Declaration

I hereby affirm that our institution is fully aware of the guidelines and advisory issued by NIRF on 15th September 2025, and we are in complete compliance with the same. Before publishing any advertisement or banner—whether in print, digital media, or on our official website—the following points have been duly observed:

1. Only the current year's rankings have been displayed across all disciplines.
2. The appropriate category and exact rank, as published by NIRF, have been clearly mentioned. No bifurcation of ranks at the state or district level has been made.
3. No self-defined categories such as "private," "government," "self-financing," or "not-for-profit" have been created or used for ranking purposes.
4. The NIRF logo has not been used in any publicity material, advertisements, branding, or promotional content.
5. Institutions falling under a Rank Band have only highlighted the band, without assigning or implying a specific rank.

I understand and accept that any deviation from these guidelines may result in disciplinary action, including disqualification from future participation in the India Rankings exercise.
