

Department of Pharmacology

Ref: CUPB/DP/20/118/b

Date: 06/20/2020

Subject: Regarding 1st meeting of Curriculum Design and Development Committee.

1st meeting of Curriculum Design and Development Committee (CDDC) of department of pharmacology was held on 05th Feb 2020 and following points were discussed:

Agenda 1: To review and recommend the syllabus of M. Pharmacology and Ph.D. programs.

Resolution: The committee reviewed and recommended the syllabi for putting it in the forthcoming Board of Studies meeting for further recommendations and approval.

Agenda 2: Regarding inclusion of MOOC course in M. Pharmacology.

Resolution: The committee recommended that students may opt for two Inter Disciplinary Courses of 02 credits each or one MOOC course of 04 credits in first two semesters in M. Pharm (In principle approved by Competent Authority).

Further, the faculty of the Department will offer an Inter disciplinary Course of 02 credits and the syllabus for same were prepared and put in next Board of studies for recommendation and approval. Further, students are suggested to opt any of the MOOC course of 04 Credits from list of MOOCs Course for SWAYAM, as approved in 34th Meeting of Executive Council of the University:

Academic Writing (Sr. No. 1 in UGC approved MOOC course List)

Analytical Techniques (Sr. No. 2 in UGC approved MOOC course List)

Applied Multivariate Analysis (Sr. No. 4 in UGC approved MOOC course List)

Biostatistics and Mathematical Biology (Sr. No. 6 in UGC approved MOOC course List)

Research Ethics (Sr. No. 32 in UGC approved MOOC course List)

Solid and Hazardous Waste Management (Sr. No. 37 in UGC approved MOOC course List)

Agenda 3: Regarding award of marks instead of grades in M. Pharm. Dissertation in order to comply it with PCI regulations for syllabi.

Resolution: The committee recommended awarding marks instead of grades w.e.f. session 2020-21 onwards in case of M. Pharm. Dissertation.

Agenda 4: Regarding inclusion of Value Added Course (VAC) in M. Pharm.

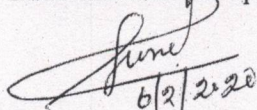

Resolution: The committee recommended inclusion of one Value Added Course in M. Pharm. IIIrd and IVth Semester each (01 Credit each) in practical mode (02 hours/week; 01 Credit each) as per University guidelines for Value Added Courses (Notification no. CUPB/CC/COE/19/471) dated 31/07/2019 and letter no. CUPB/CC/20/2157 dated 29-01-2020.

Agenda 5: Regarding inclusion of a course on "Research and Publication Ethics" in pre-Ph.D. registration course work

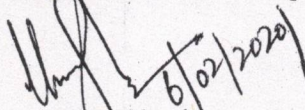

Resolution: The committee recommended the inclusion of a course on "Research and Publication Ethics" (30 hours) in pre-Ph.D. registration course work from session 2020-21 as per directions of UGC. The course contains two sections i.e. Theory and Practice of 15 hours each. Since Theory portion deals with general aspects of Philosophy and Ethics, Scientific Conduct and Publication Ethics which are common to students of all Science disciplines, hence may be taught jointly at University level. However, Practice section is discipline specific and should be taught at respective Department level.

Agenda 6: Inclusion of name of new faculty member, Dr. Debpriya Garabadu in CDDC

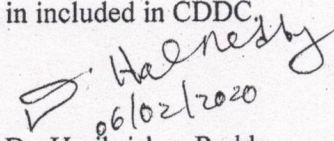

Resolution: Dr. Debpriya Garabadu joined as Assistant Professor in department so his name is included in CDDC.
