

# WORKSHOP & SPECIAL LECTURES

on

## *“GIS and Its Applications: Recent Trends in Geography and Geology”*

15<sup>th</sup> – 19<sup>th</sup> February 2016

Venue: Central University of Punjab, Bathinda

One week workshop on GIS (Geographical Information System) was organised by Centre for Geography and Geology that served as an introduction to tools and techniques of remote sensing and map digitization. The participants were given hands on practical exercises from an open source software. Total 33 participants, (MA/MSc/MTech: 14, MPhil/PhD: 15, Faculty/Staff: 4) joined the course with much enthusiasm. The workshop was initiated as GIS have become very much important in research. Notwithstanding the need in Ph.D. research programme, it has become inevitable for Masters' students as well.

Special lecture was a part of the workshop that served an integral tools in strengthen the theoretical understanding into the recent trend related to geography and geology. Prof D.K. Nayak, NEHU, Shillong and Prof. R. Patnaik, PU, Chandigarh were speakers in the programme. The special lecture was attended by various dignitaries, students from various centres.
