## PROGRAM OUTCOMES

Upon successful completion of the Post Graduate Diploma in Sapta-Sindhu Studies, students will achieve the following program outcomes:

1. Graduates of this programme will be well-equipped with historical, cultural, and analytical skills, enabling them to contribute meaningfully to the study and preservation of the Sapta-Sindhu region's heritage.
2. Demonstrate a comprehensive understanding of the historical evolution of the Sapta-Sindhu region from the Indus Valley Civilization to modern times.
3. Understand the significance of inscriptions, coins, and artifacts in reconstructing history.
4. Assess the role of river systems, climatic conditions, and geography in shaping the region's historical development.
5. Understand how environmental changes influenced human settlements and migrations.
6. Apply interdisciplinary research methods in history, archaeology, linguistics, and cultural studies.
7. Develop analytical and interpretative skills for historical texts, inscriptions, and artifacts.
8. Gain awareness of the importance of heritage conservation and cultural preservation in the region.
9. Develop an understanding of policies and initiatives for safeguarding historical and archaeological sites.
10. Establish connections between ancient traditions and their modern interpretations and adaptations.
11. Engage in discussions about the role of Sapta-Sindhu heritage in contemporary cultural and national identity.
12. Prepare for careers in academia, research, museum studies, heritage management, and cultural policymaking.

---

## CAREER OPPORTUNITIES:

The **Post Graduate Diploma in Sapta-Sindhu Civilizational Studies** offers interdisciplinary exposure to history, culture, philosophy, governance, and technology rooted in the Indian civilizational ethos. Graduates of this program are equipped with critical knowledge and analytical skills applicable in multiple domains. Career pathways include both academic and applied sectors.

---

## EXAMINATION PATTERN AND EVALUATION FOR MASTERS' STUDENTS (From 2023-24 Session Onwards)

---

**Formative Evaluation:** Internal assessment shall be 25 marks using any two or more of the given methods: tests, open book examination, assignments, term paper, etc. The Mid-semester test shall be descriptive type of 25 marks including short answer and essay type. The number of questions and distribution of marks shall be decided by the teachers.

**Summative Evaluation:** The End semester examination (50 marks) with 70% descriptive type and 30% objective type shall be conducted at the end of the semester. The objective type shall include one-word/sentence answers, fill-in the blanks, MCQs, and matching. The descriptive type shall include short answer and essay type questions. The number of questions and distribution of marks shall be decided by the teachers. Questions for exams and tests shall be designed to assess course learning outcomes along with focus on knowledge, understanding, application, analysis, synthesis, and evaluation.

The evaluation for IDC, VAC and entrepreneurship, innovation and skill development courses shall include MST (50 marks) and ESE (50 marks). The pattern of examination for both MST and ESE shall be same as ESE described above for other courses.

**Evaluation of dissertation proposal** in the third semester shall include 50% weightage by supervisor and 50% by HoD and senior-most faculty of the department. The evaluation of dissertation in the fourth semester shall include 50% weightage for continuous evaluation by the supervisor for regularity in work, mid-term evaluation, report of dissertation, presentation, and final viva-voce; 50% weightage based on average assessment scores by an external expert, HoD and senior-most faculty of the department. Distribution of marks is based on report of dissertation (30%), presentation (10%), and final viva-voce (10%). The external expert may attend final viva-voce through offline or online mode.
