EXPRESSION OF INTEREST FOR HI-END EQUIPMENTS

1. Preamble

Central University of Punjab is inviting expression of interested from reputed manufacturers/ vendors /their authorized dealers / representatives in India for the supply, installation, commissioning and testing of hi-end equipment at the central facility and also provide operational and maintenance training on these equipment.

The purpose of this document is to provide details of the tentative requirements for the instruments under EOI. The specifications for instruments will be finalized only after the presentations of the interested suppliers who participate in this EOI.

Participation in this EOI does not mean the University will purchase the instrument. University reserves the right to not to purchase the instrument or may re-advertise for the purchase.

2. Scope of Work under Expression of Interest

The scope of this EOI is to finalise the specifications of the instrument as per our requirements, availability of funds etc. and identify potential original suppliers for the below mentioned equipment who have successfully executed similar jobs in reputed universities, IITs and R&D institutions. The vendors must qualify as per the eligibility criteria mentioned in Section-5 of this document.

1. Ion Chromatograph
2. Continues ambient air monitoring system
3. TOC analyzer

3. Required Test Facilities

The individual instrument / equipment system should be tested and proved for its specifications and features using suitable standards as per norms and conditions laid down by the Central University of Punjab to the satisfaction of the user.

4. Schedule and Duration of Work

The expected period for delivery of the equipment will be less than 3months from the date of placing purchase order and 1 month thereafter for completing the installation in all respects. The duration mentioned and agreed upon is required to be followed by the supplier in a strict manner. Any delay in the process will attract penalty to be paid by the supplier.

5. Eligibility Criteria

Technical Requirement:

- The vendor should have proven track records of supplying adequate number of similar Hi-end equipment to reputed governmental institutions including universities, IITs and R&D institutions within the past three years.
- The vendor shall have in-house or access to equipment facilities similar to that is to be supplied and should be able to arrange for site visits for carrying out testing on standards and

samples to verify the technical specifications and performance of the equipment by a committee constituted for this purpose by the Central University of Punjab.

- The vendor should have adequately factory trained and skilled manpower to carry out the installation, commissioning, testing and application support with regard to the equipment supplied.
- The vendor should have factory trained and skilled manpower for periodic maintenance and prompt service support for breakdown calls in India, preferably, at a close location to Central University of Punjab.
- The vendor should give training in routine operation and maintenance of the equipment / facilities to personnel of Central University of Punjab.

6. Process to be followed:

The suppliers who will participate in the EOI will be called for the technical presentation of their instrument.

Specifications of the instrument will be made based on our requirements, budget available, suitability, quality etc.

Further, purchase process as per University guidelines will be followed.

7. Standard conditions

1. Annexure – I-III should be filled, duly signed and submitted along with all the valid supporting documents for submitting the EOI.
2. The EOI shall be submitted along with a covering letter of Expression of Interest, Vendor Information Form as contained in Annexure-I duly filled with the requested information / responses as per this EOI with all accompanying documents duly signed by personnel authorized by the interested parties. The designation and authority of the signatory shall be stated.
3. Proof of attachment will be considered only if the documents are found valid with respect to the requirements specified in various sections of this EOI.
4. Those who do not meet with the eligibility criteria need not submit EOI.
5. The Registrar, Central University of Punjab reserves the right to accept or reject any response in full or part thereof without assigning any reason thereof.
6. Request for the extension of due date will not be considered.
7. Late / Delayed proposals will not be accepted.

APPLICATION FORM
To be Filled Completely and Signed

1. Contact details of the head office of proposing firm:
 - a. Name-
 - b. Address-
 - c. Tel. No.-
 - d. Fax -
 - e. Email -
 - f. Web site (If any)

2. Name and full address of local office of proposing firm nearest to Bathinda:
 - a. Name-
 - b. Address-
 - c. Tel. No.-
 - d. Fax -
 - e. Email -
 - f. Web site (If any)

3. Name and full address of manufacturer:
 - a. Name-
 - b. Address-
 - c. Tel. No.-
 - d. Fax -
 - e. Email -
 - f. Web site (If any)

4. Name of advising bank and account number:

5. SWIFT Code:

6. PAN and TAN Number:

7. Manufacturing type (tick mark):
 - i. Import
 - ii. Indigenous
 - iii. Both

8. Country(s) of origin:

9. Any other relevant information:

Vendor's Performance Details

Sl. No.	List of information to be furnished with documentary proof to determine the eligibility of the vendor	Prospective Vendor's Response	Proof of documents attached
1	Total number of installations of similar equipment facility in India installed during past three years. Give contact details of person in-charge of the equipment along with email and telephone numbers		
2	Total number of installations of similar equipment facility in abroad installed during past three years. Give contact details of person in-charge of the equipment along with email and telephone numbers		
3	Time taken for supply of equipment/facilities in the past two years in India. Attach necessary proof.		
4	Time taken for installation and commissioning of equipment/facilities in the past two years in India. Attach necessary proof.		
5	Factory trained service engineers available in India		
6	Normal time taken to attend to service request or to solve problems with equipment		
7	Access to the equipment similar to that is to be supplied for carrying out testing on standards and samples to verify the technical specifications and performance by a committee constituted by the Central University of Punjab, Bathinda		
8	Comprehensive warranty for three years to be provided		
9	Support for site preparation, supply of standards and calibration material and other accessories for installation and operation of the equipment facility.		
10	Customer satisfaction reports on equipment supplied during past three years
