of sub-section (2) of section 56 of the Act

4. A Startup shall be eligible for notification under clause (ii) of the proviso to clause (viib) of sub-section (2) of section 56 of the Act and consequent exemption from the provisions of that clause, if it fulfils the following conditions:

- (i) it has been recognised by DPIIT under para 2(iii)(a) or as per any earlier notification on the subject
- (ii) aggregate amount of paid up share capital and share premium of the startup after issue or proposed issue of share, if any, does not exceed, twenty five crore rupees:

Provided that in computing the aggregate amount of paid up share capital, the amount of paid up share capital and share premium of twenty five crore rupees in respect of shares issued to any of the following persons shall not be included—

- (a) a non-resident; or
- (b) a venture capital company or a venture capital fund;

Provided further that considerations received by such startup for shares issued or proposed to be issued to a specified company shall also be exempt and shall not be included in computing the aggregate amount of paid up share capital and share premium of twenty five crore rupees.

iii) It has not invested in any of the following assets,—

- (a) building or land appurtenant thereto, being a residential house, other than that used by the Startup for the purposes of renting or held by it as stock-in-trade, in the ordinary course of business;
- (b) land or building, or both, not being a residential house, other than that occupied by the Startup for its business or used by it for purposes of renting or held by it as stock-in-trade, in the ordinary course of business;
- (c) loans and advances, other than loans or advances extended in the ordinary course of business by the Startup where the lending of money is substantial part of its business;
- (d) capital contribution made to any other entity;
- (e) shares and securities;
- (f) a motor vehicle, aircraft, yacht or any other mode of transport, the actual cost of which exceeds ten lakh rupees, other than that held by the Startup for the purpose of plying, hiring, leasing or as stock-in-trade, in the ordinary course of business;
- (g) jewellery other than that held by the Startup as stock-in-trade in the ordinary course of business;
- (h) any other asset, whether in the nature of capital asset or otherwise, of the nature specified in sub-clauses (iv) to (ix) of clause (d) of Explanation to clause (vii) of sub-section (2) of section 56 of the Act.

Provided the Startup shall not invest in any of the assets specified in sub-clauses (a) to (h) for the period of seven years from the end of the latest financial year in which shares are issued at premium;

Explanation.— For the purposes of this paragraph,-

- (i) “specified company” means a company whose shares are frequently traded within the meaning of Securities and Exchange Board of India (Substantial Acquisition of Shares and Takeovers) Regulations, 2011 and whose net worth on the last date of financial year preceding the year in which shares are issued exceeds one hundred crore rupees or turnover for the financial year preceding the year in which shares are issued exceeds two hundred fifty crore rupees.

(ii) the expressions “venture capital company” and “venture capital fund” shall have the same meanings as respectively assigned to them in the explanation to clause (viib) of sub Section(2) of Section 56 of the Act.

Declaration

5. A startup fulfilling conditions mentioned in para 4 (i) and para 4 (ii) shall file duly signed declaration in Form 2 to DIPP that it fulfills the conditions mentioned in para 4. On receipt of such declaration, the DPIIT shall forward the same to the CBDT.

Scope

6. Notification referred in para 4 shall apply irrespective of the dates on which shares are issued by the Start up from the date of its incorporation, except for the shares issued in respect of which an addition under section 56(2)(viib) of the Act has been made in an assessment order made under the Act before the date of issue of the notification.

7. Notification referred to in para 4 shall be applicable only in respect of applicability of the provisions of section 56(2)(viib) of the Act to the Startup and shall not grant any exemption in respect of applicability of other provisions of the Act.

Revocation

8. (1) In case it is found that any certificate referred to para 3 has been obtained on the basis of false information, the Board reserves the right to revoke such certificate or approval.

(2) Where the certificate or approval has been revoked under sub-para (1), such certificate or approval shall be deemed never to have been issued or granted by the Board.

9. In case the Startup which has furnished declaration in Form-2 invests in any of the assets specified in para 4(iii) before the end of seven years from the end of the latest financial year in which the shares are issued at premium, the exemption provided under section 56(2)(viib) of the Act shall be revoked with retrospective effect.

Effect

10. This notification shall come into effect on the date of its publication in the Official Gazette. The Government will carry out a review of this notification on or before 31.03.2021.
