

Central Instrumentation Laboratory, Central University of Punjab in collaboration with Klorofil Scientific, cordially invite you to attend

One Day Workshop  
on

**"Water Quality and Filtration Practices in Laboratory"**

**26<sup>th</sup> September, 2019**

**at the Central University of Punjab, City Campus, Mansa Road, Bathinda – 151001 (PB)**

The workshop will focus upon the water quality in laboratory use for various analytical procedures and instruments. Apart from this, it would bring out the essential quality of filtration systems to be used in an analytical procedures including GC/LC-MS, ICP-MS and Atomic Absorption Spectroscopy. However the workshop would also bring out the newer analytical technique of NIR and its application in various research activities and analytical quality control.

Activity	Time
<b>26<sup>th</sup> September, 2019</b>	
Registration	09:00 AM – 09:30 AM
Inauguration:	09:30 AM – 10:00 AM
Lecture on Water Purification (Theory Session)- Mr. Sudhir Kant (Klorofil Scientific India)	10:00 AM – 11:30 AM
Tea	11:30 AM – 11:45 AM
Near Infrared Techniques (Theory Session) – Mr. Shailender Kumar (FOSS India Pvt Ltd)	11:45 AM – 01:00 PM
Lunch Time	01:00 PM – 02:00 PM
Demonstration of Water Purification System and NIR	02:00 PM – 03:30 PM
Valedictory Function and Certificate Distribution	03:30 PM – 03:45 PM

**Registration Fee: There is no registration fee (Registration only first cum first serve basis)**

**Note: -**

- Registration will be done on the spot on 26<sup>th</sup> September, 2019 between 09:00 a.m. to 09:30 a.m.
- Seats are limited to 60-65.
- Eligibility: - Research Scholar/Faculty/Industrial fellow/Master's students.
- The registration includes participation kit, tea, lunch and participation certificate.
