### Report of Faculty Induction cum Interaction Programme

A faculty induction cum interaction programme was held on June 4, 2026 at 11:00 AM under the Chairmanship of Hon'ble Vice Chancellor, for the newly joined faculty to help them to understand University system and to familiarize them with the structure, functioning of the institution and professional expectations. This programme was conducted for 35 newly joined faculty members who attended this programme. The event started with formal introduction of the faculty followed by welcome address by Hon'ble Vice-Chancellor Prof. Raghavendra Prasad Tiwari. Welcoming the faculty members to the CU Punjab family, Prof. Tiwari emphasized that today's classrooms are home to learners with diverse backgrounds, abilities, and aspirations. He encouraged the faculty to adopt inclusive teaching practices and create learning environments where every student feels valued and empowered. The Vice-Chancellor urged the faculty members to remain lifelong learners themselves, highlighting that teaching and learning are inseparable processes. He stressed the importance of continuous self-improvement, innovation in pedagogy, meaningful research, and a commitment to excellence in all academic pursuits. Prof. Tiwari also reminded the faculty that universities have a larger responsibility—to nurture responsible citizens, preserve cultural values, and contribute to the nation's development through knowledge creation and dissemination.

Followed by the welcome address by HVC, Prof. Ramakrishna Wusirika, Dean Incharge Academics, introduced the newly joined faculty to the academic system of the University. Prof. Raj Kumar Incharge Director, R&D informed the faculty about RSM, faculty awards and the procedure to submit the extramural grants. Prof. Amandeep Kaur informed the faculty about official username and email ID and updated them regarding other IT related issues.
