3.0 STANDARD OF PERFORMANCE

The Contractor shall perform the services and carry out their obligations hereunder with all due diligence, efficiency and economy, in accordance with generally accepted professional techniques and practices, and shall observe sound management practices, and consider appropriate advanced technology and safe and effective equipment, machinery, materials and methods. The Contractor shall always act, in respect of any matter relating to this Contract or to the Services, as faithful advisors to the CUPB, and shall at all times support and safeguard the CUPB's legitimate interests in any dealings with third parties. The Contractor shall also suggest and recommend remedial measures for timely completion of the work.

4.0 LAW GOVERNING SERVICES

The Contractor shall perform the services in accordance with the Applicable Law and shall take all practicable steps to ensure that the personnel and agents of the Contractor comply with the Applicable Law. If required the Engineer-in-Charge, CUPB shall advise the Contractor in writing of relevant local customs and the Contractor shall, after such notifications, respect such customs.

5.0 LIABILITY OF THE CONTRACTOR

Subject to additional provisions, the Contractor's liability under this contract shall be as provided by the Applicable Law:

- A. Except in case of gross negligence or willful misconduct on the part of the Contractor or on the part of any person or firm acting on behalf of the Contractor in carrying out the services, the Contractor with respect to damage caused by the Contractor to the CUPB, shall not be liable to the CUPB:

- (i) For any indirect or consequential loss or damage; and
 - (ii) For any direct loss or damage that exceeds:
 - a). The total payments for the work done or expected to be made to the Contractor hereunder, or
 - b) The proceeds the Contractor may be entitled to receive from any insurance maintained by the Contractor to cover such a liability, whichever of (A) or (B) is higher.
- B. This limitation of liability shall not affect the Contractor's liability, if any, for damage to third parties caused by the Contractor or any person or firm acting on behalf of the Contractor in carrying out the work.

6.0 RATES TO INCLUDE ALL TAXES

6.1 Rates quoted by the Contractor will include GST, Building and other Construction Workers Welfare Cess or any other tax or Cess in respect of this contract and CUPB shall not entertain any claim whatsoever in this respect except as provided in this document.

6.2 All tendered rates shall be inclusive of all levies payable under respective statutes & GST as mentioned in 6.1. However, if any new tax or levy or cess or increase/decrease in existing tax is imposed by Statute, after the last stipulated date for the receipt of the bids including extensions if any and the Contractor thereupon necessarily and properly pays such taxes/levies/cess, the Contractor shall be reimbursed the amount so paid, provided such payments, if any, is not, in the opinion of Engineer-in-Charge, CUPB (whose decision shall be final and binding on the Contractor) attributable to delay in execution of work within the control of the Contractor.

6.3 The Contractor shall, within a period of 30 days of the imposition of any such new tax or levy or cess, give a written notice thereof to the Registrar, CUPB that the same is given pursuant to this condition, together with all necessary information relating thereto.

6.4 The Contractor shall keep necessary books of accounts and other documents for the purpose of this condition as may be necessary and shall allow inspection of the same by a duly authorized representative of the Govt. and /or the Registrar, CUPB and shall also furnish such other information/document as the Registrar, CUPB may require from time to time.

7.0 CONTRACTOR TO PROVIDE EVERYTHING NECESSARY

- (a) The Contractor shall provide at his own cost all materials, (except such materials, if any as may in accordance with the Contract be supplied by the Employer) plants, tools, appliances, implements, ladders, scaffolding, temporary works, etc. requisite or proper for the execution of the work whether original, altered or substituted and whether included in the specifications or other documents forming part of the Contract or which may be necessary for carrying out the work and for the purpose of satisfying or complying to the requirements of the Engineer-in-Charge, as to any manner as to which under these conditions he is entitled to be satisfied together with carriage thereof to and from the work. The Contractor shall also supply without charge the requisite number of persons with means and materials necessary for the purpose of carrying out works and counting, weighing and assisting in the measurement or examination at any time and from time to time of the work or materials. Failing his so doing, the same may be provided by the Engineer-in-Charge at the expense of the Contractor and the expenses shall be deducted from any money due to the Contractor under the Contract and/or from his security deposit.

- (b) The Contractor shall provide himself with requisite quantity and quality of water for carrying out the works at his own cost. If, however, piped water is supplied by the CUPB, the Contractor shall pay for the water at one percent of the total cost of the work done except on electrical work, air-conditioning work and furniture work. The water used in construction shall be confirming to the IS norms. The Contractor shall make his own arrangement for water connection and lying of further pipelines from the source of supply of the Employer (if used). It should be clearly understood that the Employer does not guarantee to maintain uninterrupted supply of water and it will be incumbent on the part of the Contractor to make alternative arrangement of water at his own cost in the event of any temporary breakdown in the water mains so that the progress of work is not held up for want of water. No claim of damages or - refund of water charges will be entertained on account of such break downs. However, if the Contractor is permitted to make his own arrangement to draw water from a well, hand pump, or a natural river or a pond of the Employer, no charges will be made for the water drawn from the same, but the Contractor will make good any damage done to the installations. The Contractor shall ensure that the quality of water used in the work conforms to BIS codes and provide for any treatment at his own cost.
- (c) The Contractor may be allowed to construct temporary bore wells in Employer's land for taking water for construction purposes only after he has got permission of the Employer in writing and after he obtains approval of statutory authorities and if at any stage, any penalty is imposed by local authority due to drawing earth, the same would be liability of contractor not CUPB. No charges shall be recovered from the Contractor on this account but the Contractor shall be required to provide necessary safety arrangement to avoid any accident or damage to adjacent buildings, roads and service lines. He shall be responsible for any accident or damage caused due to construction and subsequent maintenance of the bore wells and shall restore the ground to its original condition after the bore wells are dismantled on completion of the work.
- (d) Subject to availability the Employer may supply electric power at only one point from where the Contractor shall make his own arrangement for distribution including provision of electric meters, switches, fuses etc. at his own cost. These shall be in the custody of the Engineer-in-Charge. If there is any hindrance caused to other works the Contractor shall reroute or remove such temporary lines without any extra cost. Such temporary lines shall be removed after the completion of work. The cost of electric power consumed by the Contractor shall be payable to the Employer at rates fixed by the Employer, which would be deducted from the running account bills. However, CUPB does not guarantee the supply of electric power and no compensation for any failure or short supply of electric power shall be entertained.

8.0 PROVIDING OF MATERIALS

- (a) The Contractor shall, at his own expense, provide all materials, required for works other than those which are stipulated to be supplied by the Employer. All such materials shall be in conformity with specifications laid down or referred to in the Contract. The Contractor shall, if required by the Engineer, furnish proof, to the satisfaction of the Engineer that the materials comply with specifications. The Contractor shall at his own expense and without delay supply to

the Engineer samples of material to be used on the work. If required, the Contractor shall forthwith arrange to supply to the Engineer fresh samples complying with the specifications laid down in the Contract. When materials are required to be tested in accordance with specifications, approval of the Engineer shall be obtained after the test results are received. The Contractor shall not be eligible for any claim or compensation either arising out of any delay in the work or due to any corrective measures required to be taken on account of and as a result of testing of materials.

- (b) Description of materials, issue rate and place of delivery of the materials of the Request for Proposal shall be issued by the Employer and the Contractor shall procure such materials for the Employer as are from time to time required to be used by him for the purpose of the Contract only and the value of the materials incorporated in the work shall be deducted from any sums due to the Contractor under the Contract. All materials so supplied to the Contractor by the Employer shall remain the property of the Employer and the Contractor shall be the trustee of the materials so supplied and these shall not be removed from the site of the work on any account and shall be at all times open for inspection by the Engineer. The Contractor shall bear all incidental charges for cartage, storage and safe custody of the materials and against damage due to dampness, rain, sun, fire and theft. Any such material unused and in perfectly good condition in the opinion of the Employer on completion of work or termination of the Contract, or earlier shall be returned to the Employer at a place directed by the Engineer at the Contractor's cost and at rates stipulated in the Request for Proposal but in case the Employer decides not to take back the materials, the Contractor shall have no claim on account of any such materials supplied to him as aforesaid being unused by him or for any wastage or damage to any such materials.

If for any reason there is delay or non-supply of materials of the Request for proposal, the Contractor shall procure the same and complete the work in time after due intimation and approval of the Employer. The difference in price between his procurement price and price specified shall be paid to the Contractor.

- (c) After completion of the work or on determination /termination/foreclosure of the Contract, or at any intermediate stage in the event of non-reconciliation of materials issued/received, consumed and in balance, the theoretical quantity of cement to be used in work shall be calculated on the basis of a statement showing the quantity of cement to be used in different items of work provided in the schedule for the purpose printed by CPWD. In case any item is executed for which the standard constants for the consumption of cement are not available in

the above mentioned schedule, or cannot be derived from this schedule, the same shall be calculated on the basis of a standard formula to be laid down by the Engineer. Over this theoretical quantity of cement shall be allowed a variation up to 2% plus/ minus. In the case the cement for the work is arranged by the Employer and if the difference in the quantity actually issued to the Contractor and the theoretical quantity including authorized variation on the plus side, if not returned by the Contractor shall be recovered at one and a half times the issue rate plus cost of cartage to site. In the event of it being discovered that the quantity of cement used is less than the quantity ascertained as hereinbefore provided (allowing variation on minus side as stipulated above), the cost of quantity of cement not so used, shall be recovered from the Contractor at the issue rate plus cost of cartage to site in the case the cement has been arranged by the Employer and at the market rate plus cost of cartage to site in the case the cement has been arranged by the Contractor.

- (d) The provision, of foregoing sub-clause shall apply Mutatis-Mutandis in the case of steel reinforcement or structural steel sections (each diameter/section or category shall be considered separately) except that the theoretical quantity of the steel shall be taken as the quantity required as per design or as authorized by the Engineer, including lappages, plus 3% wastage due to cutting into pieces. Over this theoretical quantity 2% Plus/minus shall be allowed as variation due to wastage
- (e) For any other material, the provision pertaining to working out the theoretical quantity and other aspects stated in sub-clause (c) shall be as per actual requirements.

9.0 TESTING OF MATERIALS

The contractor should carry out all the mandatory testing required during the execution of work. The Contractor shall also provide assistance, instruments, materials, labour and any other arrangement required for testing and checking of materials and workmanship as stipulated in the specifications and as required by statutory authorities at his own cost. CUPB has the right to appoint the testing authorities. The Contractor shall pay for the cost of test samples, its packing, transportation and testing fees. Failing in doing so, the same shall be provided by the Engineer-in-Charge at the expense of the Contractor.

The Contractor shall also arrange and provide the testing of materials at his manufacturing facility in the presence of CUPB officials as directed by Engineer-in-Charge.

10.0 ALTERATIONS, SUBSTITUTIONS, DEVIATIONS etc. AND PRICING

As per prevailing/latest CPWD norms.

11.0 Carrying out Part Work at Risk and Cost of Contractor.

If the Contractor:

- 11.1 At any time makes default during currency of the contract or does not execute any part of the scope of work with due diligence and continues to do so even after a notice in writing of 7 days in this respect from the Engineer-in-Charge;
or
- 11.2 Commits default in complying with any of the terms and condition of the contract and does not remedy it or takes effective steps to remedy it within 7 days even after a notice in writing is given in that behalf by the Engineer-in-Charge; or
- 11.3 Fails to complete the scope of work(s) or items of scope of work with individual dates of completion, on or before the date(s) so determined, and does not complete them within the period specified in the notice given in writing in that behalf by the Engineer-in-Charge.

The Engineer-in-Charge without invoking action under any other clause of the contract may, without prejudice to any other right or remedy against the Contractor which have either accrued or accrue thereafter to CUPB, by a notice in writing to take the part work / part incomplete work of any item(s) in the scope of work out of the Contractor's hands and shall have powers to:

- (a) Take possession of all the drawings, documents etc., thereon and/or
- (b) Carry out the part work / part incomplete work of any item(s) by any means at the risk and cost of the Contractor.

The Engineer-in-Charge shall determine the amount, if any, that is recoverable from the Contractor for completion of the part work/ part incomplete work of any item(s) taken out of his hands and execute at the risk and cost of the Contractor. The liability of Contractor on account of loss or damage suffered by CUPB because of action under this clause shall not exceed the tendered cost of the Contractor.

The certificate of the Engineer-in-Charge as to the value of work done shall be final and conclusive against the Contractor provided always that action under this clause shall only be taken after giving notice in writing to the Contractor. Provided also that if the expenses incurred by the CUPB are less than the amount payable to the Contractor as determined by the Engineer-in-Charge for the work in question, the difference shall not be payable to the Contractor.

Any excess expenditure incurred or to be incurred by CUPB in completing the part work/ part incomplete work of any item(s) or the excess loss of damages suffered or may be suffered by the CUPB as aforesaid after allowing such credit shall without prejudice to any other right or remedy available to CUPB in law or per as agreement be recovered from any money due to the Contractor on any account, and if such money is insufficient, the Contractor shall be called upon in writing and shall be liable to pay the same within 30 days.

In the event of above course being adopted by the Engineer-in-Charge, the Contractor shall have no claim to compensation for any loss sustained by him by reason of his having purchased or procured any materials or entered into any engagements or made any advance on any account or with a view to the execution of the work or the performance of the Contractor.

12.0 FAULTY MATERIALS, WORKMANSHIP, DEFECTS DURING DEFECT LIABILITY PERIOD

- (a) If it shall appear to the Employer or Engineer-in-Charge or other officers of the Employer's organization or officers of any organization engaged by the Employer for quality assurance or officers of the Chief Technical Examiner's Organization that materials brought to the site are not in accordance with the specifications or any work has been executed with unsound, imperfect, or unskillful workmanship or with materials of any inferior description or that any materials or articles provided for the execution of the work are unsound or of a quality inferior to that Contracted for or otherwise not in accordance with the Contract, or if any defects, shrinkage or other faults which may have appeared during the period of execution of work or further within the defects liability period which shall be twelve months except the provision in sub-clause (c) mentioned below from the date of completion, the Contractor shall on demand in writing which shall be made during the period of execution of work or until expiration of the defect liability period from the Engineer specifying the work, materials, articles, defects or other faults complained of notwithstanding that the same may have been passed, certified and paid for, forthwith rectify, or remove and reconstruct the work so specified in whole or in part, as the case may require or as the case may be, remove the materials or articles so specified and provide other proper and suitable materials or articles at his own cost. In case of any such failure, the Engineer may rectify or remove or re-execute the work or remove and replace with other materials or articles as the case may be at the risk and cost of the Contractor. Provided always, that nothing, in this clause shall relieve the Contractor from his liability to execute the works in all respects in accordance with the terms and conditions of the Contract, or from his liability to make good all defects.
- (b) In lieu of rectifying the work not done in accordance with the Contract, the Employer may allow such work to remain and in that case make allowance for the difference in value, together with such further reduction as in his opinion may be reasonable.
- (c) Provided that the provision of defects liability period in term of sub-clause (a) shall not be applicable in case of maintenance and operations Contracts /maintenance Contracts / maintenance works.

13.0 FORECLOSURE/ PART FORECLOSURE

- 13.1 If at any time after acceptance of the tender, Engineer-in-Charge shall decide to abandon or reduce the scope of the works for any reason whatsoever and hence not require the whole or any part of the works to be carried out, the Engineer-in-Charge shall give notice in writing to that effect to the Contractor by not less than Fifteen (15) days the Contractor shall act accordingly in the matter. The Contractor shall have no claim to any payment of compensation or otherwise

whatsoever, on account of any profit or advantage which he might have derived from the execution of the works in full but which he did not derive in consequence of the foreclosure of the whole or part of the works.

- 13.2 Upon termination of this contract, the Contractor shall take necessary steps to bring the work to a close in a prompt orderly manner and shall handover all the executed works by the Contractor up to and including the date of termination to the Engineer-in-Charge.

The Contractor shall be duly paid for the works carried out and services rendered till the date of termination.

14.0 CERTIFICATES AND PAYMENTS

- 14.1 All measurements shall be taken jointly by the Engineer-in-Charge or his authorized representative and by the Contractor or his authorized representative from time to time during the progress of the work and such measurements shall be signed by the Engineer-in-Charge and the Contractor or their representatives in token of its acceptance. If the Contractor objects to any measurements recorded, a note shall be made to that effect with reason and signed by both the parties.

If for any reason the Contractor or his authorized representative is not available and the work of recording measurements is suspended, the Engineer-in-Charge shall not entertain any claim from the Contractor for any loss or damage on this account. If the Contractor or his authorized representative does not remain present at the time of such measurements after the Contractor or his authorized representative has been given a notice in writing of three days or fails to countersign or to record objection within a week from the date of the measurements, then such measurements recorded in his absence by the Engineer-in-Charge or his representative shall be deemed to have been accepted by the Contractor.

The Contractor shall, without extra charge, provide all assistance with every appliance, labour and other things necessary for measurements.

The Contractor shall give, not less than seven days' notice to the Engineer-in-Charge and shall obtain his consent in writing, before covering up or otherwise placing beyond the reach of measurement any work in order that the same may be measured and correct dimensions thereof be taken and the Engineer-in-Charge shall within the aforesaid period of seven days inspect the work, and if any work shall be covered up or placed beyond the reach of measurements without such notice having been given or the Engineer's consent being obtained in writing, the same shall be uncovered at the Contractor's expense, or in default thereof no payment or allowance shall be made for such work or the materials with which the same was executed.

The Engineer-in-Charge may cause either himself or through another officer to check the measurements recorded jointly or otherwise as aforesaid and all provisions stipulated hereinabove shall be applicable to such checking of measurements.

- 14.2 The certificate of the Engineer-in-charge, to the sum payable, shall be final and conclusive against the Contractor. The Contractor shall submit bills on the printed bill form, obtainable from the Engineer, for the work done on the basis of measurements recorded as per sub clause 14.1 above. If the Contractor doesn't submit the bill within the time fixed as aforesaid, the Engineer may cause action to prepare the bill from such measurements. All such intermediate payments shall be regarded as payments by way of advance against the final payment only and not as payments for work actually done and completed and shall not preclude the requiring of bad, unsound, imperfect or unskilled work to be removed and taken away and reconstructed, or re-erected or be considered as an admission of the due performance of the Contract or any part thereof in any respect or the accruing of any claim nor shall it conclude, determine, or affect in any way the powers of the Employer and Engineer under any of the conditions as to the final settlement and adjustment of the accounts or in any other way vary or affect the Contract.
- 14.3 The rates in the bills shall always be entered at the rates specified in the Agreement or in the case of any extra work ordered in pursuance of these conditions and not mentioned or provided for in the Agreement at the rates determined as per Clause 10. However, in case of partially executed items of work, the Engineer at his discretion may allow part rates for such items of work whose decision or the rates so payable shall be final and conclusive. In the case of maintenance and operations Contract, the running payments based on detailed measurements shall be made quarterly and intermediate monthly payments during the quarter shall be paid at the rates worked out on the basis of seventy-five percent of the payment based on detailed measurements.
- 14.4 In the case of likely delay in recording detailed measurements for making running payments, advance payment worked out at seventy-five percent of the tendered rates for assessed quantities of work done on the basis of a certificate from the Engineer may be made by the Employer on receipt of an application from the Contractor. The advance payments so allowed shall be adjusted in the subsequent running bill by taking detailed measurements thereof.
- 14.5 The final bill on the basis of detailed measurements shall be submitted by the Contractor within two months of the certificate of completion furnished by the Employer and payment shall be made within six months. If there shall be any dispute about any items of the work, then the undisputed items only shall be paid within the said period of six months as the case may be.
- 14.6 Deduction at source from the running/final bills of the contractor in respect of income tax, works contract/sales tax and any other taxes shall be made by the employer as applicable from time to time.
- 14.7 **Dispute in Mode of Measurement**
In case of any dispute as to the mode of measurement to be adopted for any item of work not covered by the contract document, mode of measurement as per Indian Standard Specification No. 1200 (latest edition) and such other Indian Standard Specification as may be applicable shall be followed.

In case of such item not being covered by the said Indian Standard Specification also, shall be measured in accordance with the method of measurement in this behalf determined by the Engineer-in-Charge, whose decision shall be final and binding upon the contractor.

14.8 Final Bill

Within 15 (fifteen) days from the date of final execution of any portion/section/part of the provisions of the contract as the case may be, the contractor shall cause to be jointly taken with the representative of the Engineer-in-Charge, final measurements herein provided for the works covered by the said final execution of the portion of work.

In the event of failure on the part of the contractor on the above, Engineer-in-Charge may, of his own initiative, notify the contractor in writing of the date(s) for final measurements. The contractor shall be bound to present himself for the measurements on date(s) so notified, failing which provisions of relevant portions of clause 14 shall be apply.

The Engineer-in-Charge shall within 60 days of the receipt of the final bill drawn in accordance with the provisions hereof proceed to check, correct or certify the final bill and shall forward the corrected and certified final bill to the owner for scrutiny and payment together with the completion certificate, and shall send to the contractor for information one copy of the final bill as corrected and certified.

14.9 The contractor shall provide soft copy of the bill to the Engineer-in-Charge along with the bill.

15.0 SECURED ADVANCE AND MOBILIZATION ADVANCE

- (a) During the progress of the execution of the work, the Employer on application by the Contractor may allow the Contractor a secured advance for the materials brought at site and which in the opinion of the Engineer are likely to be incorporated in the work within the next three months and are non-perishable and are in accordance with the Contract and are adequately stored and protected against damage by weather or other causes but which have not at the time of the advance been incorporated in the work. This advance shall be payable on signing an indenture by the Contractor in the prescribed format and shall be limited to Seventy-Five (75) percent of the assessed value of the materials/or 50% of the BOQ item for which the material is to be used whichever is lesser, which shall take into account the market value and Contractors tendered rates for the finished items of work. When materials on account of which an advance has been made under this clause are incorporated in the work the amount of such advance shall be deducted from the next interim payment made to the Contractor.

16.0 EXTENSION OF TIME

If the Contractor shall desire an extension of time for the completion of the work on the grounds of his having been unavoidably hindered in its execution or any other ground, he shall apply in writing to the Employer within thirty days of the date of occurrence of the event on account of which he desires extension as aforesaid, and the Employer shall, if in his opinion reasonable grounds have been shown thereof, authorize such extension of time if any, which may, in his opinion, be necessary or proper. Non-application by the Contractor for extension of time shall

not be a bar for giving a fair and reasonable extension of time for completion of work by the Employer.

17.0 FACILITIES TO OTHER CONTRACTORS

The Employer reserves the right to use the premises and any portion of the site for the execution of any work not included in the Contract. The Contractor shall afford all reasonable facilities to all Contractors, specialists and others who may be appointed by the Employer for executing any other work at the site of work.

18.0 WORKS TO BE OPEN FOR INSPECTION

All works under execution or executed in pursuance of the Contract shall at all times be open to the inspection and supervision of the Employer or the Engineer or their representatives or other officers of the Employer's organization or officers of any organization engaged by the Employer for quality assurance or officers of the Chief Technical Examiner's Organization and the Contractor shall at all times during the usual working hours, and at all other times for which reasonable notice of the intention of the Engineer to visit the works shall have been given to the Contractor, either himself be present to receive orders and instructions or have a responsible agent duly accredited in writing present for that purpose. Such facilities of inspection and supervision shall also be made available at workshops, factories or other places where the materials are being prepared or constructed for the Contract and also at any place where the materials are lying or from where those are being obtained. Contractor shall obtain written permission of the Engineer if any work is to be done at a place other than the site of work. Except the representative of the statutory authorities and those mentioned above no other person shall be allowed on the work site at any time without the permission of the Engineer.

19.0 AUDIT AND TECHNICAL EXAMINATION

The Employer shall have the right to cause audit and technical examination of the works and the final bill including all supporting vouchers, abstract etc., to be made after payment of the final bill and if as a result of such audit and technical examination any sum is found to have been overpaid in respect of any work done or any work claimed to have been done but found not to have been done, the Contractor, shall be liable to refund the amount of overpayment and it shall be recovered from the security deposit or the sum already due or likely to become due or in any other manner legally permissible and if it is found that the Contractor was paid less than what was due to be paid in respect of work executed by him, the amount of such underpayment shall be duly paid by the Employer to the Contractor.

In case the cost of work exceeds the tendered amount owing to variations the Contractor shall be entitled to an extension of time in proportion to the increased value of work.

20.0 COMPLETION CERTIFICATE

Within ten days of the completion of the work, the Contractor shall give notice of such completion to the Employer and within ten days of the receipt of such notice the Engineer in charge shall inspect the work. If there is no defect in the work the Employer shall furnish the Contractor with a certificate of completion otherwise a certificate of completion indicating defects shall be issued but the work shall not be considered to be completed until the Contractor

shall have removed from the premises on which the work was to be executed all the scaffolding, surplus material, rubbish, and all huts erected for labour for execution of the works and cleared the dirt, splashes, droppings of finishing items from all wood work, doors, windows, walls, floors or other parts of any building, in upon or about which the work was to be executed or of which he may had possession for the purpose of the execution thereof. If the Contractor shall fail to comply with requirements of this clause on or before the date fixed for inspection regarding the completion of the work, the Employer may at the risk and cost of the Contractor take action as he may think fit to get the work completed including rectification of all defects.

21.0 PERFORMANCE GUARANTEE

- 21.1 The Contractor shall submit an irrevocable Performance Guarantee of 5 % (Five Percent) of the tendered amount as per proforma attached in the form of Bank Guarantee in addition to other deposits mentioned elsewhere in the contract for his proper performance of the contract agreement, (not withstanding and /or without prejudice to any other provisions in the contract) within 15 days from the date of issue of letter of acceptance. This period can be further extended by the Engineer-in-Charge, CUPB at the written request of the Contractor, stating the reason for delays in procuring the Performance Guarantee to the satisfaction of Engineer-in-Charge, CUPB, for a maximum period of 7 days with late fee @ 0.1% per day of performance guarantee amount. This guarantee shall be in the form of Deposit at Call receipt of any scheduled bank/ Banker's cheque of any scheduled bank/Demand Draft of any scheduled/Pay order of any scheduled bank or Government Securities or Fixed Deposit Receipts or Guarantee Bonds of any Scheduled Bank or the State Bank of India in accordance with the form annexed hereto. in case a fixed deposit receipt of any Bank is furnished by the Contractor to the Government as part of the performance guarantee and the Bank is unable to make payment against the said fixed deposit receipt, the loss caused thereby shall fall on the Contractor and the Contractor shall forthwith on demand furnish additional security to the Government to make good the deficit.
- 21.2 The Performance Guarantee shall be initially valid up to stipulated date of completion plus 60 days beyond the contract period. In case the time for completion of work gets enlarged, the Contractor shall get the validity of Performance Guarantee extended to cover such enlarged time for completion of work. After satisfactory completion of the work by the Contractor as approved by Engineer-in- Charge, the performance guarantees shall be returned to the Contractor, without any interest.
- 21.3 The Engineer-in-Charge, CUPB shall not make a claim under the performance guarantee except for amounts to which CUPB is entitled under the contract (not withstanding and /or without prejudice to any other provisions in the contractor's agreement) in the event of:
- a) Failure by the Contractor to extend the validity of the Performance Guarantee as described herein above, in which event the Engineer-in-Charge, CUPB may claim full amount of the performance guarantee.
 - b) Failure by the Contractor to pay CUPB any amount due, either as agreed by the Contractor or determined under any of the Clauses/conditions of the agreement, within 30 days of the service of notice to this effect by Engineer-in-Charge, CUPB.

21.4 In the event of the contract being determined or rescinded under provision of any of the Clause/Condition of the agreement, the performance guarantee shall stand forfeited in full and shall be absolutely at the disposal of the CUPB.

21.5 Forfeiture of Performance Guarantee

If the agency withdraws his offer or make any changes in his offer after award of works, 100% of the performance guarantee will be forfeited by the CUPB.

Further, if the Contractor does not start the work within 10 days after award of work, 100% of performance guarantee submitted by him/her will be forfeited by the CUPB. In the above eventuality, the Contractor will be debarred from participation in retendering process of this work. (Refer to Annexure-G for an undertaking to be submitted in this regard).

22.0 SECURITY DEPOSIT

22.1 Contractor shall permit Employer at the time of making any payment to him for work done under the Contract to deduct a sum at the rate of five percent of the gross amount of each running bill till the sum will amount to security deposit of five percent of the awarded value of the work. Such deductions will be made and held by Employer by way of security deposit unless the Contractor has deposited the amount of security deposit at the rate mentioned above in cash or in the form of fixed deposit receipts or in the form of bank guarantee. The security deposit of the Contractor shall be held by the Employer until twelve months after the date of completion of work.

22.2 The security deposit as deducted above on request from the Contractor can be released against fixed deposit receipt or against bank guarantee in accordance with a prescribed form, subject to the condition that the validity of the fixed deposit receipt or bank guarantee shall be in conformity with the above provisions.

22.3 In case a fixed deposit receipt/bank guarantee is furnished by the Contractor to the Employer as part of the performance guarantee/security deposit and the bank goes into liquidation or for any reason is unable to make payment against the said fixed deposit receipt/bank guarantee, the loss caused thereby shall fall on the Contractor and the Contractor shall forthwith on demand furnish additional amount to the Employer to make good the deficit of such sum.

22.4 All compensations or the other sums of money payable by the Contractor under the terms of this Contract may be deducted from the security deposit or from the interest arising thereon or from any sums which may be due to or may become due to the Contractor by the Employer on any account whatsoever and in the event of the security deposit being reduced by reason of any such deductions aforesaid, the Contractor shall within ten days make good in cash or other bank instruments.

22.5 The security deposit shall be refunded on completion of the satisfactory completion of the defect liability period of 12 months.

23.0 CONTRACTOR'S PERSONNEL

23.1 General

No hindrance shall be caused to traffic during the execution of work.
- (b) The Contractor shall be responsible for all injury to persons, animals or things, and for all damages, whether such injuries or damages arise from carelessness or accident. This clause shall be held to include inter-alia any damage to work, building (whether immediately adjacent or otherwise) and to roads, streets, footpaths or bridges. The Contractor indemnifies the Employer and holds him harmless in respect of all expenses arising from such injuries or damages as aforesaid and also in respect of any award of compensation or damages consequent upon such claim including legal costs.
- (c) The Contractor shall reinstate all damage of every sort mentioned in this clause so as to deliver the whole of the work complete and perfect in every respect and so as to make good and otherwise satisfy all claims for damage as aforesaid to the property of third parties.
- (d) The Contractor also indemnifies the Employer against all claim which may be made upon the Employer for acts during the currency of this Contract by an employee or representative of an employee of the Contractor or any sub-Contractors employed by him for any injury to or loss of life of such employees, or for compensation payable under any law for the time being in force to any workmen or to the representative of any deceased or incapacitated workmen.
- (e) The Contractor shall indemnify the Employer against all claims which may be made upon the Employer for acts during execution of the Contract by the Central Government or the State Government or any statutory authorities for non-compliance of any laws or regulations in respect of labour and apprentices directly or indirectly employed in the work under the Contract.
- (f) The Contractor shall indemnify the Employer against any action, claim or proceedings relating to infringement or use of any patent or design or any alleged patent or design rights and shall pay royalties which may be payable in respect of any article or part thereof included in the Contract. In the event of any claims made under or action brought against the Employer in respect of any such matters as aforesaid, the Contractor shall be immediately notified thereof and the Contractor shall

be at liberty, at his own expense, to settle any dispute or to conduct any litigation that may arise there from. Provided that the Contractor shall not be liable to indemnify the Employer if the infringement of the patent or design or any alleged patent or design right is the direct result of an order passed by the Employer.

- (g) The Employer shall be at liberty to deduct the amount of any damages, compensation costs, charges and expenses arising in respect of any such claim as aforesaid from any sums due or to become due to the Contractor or the security deposit.
- (h) The format of Indemnity bond is attached as Annexure.

35.0 WITHHOLDING AND LIEN IN RESPECT OF SUMS DUE FROM CONTRACTOR

- (a) Whenever any claim for payment of a sum of money arises out of or under the Contract or any other Contract against the Contractor by the Employer or Government or any Contracting person through Employer, the Employer shall be entitled to withhold and also have a lien to retain such sums in whole or in part from the security deposit or from any sum found payable or which at any time thereafter may become payable to the Contractor under the Contract or any other Contract with the Employer or Government or any Contracting person through the Employer and also have a lien over the same pending finalization or adjudication of any such claim by the Arbitrator or by the Court as the case may be and that the Contractor will have no claim for interest or damages whatsoever on any account in respect of such withholding under the lien referred to above and duly notified as such to the Contractor.

- (b) For the purpose of this clause in the case the Contractor is a partnership firm or a limited company the Employer shall be entitled to withhold and also have a lien to retain towards such claimed amount in whole or in part from any sum payable to any partner/limited company as the case may be, whether in his individual capacity or otherwise.

36.0 INCASE OF DEATH OF CONTRACTOR

Without prejudice to any of the rights or remedies under this Contract, if the Contractor dies, the Employer shall have the option of determining the Contract without compensation to the Contractor.

37.0 FACILITIES TO OTHER CONTRACTORS

The Employer reserves the right to use the premises and any portion of the site for the execution of any work not included in the Contract. The Contractor shall afford all reasonable facilities to all Contractors, specialists and others who may be appointed by the Employer for executing any other work at the site of work.

38.0 DAMAGE TO WORKS IN CONSEQUENCE OF NATURAL CAUSES OR HOSTILITIES OR WAR-LIKE OPERATIONS

- (a) The work (whether fully constructed or not) and all materials, machines, tools and plants, scaffolding, temporary buildings and other things connected therewith shall be at the risk of the Contractor until the work has been delivered to the Employer and a completion certificate from him is obtained. In the event of the work or any materials properly brought to the site for incorporation in the work being damaged or destroyed in consequence of natural causes like rain, snowfall, floods or any other natural cause whatsoever or hostilities or war-like operations, the Contractor shall, when ordered in writing by the Employer, remove debris from the site, collect and properly stack in store all serviceable materials salvaged from the damaged work and shall be paid at the Contract rates in accordance with the provision of this Agreement for the work of clearing the site of debris, stacking of serviceable materials and for the reconstruction of all works ordered by the Employer. Such payment shall be in addition to compensation up to the value of the work originally executed before being damaged or destroyed. In case of works damaged or destroyed but not already measured and paid for the compensation shall be assessed by the Employer. The Contractor shall be paid for the damage/ destruction suffered and for restoration at the rates in accordance with the provision of this Agreement. The certificate of the Employer regarding the quality and quantity of materials and the purpose for which they were collected shall be final and binding on the Contractor.
- (b) Provided always that no compensation shall be payable for any loss in consequence of hostilities or war-like operations (i) unless the Contractor had taken all such precautions against Air Raid as are deemed to be required by the ARP Officers or the Employer, (ii) for any materials etc., not on the site of the work or for any tools and plant, machinery, scaffolding, temporary buildings and other things not intended for the work.

In the event of the Contractor having to carry out reconstruction as aforesaid, he shall be allowed such extension of time for its completion as is considered reasonable by the Employer.

39.0 WHEN CONTRACT CAN BE DETERMINED

Subject to other provisions contained in this clause, the Employer may, without prejudice to his any other rights or remedy against the Contractor in respect of any delay, inferior workmanship, any claims for damages and/or any other provisions of this Contract or otherwise, and whether the date of completion has or has not elapsed, by notice in writing absolutely determine the Contract in any of the following cases:

(i) If the Contractor having been given by the Employer a notice in writing to rectify, reconstruct or replace any defective work or that the work is being performed in an inefficient or otherwise improper or unworkman-like manner shall omit to comply with the requirement of such notice for a period of seven days thereafter.

(ii) If the Contractor shall without reasonable cause delays or suspends the execution of work or has failed to proceed with the work with due diligence so that in the opinion of the Employer (which shall be final and binding) he will be unable to secure completion of the work by the date for completion or has failed to complete the work by that date.

(iii) If the Contractor persistently neglects to carry out his obligations under the Contract and/ or commits default in complying with any of the terms and conditions of the Contract.

(iv) If the Contractor shall offer or give or agree to give to any person in Central University of Punjab, Bathinda service or to any other person on his behalf any gift or consideration of any kind as an inducement or reward for doing or forbearing to do or for having done or forborne to do any act in relation to the obtaining or execution of this or any other Contract for Central University of Punjab, Bathinda.

(v) If the Contractor shall enter into a Contract with Central University of Punjab, Bathinda in connection with which commission has been paid or agreed to be paid by him or to his knowledge, unless the particulars of any such commission and the terms of payment thereof have been previously disclosed in writing to the Employer.

(vi) If the Contractor shall obtain a Contract with Central University of Punjab, Bathinda as a result of wrong tendering or other non-bonafide methods of competitive tendering or any other malpractice.

(vii) If the Contractor being an individual, or a firm and any partner thereof shall at any time be adjudged insolvent or have a receiving order or order for administration of his estate made against him or shall take any proceedings for liquidation or composition (other than a voluntary liquidation for the purpose of amalgamation or reconstruction) under any Insolvency Act for the time being in force or make any conveyance or assignment of his effects or composition or arrangement for the benefit of his creditors or purport so to do, or if any application be made under any Insolvency Act for the time being in force for the sequestration of his estate or if a trust deed be executed by him for the benefit of his creditors.

(viii) If the Contractor being a company shall pass a resolution or the Court shall make an order that the company shall be wound up or if a receiver or a manager on behalf of a creditor shall be appointed or if circumstances shall arise which entitle the Court or the creditor to appoint a receiver or a manager or which entitle the Court to make a winding up order.

(ix) If the Contractor shall suffer an execution being levied on his goods and allow it to be continued for a period of 21 days.

When the Contractor has made himself liable for action under any of the cases aforesaid, the Employer shall have powers:

- (a) To determine the Contract as aforesaid of which termination notice in writing to the Contractor under the hand of the Employer shall be conclusive evidence. Upon such determination, the earnest money deposit, security deposit already recovered and performance guarantee under the Contract shall be liable to be forfeited and shall be absolutely at the disposal of the Employer.
- (b) After giving notice to the Contractor to measure up the work of the Contractor and to take over unexecuted work out of his hand for its completion, the Contractor, whose Contract is determined, shall not be allowed to participate in the tendering process for the balance work.

In the event of above courses being adopted by the Employer, the Contractor shall have no claim to compensation for any loss sustained by him by reasons of his having purchased or procured any materials or entered into any engagements or made any advances on account or with a view to the execution of the work or the performance of the Contract. And in case action is taken under any of the provision aforesaid, the Contractor shall not be entitled to recover or be paid any sum for any work thereof or actually performed under this Contract unless and until the Engineer has certified in writing the performance of such work and the value payable in respect thereof and he shall only be entitled to be paid the value so certified.

40.0 LABOUR SERVICE LAWS

40.1 The Contractor must employ adult labour only; employment of child labour will lead to the termination of the contract including other punitive action as deemed fit.

40.2 Any payment under provision of the ESI Act, 1948, Workman Compensation Act 1923, payment of Gratuity Act, 1948 and Employee's provident Fund and Miscellaneous Provisions, Act 1952 or any other statutory liability shall be made by the bidders and challans/receipts must be enclosed with the Running bills. The agency shall be solely responsible and liable for his persons under the provisions of Contract Labour (R&A) Act and the labour and services laws.

40.3 The firm should have valid labour license.

41.0 COMPENSATION FOR DELAY /LIQUIDATED DAMAGES AND PENALTIES

- (a) The time for carrying out the work as entered in the tender shall be strictly observed by the Contractor and shall be the essence of the Contract on the part of the Contractor. The work shall throughout the stipulated period of the Contract be proceeded with all due diligence.
- (b) Further to ensure good progress during the execution of the work, the Contractor shall be bound in

all cases in which the time allowed for any work exceeds one month (save for special jobs) to complete one-eighth of the work before one-fourth of the time allowed under the Contract has elapsed; three-eighth of the work before one-half of such time has elapsed, and three-fourths of the work before three-fourth of such time has elapsed. However, for special jobs if a time schedule has been submitted by the Contractor and the same has been accepted by the Employer, the Contractor shall comply with the said time schedule. In the event of the Contractor failing to comply with this condition, he shall be liable to pay as compensation an amount equal to one-half percent per week of delay, or such smaller amount as the Employer (whose decision in writing shall be final and binding) may decide for every day that the progress remains below specified or that work remains incomplete after the proper dates. Provided that the entire compensation to be paid under the provisions of this clause shall not exceed 10 (Ten) percent of the tendered cost.

42.0 SETTLEMENT OF DISPUTES & ARBITRATION

Except where otherwise provided in the contract, all questions and disputes relating to the meaning of the specifications, design, drawings and instructions here-in before mentioned and as to the quality of workmanship or materials used on the work or as to any other question, claim, right, matter or thing whatsoever in any way arising out of or relating to the contract or these conditions or otherwise concerning the works or the execution or failure to execute the same whether arising during the progress of the work or after the cancellation, termination, completion or abandonment thereof shall be dealt with as mentioned hereinafter:

42.1 If the Contractor considers any work demanded of him to be outside the requirements of the contract, or disputes any record or decision given in writing by the Engineer-in-Charge, CUPB on any matter in connection with or arising out of the contract or carrying out of the work, to be unacceptable, he shall promptly within 15 days request the Registrar, CUPB in writing for written instruction or decision. Thereupon, Registrar, CUPB shall give his written instructions or decision within a period of one month from the receipt of the Contractor's letter.

If the Registrar, CUPB fails to give his instructions or decision in writing within the aforesaid period or if the Contractor is dissatisfied with the instructions or decision of the Registrar, CUPB, the Contractor may, within 15 days of the receipt of the decision, appeal to the Vice Chancellor, CUPB who shall afford an opportunity to the Contractor to be heard, if the latter so desires, and to offer evidence in support of his appeal. The Vice Chancellor, CUPB shall give his decision within 30 days of receipt of Contractor's appeal.

42.2 If the Vice Chancellor, CUPB fails to give its decision within the aforesaid period or any party is dissatisfied with the decision of the Vice Chancellor, CUPB then either party may within a period of 30 days from receipt of the decision give notice to the Registrar CUPB for appointment of arbitrator, failing which the said decision shall be final binding. It is a term of contract that each party invoking arbitration must exhaust the aforesaid mechanism of settlement of claims/disputes prior to invoking arbitration.

42.3 Except where the decision has become final, binding and conclusive in terms of Sub Para above, disputes or difference shall be referred for adjudication through arbitration by a sole arbitrator

appointed by the Vice Chancellor, CUPB. If the arbitrator so appointed is unable or unwilling to act or resigns his appointment or vacates his office due to any reason whatsoever, another sole arbitrator shall be appointed in the manner aforesaid. Such person shall be entitled to proceed with the reference from the stage at which it was left by his predecessor. It is a term of this contract that the party invoking arbitration shall give a list of disputes with amounts claimed in respect of each such dispute along with the notice for appointment of arbitrator and giving reference to the rejection by the Vice Chancellor, CUPB of the appeal. It is also a term of this contract that no person, other than a person appointed by Vice Chancellor, CUPB as aforesaid, should act as arbitrator and if for any reason that is not possible; the matter shall not be referred to arbitration at all. It is also a term of this contract that if the Contractor does not make any demand for appointment of arbitrator in respect of any claims in writing as aforesaid within 6 months of receiving the intimation from the Engineer-in-charge that the final bill is ready for payment, the claim of the Contractor shall be deemed to have been waived and absolutely barred and the CUPB shall be discharged and released of all liabilities under the contract in respect of these claims.

- 42.4 The arbitration shall be conducted in accordance with the provisions of the Arbitration and Conciliation Act, 1996 (26 of 1996) /Arbitration and Conciliation (Amendment) Act, 2015 or any statutory modifications or re-enactment thereof and the rules made there under and for the time being in force shall apply to the arbitration proceeding under this clause. It is also a term of this contract that the arbitrator shall adjudicate on only such disputes as are referred to him by the appointing authority and give separate award against each dispute and claim referred to him and in all cases where the total amount of the claims by any party exceeds Rs. 1, 00,000/-, the arbitrator shall give reasons for the award. It is also a term of the contract that if any fees are payable to the arbitrator, these shall be paid equally by both the parties. It is also a term of the contract that the arbitrator shall be deemed to have entered on the reference on the date he issues notice to both the parties calling them to submit their statement of claims and counter statement of claims. The venue of the arbitration shall be such place as may be fixed by the arbitrator in his sole discretion. The fees, if any, of the arbitrator shall, if required to be paid before the award is made and published, be paid half and half by each of the parties. The cost of the reference and of the award (including the fees, if any, of the arbitrator) shall be in the discretion of the arbitrator who may direct to any by whom and in what manner, such costs or any part thereof shall be paid and fix or settle the amount of costs to be so paid. However, no interest shall be payable on the awarded amount.

43.0 CIVIL SUIT JURISDICTION

All legal proceedings in connection with this Contract shall be subject to the territorial jurisdiction of the Civil Courts, at Bathinda only.

44.0 Safety:

- 44.1 The contractor shall be responsible for maintaining the safety of all activities on the site, including smooth flow of traffic at his own cost as per guidelines of the IRC/MORT&H/IS.

- 44.2 In respect of all above, directly or indirectly employed in the work for the performance of the contractor's part of this contract, the contractor shall at his own expense arrange for the safety provisions as per safety code framed from time to time and shall at his own expense provide for all facilities in connection therewith. In case the contractor fails to make arrangement and provide necessary facilities as aforesaid, the employer shall be at liberty to make arrangement and provide facilities as aforesaid and recover the costs incurred in that behalf from the contractor.
- 44.3 The decision of the Engineer-in-Charge in this regard shall be final and no claim on account of this shall be entertained.

- (ii) The Bidder(s)/Contractor(s) will not enter with other Bidder(s) into any undisclosed agreement or understanding, whether formal or informal. This applies in particular to fee, specifications, certifications, subsidiary contracts, submission or non-submission of bids or any other actions to restrict competitiveness or to cartelize in the bidding process.
- (iii) The Bidder(s)/ Contractor (s) will not commit any offence under the relevant IPC/PC Act. Further the Bidder(s)/ Contractor (s) will not use improperly, (for the purpose of competition or personal gain), or pass on to others, any information or documents provided by the CUPB as part of the business relationship, regarding plans, technical proposals and business details, including information contained or transmitted electronically.
- (iv) The Bidder(s)/ Contractor (s) will, when presenting his bid, disclose any and all payments he has made, is committed to or intends to make to agents, brokers or any other intermediaries in connection with the award of the Contract.
- (v) The Bidder(s)/ Contractor (s) will not instigate third persons to commit offences outlined above or be an accessory to such offences.
- (vi) The Bidder(s)/ Contractor (s) will not, directly or through any other person or firm indulge in fraudulent practice means a willful misrepresentation or omission of facts or submission of fake/forged documents in order to induce public official to act in reliance thereof, with the purpose of obtaining unjust advantage by or causing damage to justified interest of others and /or to influence the procurement process to the detriment of the Government interests.
- (vii) The Bidder(s)/ Contractor (s) will not, directly or through any other person or firm use Coercive Practices (means the act of obtaining something, compelling an action or influencing a decision through intimidation, threat or the use of force directly or indirectly, where potential or actual injury may befall upon a person, his/her reputation or property to influence their participation in the tendering process).

Article 3: Consequences of Breach

Without prejudice to any rights that may be available to the CUPB under law or the Contract or its established policies and laid down procedures, the CUPB shall have the following rights in case of breach of this Integrity Pact by the Bidder(s)/ Contractor (s) and the Bidder/ Contractor accepts and undertakes to respect and uphold the CUPB's absolute right:

- I. If the Bidder(s)/ Contractor (s) either before award or during execution of Contract has committed a transgression through a violation of Article 2 above or in any other form, such as to put his reliability or credibility in question, the CUPB after giving 14 days' notice to the Contractor shall have powers to disqualify the Bidder(s)/ Contractor (s) from the Tender process or terminate/determine the Contract, if already executed or exclude the Bidder/ Contractor from future contract award processes. The imposition and duration of the

exclusion will be determined by the severity of transgression and determined by the CUPB. Such exclusion may be forever or for a limited period as decided by the CUPB.

- II. Forfeiture of Performance Guarantee/Security Deposit: If the Employer has disqualified the Bidder(s) from the Tender process prior to the award of the Contract or terminated/determined the Contract or has accrued the right to terminate/determine the Contract according to Article 3(1), the CUPB, apart from exercising any legal rights that may have accrued to the CUPB, may in its considered opinion forfeit the entire amount of Earnest Money Deposit declaration, performance Guarantee and Security Deposit of the Bidder/Contractor.
- III. Criminal Liability: If CUPB obtains knowledge of conduct of a Bidder or Contractor, or of an employee or a representative or an associate of Bidder or Contractor which constitutes corruption within the meaning of IPC Act, or if the CUPB has substantive suspicion in this regard, the CUPB will inform the same to law enforcing agencies for further investigation.

Article 4: Previous Transgression

- I. The Bidder declares that no previous transgressions occurred in the last 5 years with any other Company in any country confirming to the anticorruption approach or with Central Government or State Government or any other Central/State Public Sector Enterprises in India that could justify his exclusion from the Tender process.
- II. If the Bidder makes incorrect statement on this subject, he can be disqualified from the Tender process or action can be taken for banning of business dealings/holiday listing of the Bidder/ Contractor as deemed fit by the CUPB.
- III. If the Bidder/ Contractor can prove that he has resorted/ recouped the damage caused by him and has installed a suitable corruption prevention system, the CUPB may, at its own discretion, revoke the exclusion prematurely.

Article 5: Equal Treatment of all Bidders/Contractors/Subcontractors

- I. The Bidder(s)/ Contractor (s) undertake(s) to demand from all subcontractors a commitment in conformity with this Integrity Pact. The Bidder/ Contractor shall be responsible for any violation(s) of the principle laid down in this Agreement/Pact by any of its Sub-contractors /sub-vendors.
- II. The CUPB will enter into Pacts on identical terms as this one with all Bidders/ Contractors.
- III. The CUPB will disqualify Bidders, who do not submit, the duly signed Pact between the Employer and the Bidder, along with the Tender or violate its provisions at any stage of the Tender process, from the Tender process.

Article 6- Duration of the Pact

This Pact begins when both the parties have legally signed it. It expires for the Contractor 12 (Nine) months after the completion of work under the contract or till the continuation of defect liability period, whichever is later and for all other Bidders, till the Contract has been awarded.

If any claim is made/lodged during the time, the same shall be binding and continue to be valid despite the lapse of this Pacts as specified above, unless it is discharged/determined by the Competent Authority, CUPB.

Article 7- Other Provisions

- I. This Pact is subject to Indian law, place of performance and jurisdiction is the Headquarters of the Division of the CUPB, who has floated the Tender.
- II. Changes and supplements need to be made in writing. Side agreements have not been made.
- III. Should one or several provisions of this Pact turn out to be invalid; the remainder of this Pact remains valid. In this case, the parties will strive to come to an agreement to their original intensions.
- IV. It is agreed term and condition that any dispute or difference arising between the parties with regard to the terms of this Integrity Agreement/Pact, any action taken by the CUPB in accordance with this Integrity Agreement/Pact or interpretation thereof shall not be subject to arbitration.

Article 8 – LEGAL AND PRIOR RIGHTS

All rights and remedies of the parties hereto shall be in addition to all the other legal rights and remedies belonging to such parties under the Contract and/or law and the same shall be deemed to be cumulative and not alternative to such legal rights and remedies aforesaid. For the sake of brevity, both the Parties agree that this Integrity Pact will have precedence over the Tender/Contact documents with regard any of the provisions covered under this Integrity Pact.
