Dear Members of School Board,

This is in reference to UGC's recent instruction to add teaching assignment as a part of Course Work Structure for Ph.D. Students. Since the Central University of Punjab follows uniform pattern across the schools and departments, it has been instructed to us to add two credits course and reduce the credits to 14 Credits.

So please find attached herewith two files- one previous course structure of 17 Credits and second is the new course courstructure of 14 credits approved by the BoS for your kind consideration.

Warm regards,
